

## 2010 Spartan Chassis Owner Training

We are excited to introduce the 2010 Spartan Chassis Owner Training. This training will give you in-depth, hands-on training of your Spartan Chassis that you cannot receive anywhere else. This training will cover:

- Pre-Trip Inspection
- Fundamentals of your vehicle
- Roadside troubleshooting
- Component location
- Spartan or OEM?
- Towing/tow brake air kit
- Chassis maintenance
- Weighing unit/tire pressure
- Warranty/Coach-Net
- Driver Course consisting of Driver hazard awareness, basic driver guidelines, hazard avoidance, control and recovery and the driver's role
- Personal on the road drive time with a certified instructor
- Personal walk around of your coach with a qualified Spartan Chassis Technician
- Factory tour

Each training session will host up to 7 coaches (up to two people per coach). For \$725.00, you will receive this training as well as lunch for three days, training manual and a unique Spartan gift. Spartan will be covering the cost of your camping at our local fairgrounds, which is approximately 2 miles from the factory. You will also receive a discount on parts while attending the training. This training is valued at \$1200.00. **That is a savings of \$475.00!**

Training will be offered **June 15-18, August 17-20 and August 24-27** at Spartan Chassis, Inc.

After you have registered and you wish to schedule a service appointment, please call (517) 543-6400, ext. 3190. *Service appointments need to be made as far in advance as possible. Appointments are best scheduled on the days following the training sessions. You must have an appointment to receive service while at Spartan.*

Should you have any additional questions, please contact Greg Rinehart at (517) 543-6400, ext. 3122.

Thank you,

Spartan Chassis Customer Service
