HERE'S WHAT'S HAPPENING

Ron & Wanda Llewellyn (16303-L)

"Memories are the key not to the past, but to the future."
Corrie ten Boom

For those members who attended the 2022 Newmar Kountry Klub International Rally in Rock Springs, Wyoming, we are sure you have stored many memories. Those that will remain with you are probably the many fine folks you met. This is where the future becomes the purpose for your memories. You will meet again with most of these people, especially if you all plan to get together for the 2023 International Rally in Sedalia, Missouri.

We were pleased to host 214 first time attendee units who met with their Region Directors and in many cases their State/Provincial Directors. Every year we hear from First Time Attendees that they would like to have had a mentor for the rally. That is why we offer a First Time Attendees meeting early in the rally. These Region Directors, State/Provincial Directors and Chapter officers are your mentors. They are your contact for not only the International Rally but also for your future involvement in the Newmar Kountry Klub.

Although the International Rally is in the history books, we are reviewing the surveys and using your responses to help improve the 2023 International Rally. Most of the responses were positive but there are areas we hope to improve on. Each location has its plus and minuses, issues we can improve on and some that we just have to accept and try harder with. The expectations of our attendees have grown significantly over the past 15 years that we have been involved with the Newmar Kountry Klub. This means the challenges grow. Very few locations provide ample 50-amp FHU sites. Some do not include sewer connections and we must rely on 'honey wagons' to empty our tanks. None offer concrete sites. As we diligently research sites for these amenities there are many reasons why we select sites with less than perfect sites.

Each year we offer seminars that will help our members learn about boondocking and experiencing the conveniences of our Newmar units with limited electric. The Fulltimers Chapter has offered several opportunities to learn the basics and the basics will come in handy not only at some of our International Rally

sites, but also will serve you well in your future travels. Thank you Fulltimers!

Some ask why we do not hold our International Rally where FMCA does. The answer is quite simple: first they have many smaller, less demanding units in attendance, second, they do not provide meals, third they do not have dealer display restrictions as we do, and the list goes on.

We have researched over 24 locations and visited 4 sites for International Rallies. Very few can meet our, and your expectations. We hope to visit a couple of sites and finalize dates for 2024 this fall. Continue to send in your suggestions for locations that might meet our, and your expectations.

We thank our Region Directors and Members-at-Large for their leadership at the rally. These people give of their time year after year. Without them we could not do our jobs. Their many volunteers, over 70% of attendees, are greatly appreciated. Please let them all know you appreciate their service, too.

We know we don't need to tell you this, but the functioning of the Newmar Kountry Klub and the International Rally would not be possible without Linda Feece, Klub Coordinator and DeAnn LaMaine, Office Assistant. Their skill, knowledge and dedication are appreciated not just by us, but all of the Region Directors and Members-at-Large, State & Provincial Directors, Chapter Officers and members who interact with them. Thanks is never enough, but we thank them anyway!

We also want to express our appreciation to the Newmar Corporation for their support of our rally. They not only work with the dealer(s) who display models, but the Service Department sends all their technicians to provide service to our customers and their Parts Store to provide the amenities we need and want. In addition, they sent internet service technicians to make sure all our connections were available to provide on-site services. For the past couple of years, we have shown our appreciation to these dedicated employees with one of our rally gifts. A hearty THANK YOU from all of us!

The Newmar Kountry Klub Board of Directors have always been dedicated to the purpose and future of the Klub. We appreciate their attendance and involvement in the International Rally and throughout the year. Since the pandemic we have experienced significant challenges and changes to the way we do things. Their support has been phenomenal and sincerely appreciated.

Another reason attendees return year after year is the presence of the many Newmar suppliers and vendors that bring us services and new options. In addition, many of these companies provide sponsorships to enhance your experiences at the rally. Please show your appreciation to these people whenever you have an opportunity. We had more vendors than in the past, with several new to our event. Their presence is often compromised by our location and or dates. Each year the office sends out announcements to over 200 vendors. We

appreciate those who make an effort to join us. When in a new location we also invite local vendors to participate. Most do not have staff to be available to us, but we appreciate those who do. Thanks to the Sweetwater Event Complex staff who also reached out to local vendors on our behalf.

One of the most appreciated options at the rally is the presence of all the display units we get to visit and dream about. We thank NIRVC for their display units, entertainment, and food that makes this a special event. This year we also enjoyed seeing the two Super C models from IWS of Utah. Our event would not be the same without some new models to view. Thank you NIRVC and IWS!

We would be remiss if we did not recognize the awesome people of the Sweetwater Event Complex in Rock Springs. Kandi Pendleton, CEO and Tamara Musgrove, Event Complex Manager were compatible, available, and responsive to all our needs. As leaders of their team of employees, they set an example that filtered down to every employee we met. We highly recommend this location for future rallies.

We are overwhelmed with the attendees' responses to the Caring & Sharing Program that leaves a positive imprint on the area when we leave. Once all the funds, cans, jars, boxes, bags, and sacks were calculated, our impact on the area was \$31,319.27! The United Way, Food Bank of Sweetwater County & Diaper Bank programs received \$15,671.01 of funds, food, personal items, diapers, etc. The Red Desert Humane Society received \$12,732.25 of funds toward a shelter, dog and cat food, toys, blankets, towels etc. The Stuffed Animal Project for First Responder received \$2,916.00 worth of stuffed toys for traumatized children. This year non-attendees were invited to participate in this most worthwhile project. **Thank you to Wayne and Sue Burke, Caring & Sharing Program coordinators and their volunteers who helped collect, box, move and display the bounty received. Thank you to all the members who donated to these causes!**

We know this article is lengthy, but there are so many who warrant appreciation for their participation in making our annual rally a success. **For those who were unable to attend and those who will return, we hope to see you next year in Sedalia, Missouri for the 37th Newmar Kountry Klub International Rally! Rally dates will be Saturday, September 30 – Saturday, October 7, 2023.**

As our office works diligently to provide you with enjoyable memories, **check out the many pictures, both still and drone on the Klub website and Newmar Kountry Klub Facebook page. And a special thank you to Denny Selm and his team of photographers, as well as the drone operators for giving us these memories!**

May your memories bring you peace and joy,

Ron & Wanda

NEWS FROM THE KLUB OFFICE

DeAnn LaMaine and Linda Feece

Hello everyone! Fall is in the air, and many of you are getting ready to “migrate” to your snowbird locations. **If you have a permanent dual address, we can have your address set to alternate with a beginning and ending date.** If we do not have this information in your Klub records, you can either go on our website newmarkcountryklub.com, click on *Klub Members* and then *Change of Address* and complete the form. Or if you prefer you can either drop us an email kountryklub@newmarcorp.com or give us a call 877-639-5582 and we can get this all set up for you.

Speaking of our website, we recently added our new merchandise to the site. If you were not at the International Rally to see everything, be sure to check out what we have to offer. We have also moved a few more items to our clearance rack so you just may find a great bargain! It is easy access the store. Simply go to newmarkcountryklub.com and then click on *Klub Store*.

We have also created a new Facebook page for the Kountry Klub; so search for *Newmar Kountry Klub* to keep up to date on Klub activities, view photos from recent rallies and more! If you have not already joined in your regional Facebook page, be sure to do so. Most are very active.

And speaking of Facebook... you will notice at the top of this article as well as the regional pages are QR codes. These codes will take you to the specific group’s Facebook page for each of the regions. The code on this page goes to the general Kountry Klub’s Facebook page.

We recently completed our 36th International Rally in Rock Springs, Wyoming. It was another great event with 446 units in attendance. You’ll read many comments in this issue on the event.

Each year the International Directors, Members-at-Large and Region Directors as well as DeAnn and myself arrive two weeks prior to the start of the rally. The first week is our *Region*

Director’s Meeting during which we discuss Klub policy, how things are going for each region, and the Klub in general, and what we can do to make the Klub a better experience for each of you. The second week we begin setting up for the rally with the help of our early arrival volunteers. We work hard and have some laughs while coming together to make it a great experience for the attendees. Then during the rally week, we have many more volunteers pitching in. **We want to give a great big shout out to thank all our directors, as well as their volunteers for their time and efforts to make it a wonderful experience for everyone. We could not do it without our volunteers– so THANK YOU, THANK YOU, THANK YOU!**

We are reviewing all the survey forms that the attendees completed and will do our best to make next year’s rally even better! **So be sure to note the dates of September 30-October 7, 2023 on your calendar and plan to join in the fun! Next year’s rally location will be the Missouri State Fairgrounds in Sedalia, Missouri.** Bonus again next year: All sites will be 50-amp full hookup. Hope to see you there.

And to close out this article we want to remind you if your membership is expiring at the end of this year, you’ll be receiving a renewal notice by email in early November (if you do not have email, we will mail an invoice). If you are not sure of your expiration date, check the address label on the back of this issue.

Wishing everyone a Happy Thanksgiving.

INTERNATIONAL MEMBERS-AT-LARGE

Evan & Debbie Hughes (19771)

October brings the sights and smells of pumpkins, spices, cooler weather and for some even the beginning of winterizing their beloved Newmar. For others it is a looking towards warmer weather in the south, both east and west. No matter

where you might travel, or park, we hope you take a few minutes and read this magazine. Each and every chapter, state, and region has information to share, whether reporting on past events or future events.

For us, this past year has been exciting, as we were able to attend more rallies than in the past few years. The country is getting back to a new normal and more are traveling and attending at rallies. We are seeing new members at each rally. It's exciting to be a part of this Klub.

This is the report we gave during the International Rally in Rock Springs, Wyoming, in July.

For period July 15, 2021 through July 22, 2022 - We have traveled a total of 13,790 miles. We attended: 1 breakfast, lunches, 2 Region Rallies, 8 State or Provincial Rallies, 3 Chapter Rallies, 1 International Rally (West Virginia), 1 NKK Special Event Rally (Quartzite). For a total of 16 rallies or events plus the Regional Directors Meeting. We attended rallies in 5 of the 9 regions. Those rallies have been in 11 states

We spoke to approximately 838 members. This does not include International attendees. Nor does it take into account that some of these members we met at more than one event. We provided the Board of Directors a list of twenty topics so far and have more to provide them before the upcoming meeting.

There are still two more Region Rallies on our schedule for this year, as well as our annual Board Meeting scheduled for early October in Nappanee, Indiana. Then we begin 2023 at the Tampa Super Show Rally. We will do our best to post the rallies we have scheduled to attend ahead of time. If you want us to attend a specific rally, please let us know as soon as you know the dates and location, so

we can look at our calendar to fit it in. We want to meet and talk to as many of you as we can throughout the year. This is your Klub, and we want your ideas and suggestions to make this the best Klub to belong to.

We would like to take this opportunity to say **THANK YOU** to those members who took the time to take up the QOVF Quilt Block Challenge. We received 189 completed blocks. This is enough to make 4 1/2 quilts to be awarded to deserving Veteran's. We had 17 people who donated. Kim Anderson, Chris Barsh, Charlene Budd, Kathy Davis, Fay & Steve Day, Melissa Hale, Debbie Hughes, Kathy Linn, Danya MacDonald, Michelle Moore, Pat Robshaw, Karen Terry, Terry Trammell, Nancy Wills, Joanne Wyble, and Gayle Young. Every single block will be a piece of something special.

At this time, we plan to participate in the QOVF Block Challenge in 2023. The new block pattern will be released in January sometime. We will make sure to publish the information once it is announced.

We wish you all a wonder filled Autumn.

FULLTIMERS CHAPTER

Dave Shank & Lynn Barley (24088)

“Live with no excuses and travel with no regrets” ...
Oscar Wilde

Our NKK Fulltimers Chapter members had a wonderful time in the Utah mountains this summer. We had 94

people in 50 Newmar rigs at the 2022 Fulltimers Rally and Annual Business Meeting in Heber City, Utah, July 10-15. Our five days there were jam packed with *Fun and Friendship*. Attendees dined well and played hard while meeting up with old friends and making new friends.

After registration, volunteer sign ups, goody bag hand outs and orientation on Sunday, we met at Daniels Summit Lodge for a delicious welcome dinner of Prime Rib, Salmon, and fruit cobbler desert.

Our business meeting was held on Monday morning at the Heber Senior Center. Tom & Roni Lehmkuhl presided over the election of new officers: Dave Shank & Lynn Barley to the President’s position and Victor & Pamela Lorentz to the Vice President’s position. Tom & Barbara Palmer remain as Secretary and David & Debbie Seale announced that they will serve one more year as Treasurer and step down in 2023. Congratulations to our new officers and we want to thank Tom & Roni and Hal & Lynn for their service and wish them well in their future endeavors.

Following the meeting, a historical overview of the Heber Valley area was given by Alice DeFriez of the Wasatch County Library.

We toured the Heber Valley Artisan Cheese Farm in Midway where a presentation of cheese production was given including a tasting of several of their specialty products. We then visited their barn where “it all begins.”

We walked through the milking parlor and watched as the cows were able to enter the computerized stanchions as they wanted. The computer recognized each cow by her I.D. tag and provided a feed supplement specifically for her as the cups automatically attached, and the milk she had available at that time was drawn out and recorded and added to her record. She then moved out to the barn to lounge and rest.

Each evening we gathered around a campfire pit generously provided by Mountain Valley RV Resort to socialize and catch up with friends from around the country. Most evenings the person assigned to put out the flame at 10:00 would come back around closer to 11:00 to give us more time together.

Tuesday we were provided breakfast and a **presentation by Dennis Ryan with SkyMed. We would also like to thank our other corporate sponsors:** Mt Comfort RV, Independence RV, Wood Design RV Interiors, Tire Minder Technologies, ITR Technologies, Magne Shade, Summit Products, Proteng, Blue Ox, Valterra Products, Sewer Saddle Bag, Colorful Accents, and members Debbie & David Seale for monetary as well as product contributions to support our rally and silent auction. **A giant thanks to all the volunteers that helped in any way, the rally would not be a success without you!**

These activities are a big part of our effort to leave a humanitarian imprint to areas of the country that we visit. This year we chose Christian Center of Park City and their Snacks in Backpack and Back 2 School Programs. A large part of our donation came from our drawing where we offered over \$4,300 in merchandise. And of course, our chapter members wrote checks to help increase the donation. **We were able to present a check for \$6,825.00 during our farewell dinner.**

Wednesday, we had a Pizza Party at the Heber County Rec Center where we socialized and enjoyed choosing items we wanted to take a chance on with our auction tickets. Watching the reactions of those whose ticket was drawn is often more fun than being picked.

Thursday, we met for a breakfast buffet followed by a Fulltimers roundtable, driver’s meeting for the caravan to International, a meeting for first time attendees and

a Life on the Road presenters meeting. We then participated in a Poker Walk in the afternoon.

Our farewell BBQ dinner was held at the Heber Historic Railroad followed by a Scenic Train Ride. Tom & Roni Lehmkuhl and Hal & Lynn Fryer gave departing remarks about their time in office followed with a

gift presentation to Tom & Roni.

Most of us left our Fulltimers Rally to attend the International Rally in Rock Springs, Wyoming. We had 88 Fulltimers Chapter member coaches in attendance at the Rock Springs Rally. Our Popcorn and Lemonade stand maintained a brisk business - we all know rallies make their attendees hungry and thirsty. The Fulltimers Chapter presented seminars on Monday and Wednesday attracting over 70 people each day. Thanks to our

presenters John & Nancy Kelker, Dick White, Joe Symmes, Tom & Barbara Palmer, and Tom Lehmkuhl and of course, thanks to all who attended. Our chapter social was held on Thursday afternoon and had over 100 people enjoying beef sticks, trail mix and "Cow Patties" in our "Western Cowboy on the Range" get together.

Seemed like every time we turned around, we saw a familiar face as many of our members helped on golf cart shuttles, registration, manning info booths and food service. If you want something done, just ask a Fulltimer and consider it done.

Thanks to the Newmar Techs that make the journey every year to maintain our Newmar's. Thanks also to

the International Directors, Members-at-Large, Regional Directors, State and Local officers for their work in putting on a monumental event.

Looking ahead, we have two more rallies in the works. The Holly Jolly Rally this winter and the rally before International next summer. Our plans for a **HOLLY JOLLY RALLY to be held at the beautiful Creekside RV Resort in Punta Gorda, Florida December 4th – 8th**, are coming together. We have 30 sites reserved - all 50-amp Full Hookup. Preliminary plans include breakfast every morning, two (2) dinners, two (2) lunches, live entertainment, a tour of the Edison-Ford Estate, and a harbor lights sunset cruise. Only a few sites are left, so check the NKK Calendar of Events soon for availability. We will be supporting the local Shop with a Cop Program with fun activities and silent auction. There is a free day planned to explore on your own.

2023 FULLTIMERS RALLY AND ANNUAL BUSINESS MEETING. The rally will be held in Hannibal, Missouri, September 24-29, before the International Rally in Sedalia, Missouri. We have reserved 60 sites and registration will take place through the NKK Website in March 2023. The rally will be held at Mark Twain Cave Campground. We are looking into venues and activities in the area. We'd love to hear your recommendations.

Join the Fulltimers Chapter by accessing the application form from the Fulltimers web page at www.newmarkcountryklub.com/fulltimers-chapter-membership/ or contact Chapter Secretary Tom & Barbara Palmer at secretary.nkkfulltimers@gmail.com

HAWAII ALOHA AIRES CHAPTER

George & Terri James (22670) Presidents

We are proud to announce the formation of chapter #101 in the Newmar Kountry Klub. The Hawaii "Aloha Aires" were chartered during the International Rally in Rock Springs, WY, in

July. This is the first chapter chartered in the state of Hawaii and will come under the leadership of the International Directors, Ron & Wanda Llewellyn, rather than a region. The concept generated a lot of excitement at the International Rally this year. We had 15 couples attend the organizational meeting and sign on as charter members. Another 24 couples also became charter members before the end of the rally.

The goal of the chapter is to share fun and fellowship while enjoying the beauty of Hawaii. At this time, we are planning a destination coachless rally once a year in Hawaii and a mainland rally with our coaches once a year. The mainland rally may be in conjunction with the International Rally or a regional rally.

The following officers were elected: George James, president; John Wilson, treasurer; and Terri James, secretary. There were no candidates for vice-president at the meeting. George and Terri are residents of Kapa'a, Kauai, Hawaii, half the

year and travel in their New Aire on the mainland and Canada the other half. They are both retired Air Force officers as well as retired nurses. George is also the founder and administrator of the Newmar New Aire Facebook Group. John Wilson is a retired systems engineer whose goal is to keep communication and payments electronic as much as possible since we are a wide-spread group. He and his wife, Ginny, have been visiting Maui for over 20 years. Merri Estrada has volunteered to establish a private Facebook group for the chapter.

Since we are anxious to get the chapter going, our first official rally will be April 14-18, 2023, in Fredericksburg, Texas. This is an historic German community in the central Texas hill country. There are over 100 wineries in the area, the National Museum of the Pacific War, the Pioneer Museum, unique shops in the historic district, and live music in Luckenbach. We will be staying at the Vineyards RV Resort. You will find fields of wildflowers, especially bluebonnets, everywhere you look. For those who would like to spend more time in the beautiful hill country, the Texas Kountry Lone Star Chapter will be meeting in Kerrville (25 miles south of Fredericksburg) April 20-23.

Our first Hawaiian Rally is in the planning stages for the end of January 2024 on the island of Kauai. The average temperature at that time of year is 54-72. We'll enjoy time on the beach, snorkeling, a sunset dinner cruise of the Na Pali coast, sightseeing and a tour of Waimea Canyon (the Grand Canyon of the Pacific), and many other optional activities such as golf, inner tubes through the irrigation tunnels of the old sugar cane plantation, hiking, zipline, horseback riding, kayaking the Wailua River, scuba diving...the opportunities are endless. Watch the *Legacy* and NKK website for more details.

SAVE THE DATE!

2023 QUARTZSITE "RALLY IN THE DESERT"

This year the rally hosts will be Andrew & Eilyn Meshel and Steve Conant. The official start is Wednesday, January 18th arrival.

Location: Roadrunner BLM coordinates 114 13 43.67 W 33 35 01.47 N right at La Paz Valley Rd.

The event hosts have changed up the rally agenda this year since they had so many rigs arriving several days early in the past. For those with Jeeps or 4WD vehicles, we will be holding a two-day pre-rally with a 2-hour excursion each day to some interesting areas, 4-wheeling around Quartzsite. For those interested, they should arrive on Sunday, January 15th with the jeeping on Monday the 16th and Tuesday the 17th.

Dinners will be provided on Wednesday thru Saturday night. We have secured two bands to perform out in the desert at our location. On Saturday, we will take an excursion to the Desert Bar for those who prefer to avoid the Big Tent on opening day.

The seminar speakers will be announced in the December issue as well as in the Happenings email newsletter. At that time, we will also have the suggested donation amount to cover the cost.

Please register to attend this unique event thru the Klub's website newmarkcountryklub.com. Click on Klub Calendar and then 2023 Quartzsite Rally in the Desert.

Have you noticed
the added
QR Codes in this
Legacy issue?

Within this issue we have added QR codes with each of the Region Directors Articles as well as the Klub Staff article.

These QR Codes will connect you to the specific group's Facebook page. And in the case of the Klub Office Staff's article, the general Kountry Klub's Facebook page.

The individual Region Facebook pages are pretty active, especially within their camping season, and will keep you up to date on what's going on in your region as well as posts from members in your region.

The past Facebook page for the Klub office has been closed out and we have created a new one. The code in our article as well as above in this article will take you to it. We will also keep you updated on general Klub news, share information on our Special Events, add in any important bulletins from Newmar Corporation, maybe add a funny post or two and post special merchandise sales from time to time. This new format for the Klub's page will also allow you to post questions to other followers and see their answers.

NEWMAR KOUNTRY KLUB BENEFITS

As you know the Newmar Kountry Klub is a social group exclusively for Newmar owners. When joining you gain a new group of friends who share your desire to travel and explore the country in our Newmar units. Below is a listing of companies that will give you discounts as being a Klub member.

COACH-NET ROADSIDE ASSISTANCE 24 hour/365-day emergency road service. A comprehensive road service plan for all your vehicles at one low discounted price. Service provided by Coach Net. For information or to join go to affiliate. coach-net.com/NKK.

FARM & CITY INSURANCE Big discount savings on RV insurance and your other vehicles, from one of the largest professional insurance companies, specializing in RV insurance. Just call Farm & City Insurance Services, 1-800-331-1520.

MOTOR HOME TIRES is honored to partner with Newmar Kountry Klub. We offer nationwide, mobile installation of Class-A Coach tires. We have over 4,000 TIA certified commercial installers in our network. Additionally, members of the Newmar Kountry Klub will receive a \$50 discount when purchasing at least 4 tires from motorhometires.com. **On-Site Mobile installation means the installer comes to you.** Gone are the days of sitting in the showroom waiting for your tires to be installed. Mobile Installation is great for social distancing, plus the added convenience of the installer coming to your location (home, RV Resort, storage facility, etc.). **For more information about our tire program, please call us at 866-501-1998 or visit our website at www.motorhometires.com.**

PASSPORT AMERICA DISCOUNT – Newmar Kountry Klub members receive **6 MONTHS FREE** when joining **Passport America**, the “Original & World’s Largest” **50% Discount Camping Club**. Passport America cardholders can stay at nearly 1,600 campgrounds across the United States, Canada, and Mexico at 50% off the regular nightly rate.

For only \$44.00* a year, Passport America members receive an International Camping Directory, a personalized travel card, online access to the *RV America* magazine, and a monthly e-newsletter. A user-friendly app is also available to download. ***Pays for itself in only 1-2 nights camping!****Shipping and handling not included.

Passport America prints a new directory each January. Updates or changes to the campground list are provided throughout the year in the *RV America* e-magazine and the monthly e-newsletter. Twenty-four-hour access to all campground information and updates are also available at <https://passportamerica.com/>. The directory also indicates each campground’s individual guidelines (reservation requirements, number of nights that discounts are extended, etc.). These vary, because Passport America member RV parks are individually owned and operated. Access to Passport America campgrounds is on a space-available basis. **You may use your Passport America card as often as you like, for the term of your membership. To join Passport America and receive your 6 ADDITIONAL MONTHS FREE, visit <https://passportamerica.com/join/newmar> or call (800) 681-6810 for details. Mention Code: NEWMAR**

SKYMED OFFER FOR NEW MEMBERS: Hello and welcome to Newmar Kountry Klub from SkyMed and Rob Krajcek, VP of National Sales. My wife, Sherry, and I are also RVers for over 30 years. There are really only two reasons why anyone, especially an RVer, does not have SkyMed: 1) They have never heard of SkyMed, or 2) They have heard of it, but don’t understand what SkyMed does. It is better to have SkyMed and not need it than to need it and not have it. You never think it is going to happen to you until it does. SkyMed is here for you. If you suffer a critical illness or injury while traveling, SkyMed takes you home to the comfort of your own doctors, home hospital and your loved ones. Bonded and professional drivers return stranded vehicles. All this and more without copays, deductibles or claim forms. With NKK’s approval and guidance, we, SkyMed, are glad to provide six months of FREE SkyMed traditional protection to NEW NKK members. To activate your Free 6 months, or for more information, please call Rob at 813-997-2377 or email requesting a call from me at Rob@SkyMed.com.

NOTE: THE ABOVE BENEFITS ARE OPTIONAL AND NOT INCLUDED IN YOUR MEMBERSHIP FEE. PLEASE CONTACT THESE COMPANIES DIRECT FOR INFORMATION AND BE SURE TO MENTION YOU ARE A NEWMAR KOUNTRY KLUB MEMBER.

REGION 1 AZ, CA, CO, NM, NV, UT

Region Directors
Larry & Mary Roberts (21041)

We would like to take this opportunity to offer a heartfelt thank you to our Region 1 Team Leaders and volunteers that worked throughout the International Rally to make food service and the Poker Run so successful this year in Rock Springs, Wyoming.

George & Cheryl Zellers along with Mark & Linda Mulgrew sold out 300 hands of poker on the first day of registration and then spent the next four days manning the booth to read the hands as they were turned in. It took four queens to win this year's poker run and 25% of the total collected was donated to charity with ten cash payments to players.

Our food service team was led by Jerry & Sue Argabrite and Jim & Lori Landers along with help from Marty & Marion Marcum. Organizing and serving 5 meals for close to 1,000 people along with a volunteer luncheon and an officers' luncheon is a monumental task and **you all did a great job. Thank you, Thank you, Thank you! We also want to thank all of you who volunteered to help serve and clean up at the 2 dinners and 3 breakfasts. It was so appreciated.**

Our caterers this year were a group from a local junior college culinary class that were assisted by a chef from Kansas State University. The food was excellent, thanks to their creativity and skill.

The Region 1 rallies for the balance of the year were well covered in the last *Legacy* Magazine but please continue to check the Klub Calendar on the website for any additions or changes.

September saw the Region 1 Rally come to Paso Robles, California and we appreciated all who participated and assisted in making the rally a great success. Our tour of Hearst Castle, Daniel Wood Land tree house building facility, and enjoying the quaint, bustling town of Paso Robles made for a fun rally with our Newmar friends.

Until next time, see you down the road! We can be reached at email region1newmarkountryklub@gmail.com, or cell 805-459-1653.

ARIZONA/UTAH

Duane Paige & Laurie Hunt (21070)

Arizona/Utah State Directors

As this is being read, we will have just finished up our fall southwest rallies, and we will be hunkering down for the holidays. 2022 has been a very full year with us putting more miles on our Newmar in one year than ever before. We have enjoyed every minute of it.

Besides just logging in miles to Region 1 rallies – we made every one for the first time ever – we also spent a fair amount of time cultivating the new Utah Pathfinders Chapter of the Newmar Kountry Klub. Working with Eric & Gayle Bruce we were able to kick their chapter life off to a healthy start with a strong charter membership and their first chapter rally in mid-October just outside Zion National Park. It was a huge success!

Just before the Pathfinders' rally, we held the Arizona State Rally. We learned a lot about the Colorado River Indian Tribes and held a massive Luau that I'm sure was the talk of the town. As we wind down this year, we will clearly be looking forward to what we will be doing next year for an Arizona and Utah state rally. We will keep you posted as to our plans as the new year gets going.

For those of you who winter in Arizona we have monthly luncheons in east and west Phoenix, Tucson, and Yuma. Please check the Kountry Klub calendar for more information. We know that a lot of you winter in Casa Grande and Lake Havasu too so we would like to add luncheons in both of those places, but we need someone to step up to lead. It's not a tough job, it really just consists of working with the restaurant to set up a regular reservation and keeping track of attendance. If you have an interest, please get in touch with us by phone or email.

Enjoy your autumn wherever you may be! We can be reached at email azstatedirnkk@gmail.com, or cell 248-933-1405.

ARIZONA SUN CATCHERS

Larry & Marj Miller (21257)

Presidents

Greetings from sunny and humid Arizona. Our news for this edition is "mirror covers." We have been looking for a way to display our chapter that is not too bulky to transport, can be displayed regardless of the parking surface, and will withstand windy conditions. After getting approval from Ron & Wanda Llewellyn for our design and use of the NKK logo, we worked with Colorful Accents at the International Rally to produce these attractive covers. Watch for us and our Arizona Sun Catchers mirror socks at future rallies.

Plans are coming together for Luncheons at various locations in Arizona during the winter months. Check the NKK Calendar for dates, locations, and details. We hope to see many of our "snowbird" friends at these luncheons.

As a reminder, our spring rally will be at the De Anza RV Resort from April 1-5th. The resort is about forty miles south of Tucson. You can expect lots more rally detail in the next *Legacy* magazine.

Until next time, be safe and have fun! We can be reached at email larrymarj1969@gmail.com, or cell 408-710-1726.

CALIFORNIA

Robert & Teresa Solomon-Billings (21765)

California State Directors

Greetings from the Great State of Alaska. What, Alaska? But we are the California State Directors! Oh, I remember now, the beautiful blond one & I are touring Alaska as of this writing with an unnamed tour company as the wagon masters for the tour. But I must talk Newmar even though I can say more about our Alaska Adventure. (Make sure Alaska is on your bucket list.)

Ok I said Newmar! What else can I say? When you know the difference, you buy a Newmar. Does not matter which style, it's a Newmar. Well built, beautiful on the outside and fun and exciting on the inside from the craftsman it displays. Tell you family and friends to go out and buy

a Newmar. Then tell them to join the Kountry Klub and go to as many states, local and international rallies as they can.

Well, the NKK International Rally in Rock Springs, Wyoming is in the books and behind us. Boy that was one exciting rally, but I can't tell you much about it, I was in Alaska. As for next year's international rally, I am scheduled to be in Alaska again. I'm going to have to check the dates and see if my busy calendar can afford for us to be there. Even though we did not attend, I'm sure it rocked the roof off from the meals to the entertainment. So, thank you to all who volunteered to make the rally a success.

The three NKK chapters in California are moving along like a well-oiled humming machine. We have experienced officers to run each chapter and many plans are in place to make each of the California chapters the shining star of the Kountry Klub. There is no secret about their plans for their chapter success, just attend one and you will see.

Until the next fun and exciting California State Director news article, stay safe, eat healthy, say hello to your family for us and as usual, keep those Newmars rolling along the highways.

We can be reached at email tvsolomon@aol.com, or cell 951-634-8065.

CALIFORNIA GOLDEN AIRES

Joel & Jennifer Miner (22231)

Presidents

Greetings from the wilds of the Canadian Northwest Territory! We attended the International Rally in Rock Springs, Wyoming - boy was that a busy event (there were a couple seminars we didn't even have time to attend!). Lots of good information and new Newmar motorhomes to drool over. And best of all we signed up many new Golden Aires members - Welcome to all of you! Mark your calendars and plan on attending the International Rally next year in Sedalia, Missouri, September 30-October 7.

We've been working on our Golden Aires big annual Rally, February 17-21, - fun plans and ideas are being discussed and decided on so that all will have a great time. Also, our VP's Teri & Tom Chelbana are organizing a **No Host Rally planned for Jan 8-11, 2023 in Indio, California (space is limited).** And just maybe we'll have something else for the Fall...we'll see.

No matter where you go, near or far...Safe Travels! We can be reached at email miners51@gmail.com, or cell 714-928-6367.

CALIFORNIA GOLDEN BEARS

Jeanette Covington (22743)

President

Hello from Central California. Summer has passed in the Central Valley. It was a hot one to say the least. We had more than 55 days of over 100 degrees. Why wasn't I somewhere on the beach!?!?

We enjoyed another Golden Bears Rally in September. We had a very full agenda, a menu with yummy food, and returning entertainment. I had fantastic Golden Bears members who volunteered to help. A BIG thanks goes out to all. At this year's rally we looked for a new location, dates, and activities for our 2023 rally. I will update any new information in the next *Legacy* magazine.

We have several new members which is always exciting. I look forward to meeting each and every one in the future. Next year's rally will be a new adventure, and getting together once again is a high point of the year.

Have a fantastic year and safe travels. I can be reached at email jacgmc@comcast.net, or cell 559-824-6336.

CALIFORNIA 49ERS

Tom & Nancy Wills (22585)

Presidents

We have just returned from a 52-day trip that saw us going to Sisters, Oregon then on to our first International Rally, joining our first Newmar Caravan, visiting family in Idaho and finally heading home.

We started in Sisters, Oregon so my wife and the other ladies could attend the annual Sisters Outdoor Quilt Show where they had hung over 1300 quilts throughout the town. We then took about a week to travel to Rock Springs, Wyoming to attend the International Rally. This was our first International and we had a great time. We met many friends and made many new ones. Newmar sent what seemed like a small army of service technicians to work on our coaches. We were allowed an hour of free labor as well as discounted rates on any additional work. We were able to get several minor annoyances taken care of as well as some warranty items.

The seminars were amazing and provided so much great information. The Dueling Pianos entertainment was fantastic. The food... **Thank you to all of the people who plan, execute and volunteer to make this event happen.**

From there we joined up with 20 other coaches to participate in the Taste of the West Caravan that left directly after the rally. Over the next 23 days, our hosts Marty & Marion Marcum along with our tail gunners Larry & Mary Roberts, had us going to some interesting places. During the first few days we toured an old prison, a museum and even had a talk about old outhouses. The highlight of our stop in Rapid City was seeing Mount Rushmore along with the evening lighting ceremony. It would not be a proper trip with the Marcum's unless there was a stop for ice cream, so we had to go to Armadillo's for a great scoop (or two). We attended the Pitchfork Fondue dinner in Medora as well as a visit to Roosevelt National Park to see the herds of Buffalo, Elk, Big Horn Sheep, Prairie Dogs, and a Badger. After a short stay in Billings, Montana, we went on to Cody, Wyoming for five fun filled days that included a dinner and show, attended the rodeo, toured the Buffalo Bill Museums, took a rafting trip down the Shoshone River, had Huckleberry ice cream and a free day to explore and rest. We stopped in Bozeman on our way to our last 4 days in Yellowstone National Park here we watched Old Faithful erupt, saw Elk, Bears and Bison as well as several bubbling mud pots and other interesting natural wonders. The beauty of Yellowstone is quite stunning. By the end of the caravan, we had turned 42 strangers into friends and look forward to meeting up with them in the future.

Our next round of adventures will be the Region 1 Rally in Paso Robles, the Arizona State Rally, a Shelby car event, NASCAR race and the State/Chapter Rally all in Las Vegas, a jaunt over to Zion, Utah for a few days and then eventually Pismo, California for a month of just relaxing at the beach.

We can be reached at email: twill3333@sbcglobal.net or by cell at 408-839-2218.

COLORADO

Pat & Marilyn Gaffney (22216)

Colorado State Directors

As this is written the state rally will be held in Colorado Springs at the KOA Holiday starting September 15 and departing the 19th. We are

looking forward to hosting the rally. Normally, fall is a great time of the year to visit Colorado for the temperatures and colors.

There are many things to do and see in the Colorado Springs area. We will be visiting the new Olympic Museum, going to the Cave of the Winds and dining chuck wagon style at the Flying W ranch. Other options for the attendees include Pikes Peak, Cheyenne Mountain Zoo, Will Rogers Shrine and Seven Falls. For the more adventurous, Cripple Creek and fall colors will only be a couple of hours away.

We hope everyone has had a great summer and that many of you had the opportunity to go to the International Rally. We were unable to attend but understand it was a great time and know it is a beautiful area to visit. Enjoy the fall season only a month away!

We can be reached at email jpgaffney@earthlink.net or cell 719-488-0618 or 719-331-2817.

COLORADO KRUSIN AIRES

Chuck & Lynda Gumeson (22459)

Presidents

What a great time we had at the International in Rock Springs! The Sweetwater Event center turned out to be a great venue, and all of us with dogs certainly enjoyed the many grassy areas to hang out with our furry friends (and their owners, of course). The many terrific volunteers made an especially wonderful experience for all! And a huge thank you to Linda and DeAnn, from the Newmar Kountry Klub office, for their many hours of hard work. It just could not have been any better.

The Colorado Krusin Aires had their annual rally in mid-June in Fort Collins, Colorado, and we all gathered together in a very great facility. A few of our members braved a whitewater rafting experience, and most of our members attended the tour of the Morning Fresh Dairy. We were so lucky to have beautiful weather, and everyone got to enjoy lots of outdoor time. One of the evenings, we were fortunate to

have Bill Haberkorn from Transwest in Frederick, Colorado and his assistant AC join us for an interactive Q & A session. We could have kept them around for hours as we all got to figure out more details about the operation of our coaches. It was so informative.

We have increased our membership up to 48 coaches now! We always have room for more to join. This is just the best group of folks anywhere! Welcome to all of our new members, and thank you to Nancy Witthuhn, who will take over as our Treasurer, and to Kathy Danhour who will take over as our Secretary. **Of course, a huge thank you is in order to Kathy Bohmeyer who has faithfully been the Treasurer for seven years and has earned the right to pass this job along.** We can always use more volunteers so step up and we will find a job for you to do!

Prior to attending the International, Chuck & I were lucky enough to spend two weeks in Yellowstone just after the flood, at the newly renovated Fishing Bridge RV Park. The National Park Service has done an awesome job with improving that campground.

Currently, we are spending a few weeks in northern Michigan before we head down to the Newmar Service Center in Nappanee to have our annual maintenance completed. Then we are off to Colorado in time for the Colorado State Rally which will be held in Colorado Springs in mid-September.

We have a few more trips planned in our Magic Bus before we park the coach for winter. So, we will see you all down the road.

We are working on putting together a luncheon in mid-November, somewhere along the front range again, and most likely in Castle Rock, Colorado. We are also trying to work on our rally location for next June. So far, most of the votes are for going to Durango. After the first of the year, watch for information on this. If you join our chapter, you'll be the first to hear about it!

Please reach out to us at any time, even if it is just to say "hi"! We welcome your input, comments, and ideas! We can be reached at email: chuckandlynda@gmail.com

NEVADA

Cheryl & George Zellers (19163)

Nevada State Directors

We are in the middle of the fall and winter holidays. As the plans are made to get together with family and friends, let us look back at our summer and hopefully with a smile.

Our summer travels started with visiting family on our way to our International Rally in Rock Springs, Wyoming. What a nice place and the staff could not have been more helpful. **A special thanks to Larry & Mary Roberts the Region 1 Directors for setting up the dining room and making sure all the meals were served efficiently. On to a more personal Thank You, our sincere thanks to Mark & Linda Mulgrew for the help with the Poker Run as well as a thanks to Jana Middleton.** All of us Kountry Klub members should be very proud, the Poker Run raised \$375 for a local charity in Rock Springs. This was in addition to all the very generous personal donations that many Klub members made. Thank You to all that helped improve the lives of so many in the Rock Springs Area.

By the time you read this, the Nevada State Rally will have taken place. It was held again inside the Lake Mead Recreational Area and thanks to the rain the valley received in July and August, the water level increased by approx. 2'9" at the face of the dam.

We did attend the very first Utah State chapter rally, the Utah Pathfinders Chapter that Gayle & Eric Bruce were the driving force behind. We are so happy to welcome another chapter in Region 1 and know that they will have the support of all of us in the Kountry Klub.

As we started this article, it is our wish and prayer that all your travels this holiday season will not only be happy but safe! We can be reached at email cgzell@cox.net, or cell 702-810-6690.

NEVADA MOTHER LODE

The successful 2022 Newmar International Rally in Rock Springs, Wyoming is over. This was the first time that the Sweetwater Events Complex was utilized for a Newmar International Rally. The facility is large, well laid out with easy parking and access to event facilities.

Of high importance was the large, fenced, grassy, off-leash dog park. The town (both old and new sections) was easily accessible with good roads, abundant stores, fuel stops and friendly people. The locally catered meals were all great with plenty of food for all. Those who organized the event did an outstanding job. We hope that this great facility is used for future Newmar Rallies

Those of us who drove out from the west endured the expected high summer temperatures. Rock Springs was hot but bearable with shorts, hats, cold water and an air conditioned Newmar Motor Home.

It is already fall and starting to cool off so it is time to re-check the NKK Calendar and decide which additional rallies you would like to attend both before and after the end of the year. It seems like winter will soon be upon us (winter officially begins December 21st). The snowbirds will soon be flocking South and West to avoid the North East cold weather. Florida, Texas, New Mexico, and Arizona RV Parks among others will be filling up fast.

Remember to head over to the October 24th Nevada State Rally at the Lake Mead RV Village Park which is in the Lake Mead National Recreational Area (yes, pray for rain). The rally dates are arrival on October 24 and departure on October 27. The RV Park is within a National Park so if you have one, be sure to bring your US Park "Senior Pass" (or you pay a fee to enter). Among other venues, there is an extra cost optional tour of the Carrol Shelby Museum and Manufacturing area. Do you remember the Mustang, Shelby GT 350 and GT 500, AC Cobra, and Shelby Cobra? You can see them here. This tour may seem a little pricey but if you are a car person you will love it.

When you travel, slow down and be safe. Be prepared for unexpected high winds and never-ending road repairs with the cone zones. Monitor your tire pressures and temperatures. Prepare your rig and toad accordingly for expected high summer temperatures.

We can be reached at email fishermic5@comcast.net, or cell 775-781-9794.

NEW MEXICO

Jim & Lorie Landers (20761)

New Mexico State Directors

We really enjoyed the International at Rock Springs, Wyoming in July. Met lots of new Kountry Klub members as well as reconnecting with old friends. The facilities were excellent, and the facility staff were outstanding. **Thanks to the leadership of Larry & Mary Roberts, and the numerous volunteers, with a special shout out to Sue & Jerry Argabrite**, the region 1 food service coordination responsibilities went off with nary a hitch. **Finally, we cannot say enough good things about the Newmar service technicians who were there to work on our coaches. They are fantastic.** Encyclopedia like knowledge of the complex mechanisms coupled with amazing speed and efficiency with which they work.

We are looking forward to 2023 as we have a number of good things happening within the state and particularly at the chapter level with a number of folks stepping forward to help. We will have announced and scheduled our spring 2023 rally by the time this is published. Please check the Klub Calendar.

We can be reached at email nmnewmar@gmail.com, or cell 505-508-9353.

UTAH PATHFINDERS

Eric & Gayle Bruce (24020)

Presidents

It's true! It's true! There is now a chapter in Utah. The Utah Pathfinders were chartered and officially became the 100th chapter in the NKK. We want to thank Larry & Mary Roberts for the initial inspiration at the 2021 International Rally last year. Their encouragement has been so appreciated. We would also like to thank our Utah State Directors, Laurie Hunt & Duane Paige for all the hand holding. We know we wouldn't have navigated this journey without their expert advice and encouragement. Thank you for your patience.

Our first rally was October 14-17, in a brand-new RV Park called Zion View RV Park in Hurricane, Utah. This park is made especially for large rigs and toads. Most of our activities were in the incredible Zion National Park. The Utah Pathfinders enjoyed picturesque waterfalls with extensive hanging lush green foliage and brightly colored flowers hanging from crevices. One of the groups' activities was taking the shuttle to the Temple of Sinawava. We strolled along the paved Riverside Walk enjoying the wildflowers and the lush green foliage which was changing into its fall splendor. The Pathfinders experienced the incredible sandstone cliffs called "Court of the Patriarchs." These cliffs were created in the Jurassic Period and are some of the tallest cliffs in the world. One of our favorite hikes was to the Emerald pools. It is one of the easier hikes. Everyone rendezvoused at the Zion Lodge restaurant called the "Red Rock Grill" for lunch.

After lunch, we took our own vehicles through a self-driven portion into the unequaled Zion-Mount Carmel Tunnel. On Sunday, everyone chose their own activity. One activity was taking the Pa'rus Trail by e-bike and mountain bike. Others, chose to experience the Grafton ghost town, near Zion, occupied from 1859 until the 1940's. Some Pathfinders chose to go to Kolob Canyon National Park, Kanarrville, and the Taylor Creek Trail. Utah Pathfinders who wanted a more exhilarating scenic adventure opted for a Guided UTV and side by side action on trails only made for those types of vehicles.

Our rally was enjoyed by everyone. Utah Pathfinders also enjoyed the wonderful Duane Paige meals, desserts, and evenings filled with sharing by all. We are looking forward to our next rally which will take place in Northern Utah.

We can be reached at email eric.bruce@sbcglobal.net or cell 951-271-1345.

WASHINGTON

Ben & Donna Barker (20884)
Washington State Directors

It was a wonderful summer filled with long miles, lots of friends (old and new), way too much good food, new adventures, abundant blessings and great memories.

The International Rally is now in our rearview mirror, but we must reminisce a bit. Our Washington State caravan to the International Rally started off with four coaches in Richland, Washington. We picked up three more coaches our second night in Caldwell, Idaho. We put in four long days of driving, and we all arrived in Rock Springs on time to get parked and trained on our volunteer assignments. Not all of us arrived in one piece but we all arrived safely. Some were assigned to parking detail and were driving the follow me golf carts you followed to your parking site, while others were assigned as locators, so that you could be easily found in case of an emergency. Registration, greeters, and gift distributors rounded out our volunteer assignments. **We have to say that it was a pleasant experience, and everyone**

enjoyed themselves. It was so nice to see so many stepping up and volunteering throughout the rally. Without the volunteers the rally would not have been such a success.

Following the rally, those in our caravan went our separate ways to various points around the country. Some will not be home until next spring while others like us are home enjoying the beautiful Northwest summer and autumn weather.

We are especially proud of one of our members, Spike Kramer who was bestowed the honor of presenting the American flag during the opening ceremony on Monday night. Spike is a US Navy Veteran with 22.5 years of service in submarine service and 23 years in civilian service to the Navy and he made us all proud.

Several of our Washington group won some great prizes during the rally, everything from cash to various RV supplies and camping equipment, plus we added 10 new coaches to the Evergreen Aires Chapter. Not all of us got away cleanly though, we ended up having

to leave behind one member of the group due to a broken hydraulic line on their coach. Unfortunately, they ended up spending an extra two weeks in Rock Springs until they could get the repair done. We are happy to report that they are now well on the way of their cross-country adventure for the next six months. Perhaps if you are lucky, you will meet them in Florida or Arizona this coming winter and they can tell you, their long story.

We finished up our summer spending two weeks at Birch Bay, five days in Leavenworth and five days in the Twisp area. There is a wonderful children's rodeo in Twisp that we enjoy going to. You have to love kids' mutton busting.

We have started on planning our Washington State Rally for 2023. Information will become available when we decide on a venue. We look forward to seeing you there.

Blessings for Safe Travels.

WASHINGTON EVERGREEN AIRES

Terry & Terri Roberts (22978)
Presidents

Greetings from the Evergreen Aires. It is Fall already, it seems like we blinked, and summer was gone. When we stop and reflect about all the fun we have had, traveling around the country, meeting up with family and friends we haven't seen in a while, attending NKK rallies, it really was a summer full of adventure! We need to remember to give thanks about how blessed we are to get to live this amazing lifestyle.

Evergreen Aires was well represented at the NKK International Rally in Rock Springs, many of them volunteered for the very important registration and parking teams! It was a well-orchestrated, successful effort to park and check in 500ish big rigs in a very short amount of time! Thank you to all the volunteers!

Fall finds us settling into our winter spot in Casa Grande, Arizona. We are happy to be back and settled for a few months, but we have already started thinking about our travel plans for next year!

We are currently planning our 2023 Evergreen Aires Rally! We are still working out the details, but the dates and location are set. Save the dates of June 25-29 for the 2023 Evergreen Aires Business Meeting and Annual Rally! We will be returning to Western Washington to the beautiful town of Sequim on the Olympic peninsula! Many details are yet to be worked out, be sure to watch for more details. We are very excited about this premier location on the Puget Sound waterfront.

Wishing everyone safe travels and hope you enjoy the beautiful fall season, hope to see you on the road! We can be reached at terryterrir@gmail.com,

REGION 2 DIRECTORS NEEDED

The new Director(s) will be appointed for a term of 3 years.

If you are interested in this position you must be a resident of any of the states in Region 2 (Alaska, Idaho, Montana, Oregon, Washington or Wyoming) and own a Newmar unit. You must be able to lead, possess good communication skills, be self-motivated, be a flexible team player, and like to meet a lot of wonderful people from all walks of life.

This position offers many challenges. You will be responsible for organizing and hosting the annual Regional Rally and for interacting with Newmar Dealers in your region. You will work directly with the State Directors, Chapters, and all members in the region. You will also work with the International Directors and the Klub office staff.

Benefits: You will be reimbursed for your International rally fee and expenses incurred within the region including travel expenses. You will have your Klub membership and *Legacy* subscription provided while in office. Rebate on your choice of new Newmar RV, new name badges with title and display sign for your RV. Special recognition at all Newmar Kountry Klub functions you attend.

REGION 3 AR, KS, LA, MO, OK, TX

Region Directors
Larry & Patsy Wood (12255-L)

The International Rally was held in July in Rock Springs, Wyoming, this year. Although it seems strange to be reading about it now, our publication deadline for the last issue of the *Legacy* was right before the rally started. It turned out to be so good and so much fun that we couldn't let the opportunity pass to tell you about it.

Larry's assignment this year was to oversee the Parking of the coaches. Patsy's job was to make sure that Registration ran smoothly. We arrived early so that Larry could once again check the grounds of the Sweetwater Events Complex and to finalize the plan that would make it as easy as possible for everyone to get parked. On Monday, the Team Leaders arrived; the Team Captains arrived on Tuesday. On Wednesday, the rest of the volunteers arrived. In total there were 70 volunteers helping with Parking and Registration. A lot of them were first timers, but they caught on fast! After training on Wednesday and Thursday, they were ready to tackle the job ahead.

The busiest day was Friday when a total of 266 coaches were parked. Everyone did a fantastic job. A few last-minute adjustments were made to make things go even more smoothly. At the end of the day, our Parking volunteers were tired but pleased with a job well done. Registration also had their busiest day on Friday. Saturday wasn't nearly as busy. Altogether we had about 431 coaches to park and register. Monday evening was the opening ceremonies this was the proud group that carried the Region 3 state flags.

We want to say a BIG THANK YOU to all the Team Leaders, Captains, and volunteers. Without your help, this would be an impossible task. Volunteering is also a fun way to get to know other Newmar members. Many of our first timers (and seasoned volunteers) commented that they enjoyed themselves so much they wanted to do their same jobs again next year. Our reply is "Yes, we would love to have every one of you work with us again next year in Sedalia, Missouri!" Be watching in future articles of the *Legacy* to learn how to sign up for next year.

Once the Parking and Registration duties were over, our team was free to enjoy all the activities for the week. We had a potluck dinner one evening for Region 3. **Even though Marty Lown (Coachlight RV owner) was unable to be with us this year, he still managed to provide all the fried chicken for the more than 160 people in Region 3. He has done this for us for many years, and we have always appreciated his sponsorship. We also want to thank all of you who took the time to prepare something for the dinner.** We certainly have some good cooks!

Some of our people participated in the Arts and Crafts Contest. Two of our Texas residents came home with blue ribbons. Michelle

Moore of Texas was the Blue Ribbon winner in the quilting competition. She is seen here with husband Matt holding the prizewinning blanket. Peggy Ragsdale, also of Texas, was another 1st place winner with her painting "Vase of Sunflowers."

Missouri first timers, Greg & Sandra Finney and Bob & Mary Sue Briggs, listen intently as Joyce Fiebelman explains how the Mid-Mo Kountry Klub is organized. (insert picture 3 here)

September will have been another busy month for us. The first week of September Park City, Utah, was our destination for the International Sheepherding Festival, one of things on Patsy's bucket list. The day after we got back, we jumped in the motor home and headed to Texas for the State Rally hosted by Kathy & Mike Hutchens. Next, we headed to Sedalia, Missouri, to scout out the fairgrounds for parking and registration for next year's International Rally, and then we headed for Eureka Springs, Arkansas, for the Razorback Kountry Klub Chapter Rally, which was hosted by newbies, Larry & Myra Markley. Our next trip coming up is the Oklahoma State Rally hosted by Natalie & Allen Jones.

This has been a good year for seeing old friends and meeting new ones. We look forward to seeing all of you again. Safe travels,

KANSAS

Darrell & Jeanette Wehmeier (22133)
Kansas State Directors

Greetings from Kansas! The annual Sunflower's Drive-In this year is October 15 in Garnett, Kansas. Contact the hosts, Dudley Feuerborn and Carole Gibb, for more information. This will be our last gathering for the Kountry Sunflower Klub this year.

The International Rally in Rock Springs, Wyoming was both educational and fun. Everything seemed to work as planned. The only downside to the location was getting acclimated to the altitude and breezy afternoons.

At the International, another Klub member who was parked in my row was having trouble getting a diesel engine mechanic to swap/change an engine heat sensor. Twice now the mechanic was a no show, and their caravan was to start after the rally. That's a tight spot to be in. I called a fellow Sunflower Klub member, Randy Landreville (21928), who also was attending the rally and had some diesel engine experience. Anyway, long story short, the heat sensor was swapped out because another Klub member took the time to help. Thank you, Randy!

The end of August, the Sunflower's met at the KOA in Topeka, Kansas for another chapter rally hosted by Larry & Sherry DeWitt. Besides good food and games, one of the highlights was visiting PlainsCraft Covered Wagons. Handmade in the

heart of Kansas, they create beautiful, full-sized, fully outfitted covered wagons for outdoor hospitality providers, adventure travel destinations, campsites, agritourism venues, and pretty much anyone who seeks to offer a one-of-a-kind overnight experience visitors will never forget. Before Newmar, wagons were considered the best way to navigate the grasslands and wild rivers. They are towable with four horses, but the top speed is around 10 mph. So don't sell your current tow.

MISSOURI

Dave & Barbara Burtrum (22047) **Missouri State Directors**

We hope everyone has had a great summer and is getting to enjoy some cooler weather. The Missouri State Rally is in the books for 2022. We had a total of 22 coaches attend the four-day event in Hermann, Missouri. We enjoyed some excellent German food and got to see a lot of area history. We also enjoyed seeing and sampling some of the local agriculture. Thanks to all who attended.

Unfortunately we were not able to attend the International Rally this year. Barb ended up having her shoulder surgery earlier than originally planned. As a result, we had to stay home for rehab and physical therapy. The surgery went great, and she is recovering very well. **Hopefully we will see lots of Mid-MO Wanderlusts at Sedalia, Missouri, for next year's International Rally.**

By the time you read this, the Mid-MO Wanderlusts should have had their fall rally in Carthage, Missouri. We'll provide a recap of that rally in the next *Legacy*.

With it being late fall, we expect several have already started their migration south. Others are finalizing plans and will be hitting the road soon. We will be in Tucson again this year. If you're in the area, drop us a line or call, we would love to see you.

Hopefully it will be a mild winter for all who stay north. Drive safely everyone. We can be reached at starmaster145@gmail.com and bb6991@gmail.com or 417-224-3841 and 417-224-1082.

OKLAHOMA

Allen & Natalie Jones (21339) **Oklahoma State Directors**

We just got back from the International Rally a couple of weeks ago. We met lots of new friends and had a pretty good representation from Oklahoma. This was our first time to an International Rally, and it was worth going. We had lots of fun, good entertainment, interesting classes and good food. Natalie & I jumped right in and volunteered. **Thanks to everyone who volunteered in some way to help put on a great rally! Without all the volunteers, it would not work very well at all.**

Next year's International Rally will be in Sedalia, Missouri, on September 30-October 7. With it being so close to home, hopefully we will have a great turnout from Oklahoma and Region 3.

As we write this, our Oklahoma State Rally will probably already have happened. So hopefully we will all have had a great time.

The fall season is always a great time to travel with beautiful scenery as the leaves change, cool crisp mornings and of course if you travel

to support your favorite football team. Hoping that everyone has safe travels through the fall.

We are looking forward to seeing everyone at future events. Safe travels. We can be reached at: Allen Jones; osuallen1@gmail.com; 405-812-3150. Natalie Jones; osunat1@gmail.com; 405-812-3152.

TEXAS

Mike & Kathy Hutchens (19514) **Texas State Directors**

Greetings from coastal Texas! Our summer travel season has finished, and we are happy to see and hear that many of our friends had amazing trips in their beautiful Newmar coaches.

We personally started our summer at the International Rally in Rock Springs. The weather was hot and sometimes windy, but the rally was great fun and gave us all a chance to see old friends and make lots of new ones.

We followed that rally with time in the mountains of Colorado and New Mexico. It was wonderful to enjoy cool weather and lots of RAIN! Our heat and drought in Texas this year has been exhausting, depressing, and expensive. Our prayers go out to the farmers and ranchers who have been suffering through these hard times.

By the time this is printed, we will have had our Texas State Rally. It looks like attendance will be small this time, but I suspect everyone is still too hot to enjoy spending much time outdoors. We are looking forward to October in Mineola and November in Fredericksburg. Both of those locations have so much to see and do. The Klub is always happy to welcome new members, but it is also always open to visiting with any guests who want to attend one of the rallies. Please view the schedule of events as posted in the NKK website.

In the last printing, we related that we were in the process of replacing our refrigerator. I know that there are many great dealers associated with Newmar, but we want to give a personal shout-out for Wade's RV in Glenpool, Oklahoma. They were fabulous with getting the replacement done quicker than scheduled and had superb customer service. Besides that, the cost was less than we expected!

Safe travels until we see you again and we hope that will be soon. We can be reach at: Mike Hutchens (jhutch4044@aol.com) 979-548-1267 or Kathy Hutchens (jvchief@aol.com) 713-705-7136

REGION 4

IA, IL, MN, ND, NE, SD, WI

Region Directors

Paul & Judy Swing (21932)

You blink and there goes another rally season. That has happened again. We have had a great year with our Newmar friends.

Put the International Rally in Sedalia, Missouri on your calendar for next year, the rallies are a great time. We were

able to experience new locations and new areas. We all had a great time in Rock Springs, Wyoming, the site of the 2022 International this year. The event went well due to the great planning and all the great volunteers that helped.

We have scheduled our Region 4 Rally for 2023, the dates are July 20-24 in Amana, Iowa. We will be at the Amana RV Park & Event Center and reservations for camping for the rally can be made after January 1, 2023, at 319-622-7616. Please mention you are with the Newmar group.

Soon we will be, like a lot of us, heading to our winter destinations. We go to **Alamo, Texas in the Rio Grande Valley, where we will attend the Newmar luncheons** and catch up with good friends.

Stay safe and healthy during your travels. Any questions or concerns we can be reached at: 815-263-6362 – Paul’s cell, 815-370-2513 – Judy’s cell or Pswingjr1@gmail.com; boykinmomjs@gmail.com.

ILLINOIS

Richard & Donna Ritchie (16254)

Illinois State Directors

I saw some trees starting to turn colors this week which means it’s almost time to head to our winter destinations. We’ve only been home about six weeks this summer, which was not enough, so better luck next year.

We’ve got a couple of family trips planned for the next couple of weeks, and we’re really looking forward to that. It seems like grandkids grow an inch or two every time we visit. First, we’re going to Omaha and Lincoln, Nebraska to visit kids and grandchildren. Next, we head west to Colorado to the “World’s Fair” in Eads, Colorado for an all-school reunion, and sibling reunion.

After this we will head to the Region 4 Rally in Minnesota. This will be a new location for us, so we’re looking forward to seeing our Newmar family. October 1 we’re having a luncheon to get together with our Northern Chapter, NIKK, before we all go our separate ways for the winter.

We want to thank all the volunteers that helped with the Arts and Crafts Contest at International. We had over 45 entries in the contest, and the talents we have in the Klub are amazing. We encourage you to bring your talents to Sedalia.

While we were at International, we won a Dometic dual control cooler that fits in the bay. It was heavy to install, but Richard managed to put it all together. Just one of the benefits for going to International Rally. **Mark your calendars for the 37th International Rally - Sedalia, Missouri. Dates are September 30 - October 7, 2023.** We were there several years ago and looking forward to going again.

Don’t forget to check the Newmar Kountry Klub Calendar to see if there is a monthly luncheon where you reside. We’re in the process of making plans for our State Rally next year, so the Klub Calendar and the Legacy will keep you up to date.

We can be reached at either reritchie@comcast.net or 847-804-4274.

IOWA

Bill & Pat Schmidt (19321)

Iowa State Directors

Hello from Iowa! Fall is here! We have had a great year with our Newmar friends. Safe travels to everyone heading south.

Check out your Newmar luncheons in your locations. It’s always fun to meet new friends. Our State Rally is in the planning stages right now.

See you in the Spring. **Put the International Rally in Sedalia, Missouri on your calendar for next year,** they are a lot of fun.

Safe travels Newmar friends!

MINNESOTA

Bear & Robin Abraham (22482)

Minnesota State Directors

Hello from Minnesota! Rally season in Minnesota has sadly come to an end too soon. Some of us will continue our adventure by heading to warmer weather and others will have winterized their coaches until next spring. (Boohoo.)

The Loons can look back on our rally season with fond memories that include visits to a planetarium, Minnesota’s largest candy store, Mdewakanton Sioux Cultural Museum, the Chaska Curling Center, historic sites of Otter Tail County by motorcoach tour, and beautiful Lanesboro with Amish tours. We also enjoyed plenty of good food and many laughs while playing games. We’re also pleased the chapter is growing; we’ve added five new members. We’re delighted they’ve chosen to join us.

Minnesota was well represented at the International Rally in Wyoming; and everyone had a great time. **We are grateful for all the volunteers who worked hard in support of such**

a wonderful event. As always, the Newmar technicians and parts department were fantastic.

The Minnesota Loons will have our first rally of the season May 8-11 at St. Cloud Campground and RV Park. A June rally is being planned, details to come. In July, please plan to attend the **Region 4 Rally being held in the Amana Colonies in Iowa, July 20-24. The Minnesota State Rally will take place in August, date and place to be determined. That brings us to September and the International Rally in Sedalia, Missouri. Be sure to visit the Kountry Klub Calendar online for the most up to date information, or feel free to call us at 651-470-8864.**

Wishing everyone safe travels and a Happy Thanksgiving. Do not hesitate to contact us should you have any questions, 651-470-8864 or dabraham965@gmail.com.

NORTH DAKOTA/SOUTH DAKOTA

Del & Lela Nordstrom (14168)

North Dakota/South Dakota State Directors

Our new Holey Board Champion is Kent Gardner from Sioux Falls, South Dakota. Come and join us at our state rally next year to join the fun.

We were able to attend the Great Steinbring's Get Together" in September, which was a great time as always. We enjoyed seeing everyone, and the pontoon ride is always relaxing.

Del & I attended the Region 4 Rally at Eagle Cliff Campground & Lodging in Lanesboro, Minnesota on September 15-18. Region Directors, Paul & Judy Swing are gracious hosts and planned a fun rally for all that attended.

It has been a busy and fun summer for us. With fall upon us and winter moving in we are looking at the southern horizons. We will be pulling out and heading back to El Mirage, Arizona in the middle of October for the winter.

We are open for suggestions for the 2023 North Dakota/South Dakota State Rally.

Have a wonderful and safe winter. Happy Holidays to you all. We can be reached at: Del's cell 605-310-7900, Lela's cell 605-310-4768 or del@alliancecom.net.

SOUTH DAKOTA RUSHMORE ROAMERS

Bob & Bonnie Martin (22598)

Presidents

Hello from the cool state of South Dakota!! First, we would like to welcome our new members, Chuck & Lynda Gumeson, and Michael & Marie Siemens. Thank you for joining our chapter of the Newmar Kountry Klub.

We hosted our chapter rally in Mitchell, South Dakota, where we observed the incredible work the

Hansen Wheel and Wagon shop performs on restoring horse drawn wagons. Then, we attended the NKK International Rally in Rock Springs, Wyoming, and spent a week at a fireworks convention in Newton, Iowa, in July.

We also attended our State Rally in Pierre, South Dakota, in August. Thanks to Del & Lela Nordstrom for a job well done. The tours of the State Capitol Building and the Oahe Dam were outstanding!!

We then headed out for a two-week cruise and returned in time for our Region 4 Rally in Minnesota in September. Thanks for a great rally, Paul & Judy Swing!

After a hot summer and more surprises, we contemplate what could possibly be next. What with Covid, the war in Ukraine, high cost of diesel, out of control inflation, huge drops in the stock market, and the threat of a recession, more devastating wildfires, what could possibly be next? **Thankfully, like so many other Newmar owners, we are mobile enough to escape the chaos and stresses of life and temporarily dwell in our coaches to find peaceful fulfillment wherever we may roam in the sunny reaches of our great country.**

We are currently planning next year's chapter rally. We hope to have more details in the next addition of the *Legacy* Magazine. We can be reached at: email bomar301@gmail.com, Bonnie 605-770-9207 (please text) or Bob 605-770-9210.

WISCONSIN

Sue & Scott Schiltz (19314)

Wisconsin State Directors

Scott & I and a couple of other Northern Aires attended Minnesota's State Rally in early August at Mystic Lake Campground. We had a great time and way too much food!

The Wisconsin Northern Aires had a great time at their last rally at Whiskey Creek Family RV Park in Sparta, Wisconsin. We went on a few tours, such as, went through the Dahl Auto Museum and Railroad and Doll Museum and went on the Mississippi on the LaCrosse Queen. We ate plenty of local food and spent time socializing and making new friendships as we had some visitors from Florida, North Carolina and Georgia attend our rally.

We are working on scheduling the State Rally for 2023 and we will need someone to host one more rally in 2023. Let me know if you are interested. We would like to have the dates set before the end of 2022.

We want to congratulate Kevin King for continuing as Vice President and Theresa Korycan for continuing as Treasurer.

If you have questions, we can be reached at: Sue cell 608-206-1988; Scott cell 608-575-3333. Email: sueschiltz@yahoo.com.

REGION 5

AL, FL, GA, MS, NC, SC, TN, VA

Region Directors

Gary & Wanda Smith (16540-L)

Wanda & I made it back home from Rock Springs just in time to be unloading the coach in a severe thunderstorm. That was completely interrupted when a flash bang occurred as I started out of the house. Then another one seconds later. You know you are close when you see the flash and hear the bang all at once.

Well 10 days later the alarm system was finally back working. Thank the Lord that was the only thing hit. NOT ME!!

A special thanks goes to our International Rally Team Leaders.

1. The New Coach Display team of Jim & Barb Watson, Phil & Charlene Budd, Wayne & Carrol Keith, and Carl & Gayle Webber (also bulletin board).
2. Service and Supplier leaders Greg & Margie Harrop.
3. Parts leaders Gene & Grace Failmezger.
4. Card Bingo leader Wanda Smith.
5. Pet Show leaders Jim & Barb Watson.

Each of these teams had numerous volunteers from our membership

in attendance. Within this group of volunteers were many First Timers. The rally would not happen without you stepping up and pitching in. **The team leaders and their volunteers make our performing the assigned duties so much easier.**

Thanks to International Directors Ron & Wanda Llewellyn, Members at Large Evan & Debbie Hughes and all the Region Directors for a job well done.

We also thank the Rock Springs facility staff for being so willing to do whatever we needed.

Our attention now goes to the Region 5 Rally in Savannah. I am sad to say that we still have over twenty on the waiting list. I wish so much that the facility would take more units.

The Fall Season is upon us. This means that colder weather is around the corner for many of our members. Prayers for a mild winter and safe travels to those making their way South to warmer weather.

Wanda & I wish each of you a Happy Thanksgiving. WOW, WE HAVE SO MUCH TO BE THANKFUL FOR. We love each of you.

We can be reached at gsmith8800@gmail.com 912-656-8800. Love God Love Others.

FLORIDA

Greg & Margie Harrop (20694)

Florida State Directors

Our summer travels are about over. We had our grandson, Aidan with us for the month of June and we hit all his travel plans. We

visited Pensacola Beach, Florida; Beau Bridge, Louisiana (where we met up with some long lost travel friends); The Grapevine RV Park, Grapevine, Texas (where we visited our Ft Worth family); Kirkland AFB, Albuquerque, New Mexico (where we met up with Margie's brothers family); Ft Collins, Colorado (Rocky Mountain National Park, Colorado and up to Scenic Route 14 finding some snow cap mountains and water falls to Waldon, Colorado); Rock Springs, Wyoming (where we took in The Flaming Gorge & some 60+mph winds); from there we traveled to Twin Falls, Idaho (Shoshone Falls, Balanced Rock & Craters of the Moon) and on to Hill AFB, Salt Lake, Utah. While at Hill AFB we had our daily 8:45am morning show of F-35's and F-16's, taking off into the wild blue yonder, climbing high into the sun. Great to see the boys in blue getting some airtime. While in Salt Lake we visited the city and its Mormon Churches, Museums & Antelope Island. We also visited Pleasant Grove, Utah where they flew the largest American Flag between two mountains. Quite the site to see, "The Red, White & Blue" flying up high where it should be. We visited so many great places along the way. The month was over, and our grandson flew out of Salt Lake for a return flight home to Ft Lauderdale, Florida. Now we are on our own. Sure, miss my set up & tear down helper.

Margie & I traveled back to Rock Springs, Wyoming to volunteer at the International Rally. **We set up the Service, Service Vendors & Parts areas with some great help from the Parts Volunteers Gene & Grace Failmezger**, the Presidents of the South Carolina Palmetto Pals. This was their first time volunteering at an International Rally and Gene & Grace did an outstanding job. They had their volunteers all set up for work each day and were there in case Margie & I needed any extra help.

Margie & I also **could not have done it without our volunteers, Jim & Carla Jean Miller** again this year. Margie & Carla Jean make up a great team and I can't say enough about the help that Jim is. Margie would always make sure the candy dishes were full for the Service Writers and volunteers and she did a great job holding down the fort while I went and played in the NKK Golf Tournament.

We also had our volunteers each day and we want to thank them for volunteering their time and helping. They are Carole Keith, Bill Stanley, Ron Etchenacher, Kelly Shadden Jim Watson, Wayne Burke, Dick Larson, Terry Trammell, Curt McNamee, Malari Lynn Shown, Maggie Steenson, Michael Kugle, Tom & Sally Bernardi, John Svatek, Dick & Judy Williams, Gayle Webber, Ron Larkin, Paul Redden, Bill & Eileen Berg & Jim & Pat Leiss.

We would like to talk a little about Newmar Service Techs & Service Writers that worked the International Rally this year. Newmar assigned 14 Service Writers, 6 Parts Techs & 55 Service Techs, to complete all the work orders on our Newmar coaches. When you registered for the International Rally (444 of y'all) you were asked to prepare a Service Request. A total of 295 service requests were received by Newmar and when the service techs arrived, they were off and running with your parts to service your coaches.

On a special note: When you send in your request, they already have the parts on the truck for service, which makes their job and your repair so much easier. Now 295 sounds like a lot of service requests but wait, we're not done yet. They completed 453

service requests from Monday to Wednesday, but some were still waiting for parts to arrive from Nappanee. When the parts arrived on Thursday, the Tech's completed the remainder of their jobs. They completed a total of 534 service requests for the week. Now that is something special to talk about.

Margie & I wish we could name all the Newmar Service Personnel but that would take up the whole NKK *Legacy* magazine. **We want to give special thanks to Matt Utley, VP of Newmar Service & Facilities and Ken Miller, Service Manager for bringing the "best crew" with them.** So, the next time you're having your coach worked on by a Newmar Tech, don't forget to thank them.

We also want to thank the Service Suppliers who arrived at the International Rally and brought their service techs along to help in servicing our motorhomes. International Thermal Heat/Oasis; MCD; ProAir; KIB; EQ Systems; Cummins; Freightliner; Spartan; River Park; Dometic; HWH; PTL; Wi-Fi Ranger; Girard Systems; Xantrex; Silverleaf & Lippert.

Margie & I, along with some great volunteers put on the Florida Social at the International Rally. We had a great time together sharing information on our Klub rallies, luncheons and get togethers. Our Florida Chapters were well represented and many in attendance joined up with each chapter to share in the fun, fellowship, and food.

There were 446 Newmar Coaches in attendance at this year's International Rally and there were 217 first timers. And they were winning all the prizes again this year. We had 36 motorhomes from Florida in attendance. Seventeen (17) were first time attendees. Considering the expense that it took this year to travel from Florida to Wyoming to attend the International Rally, that was pretty special to say the least.

Margie & I want to give a "Special Thanks" to Wayne & Sue Burke, Pennsylvania State Directors, and the Pennsylvania State Chapters for another great showing of what our Newmar family can do when asked to "give" to the needs of the community.

Margie & I also want to give another "Special Thank You" to Bob & Jane Hadley, Region 7 Directors. We met Bob & Jane a few years back while volunteering at the Tampa Super Show and they were a delight to be with and we consider them great family friends. You see Bob & Jane gave nine (9) years of service to the Newmar Kountry Klub Family as Region 7 Directors. They did an outstanding job in bringing Newmar to the forefront in the New England, New York, New Jersey, & Pennsylvania areas. They are now retiring from the directorship of Region 7 and will be traveling throughout this great nation of ours. So, if you see a couple of lost Newmar souls, stop by and say hello, it just might be Bob & Jane. "Godspeed" Bob & Jane.

After the International Rally we headed to Newmar Service Center in Nappanee for some Dutch Star treatment. Got a few things done and then headed back home only to find a new "honey do list" waiting.

We look forward to the upcoming Region 5 Rally in Savannah, Georgia, our "Chapters Welcome Back" rallies here in Florida and the NKK Rally in the Keys.

FLORIDA MANATEES

Laura Baker (19643)

President

Our Florida Manatees continue to enjoy their summer travels, and a few made the trek to the International Rally in Rock Springs, Wyoming.

Geoff & I are in the United Kingdom on our long awaited and twice postponed RV trip. We rented one of those other brands for our vacation travels. We will let you all know about our trip in the next upcoming *Legacy* article.

We have some great upcoming rallies planned, so don't hesitate to register. You can go to the Newmar Kountry Klub online site and check them out.

Stay connected with your fellow Florida Manatees on Facebook at <https://www.facebook.com/groups/1587746014862204/>. You can also order the new Manatee shirts on our Facebook page. We can be reached at nkkflmanatees@gmail.com Cell: 610-747-6966.

FLORIDA PELICANS

Tim Buchholz (12344)

President

Well, it's mid-August as I prepare this article for our NKK Magazine. Hopefully, there is something here for Pelicans, Buddies, and guests to check out. Our chapter has a "Dynamic Duo" of Jim & Mary Kennedy at the helm of Membership recruiting. With their streamlined method of getting chapter information to new owners and non-members, we have added 30 owners to our rolls since the first of the year.

Then during the International in Rock Springs, Connie & I added nine (9) more owners to the rolls. I would like to acknowledge those folks that have joined since June 1 this year. They are **Gus & Pat Hawkins; Lowell & Liz Olmstead; Jack & Brenda Dunkin; Larry & Linda Martin; James & Sandra Chitwood; Vince & Donna Minnillo; Bruce & Betty Mayberry; Tommy & Becky Rygiel; Richard & Pam Behrens; Chuck & Karen Stone; Bob & Mary Sue Briggs and Larry & Sheryl Foster.**

Back to SW Florida for a moment: **Pat Hartman** has been arranging the monthly luncheons and we have an uptick in attendance in July. There were 16 folks in attendance that got together for lunch in Fort Myers. That number is going to increase as folks head back south in the September/October time frame.

Now up north and west: The International in Rock Springs was a huge success from most people's point of view. I volunteered for the parking business and Connie worked on locating with the parking crew. As the rally started, both of us volunteered each day to shuttle folks to wherever they were wanting to go within the complex. We met so many fine new folks and it felt good to help make the rally special for many. The attendance was about 444 coaches with 218 or so being first time attendees. That in itself is remarkable. The weather was warm, and the winds were strong coming off the mountain in that part of Wyoming.

You will probably read it elsewhere, but I must mention it here. Our friend Wayne & Susan Burke, Pennsylvania State Directors are involved in a Caring & Sharing Program for the International Rally. Their enthusiasm and drive resulted in raising about \$17,000 dollars plus funds to build an outdoor building for the local Animal Shelter. Wayne & Sue also reside in SW Florida and can always be seen at the Newmar NKK Lunch at the Golden Corral. We certainly left a warm and wonderful impression with the folks in Rock Springs.

Moving on: Connie & I headed further west to Salt Lake City for about two weeks. The best thing we could do there was take a drive up in the mountains to cool down. The weather was 99-100 degrees each day. Connie somehow got COVID, and I had a very mild case of it. The Salt Lake is in the throes of drying up it seems. There has even been conversation of at some point, piping in water from the Pacific Ocean. From the roads you can see nothing but dry bottom with the lake somewhere out there. I took a trip out to the Bonneville Salt Flats as that event was opening while we were there. So, I got my chance to drive around on the flats and then spend over an hour washing all the salt off when I got back to camp.

Leaving Salt Lake City, we headed east and stopped in Casper [100 degrees]. Then to Rapid City where we took the afternoon to mingle with the folks at the Sturgis Rally and then on to Minnesota. There we joined Newmar folks at their Minnesota State Rally. Again, we met some more great folks. We then travelled to Princeton, Minnesota where our son will let us roost until we head toward **Savannah, Georgia in October for our Region 5 Rally. When that is completed, we go directly to Punta Gorda, Florida for our Pelican "Welcome Back Rally"**. Our Hosts, Susan & Gary Duchesneau and Gerry & Allen Smith, have an interesting rally planned for 20 coaches.

Enough said again, Till then, Happy Trails by Newmar to All. We can be reached at Tim.buchholz80@gmail.com Cell: 239-464-0219.

FLORIDA SEA TURTLES

Bill Berg (20429)

President

The International Rally in Rock Springs, Wyoming was a huge success. The Sea Turtles had a caravan of eight coaches go into together. This was less than last year, but we still had a great time. We gathered in Rawlins, Wyoming so we could caravan together for early parking. One of our group dinners in Rawlins was a Japanese Steakhouse, it was a great time and food with our Sea Turtles family and additional Newmar members. During the Florida Social at the International Rally, we received four new members.

With the International Rally west this year, many of our members wandered around the west. Some traveled to Glacier National Park, the Utah National Parks, and other points west. When you live in Florida, you might as well see as much of the beautiful west since you're already there.

We have four chapter rallies every year. Many of us will also attend the Tampa Super Show RV Rally. There will be Florida Social on Thursday afternoon during the Tampa Rally.

- **November 13-16 at the Ranch of Arcadia Palms RV Resort in Arcadia** hosted by Dick & Barbara Quinby.
- **December 8-11 rally is at the Creek Side RV Resort in Punta Gorda** hosted by George & Susan Young.
- **February 16-19 rally will be at a new campground Santa Fe Palms RV Resort in Gainesville, Florida** host by Rolf & Ann Kuhn.
- **March 16-19, 2023 will be at another new RV Resort, Southern Springs RV Resort in Ocala, Florida** hosted by Brian & Nancy Howard.

This year's slate of rallies is looking to be a great series. We look forward to seeing you at one of our upcoming events.

The Newmar Owner's Luncheon will resume the 2nd Wednesday of each month starting in December thru March at the Golden Corral at 4705 US Hwy 98 N, Lakeland, FL 33809. Social and lunch is from 11:30 to 1:00. All Newmar owners are invited to attend.

Be sure to check the NKK Website for the latest status on all the Florida Sea Turtles events. We look forward to seeing all our Sea Turtles, along with any other NKK member. We can be contacted at: beberg@att.net or Bill's cell: 407-810-7313.

MID SOUTH TRI-STATE (GA-AL-MS)

Jim & Barb Watson (20238)

Tri-State Directors (Alabama/Georgia/Mississippi)

Making our way out to Rock Springs we stopped and saw family in Oklahoma, Colorado, and Nebraska on our way. **The International Rally was excellent this year with good food and great entertainment. Hats off to our International Directors, Klub staff, Regional Directors and all the volunteers. If you haven't been to an International Rally this is a must do!!!**

We have been working on next year's Tri-State Rally which will be held at Ellijay, Georgia. Mark your calendars starting May 17-21, 2023. We are fine tuning the details with the RV Resort and will post on the Klub calendar once they are finalized.

We have a busy fall rally season coming up. September is the Peach State Crackers in Hiawasse, Georgia. **October is Region 5 in Savannah, Georgia. November is Alabama Dixie Aires in Elberta, Alabama. December we will be attending the Rally in the Keys. January we will be at the Tampa SuperShow.**

From the Blue Ridge Mountains of North Georgia. We hope to see all our old and new friends at these events. We can be reached at jwatson@summit.us 404- 915-2713.

ALABAMA DIXIE AIRES

Donna Jones (20599)

President

We enjoyed our summer travels over the past few months, even though we had to pay those high prices for diesel fuel. This too shall pass, one day. We spent some time with family and friends and then traveled on to Rock Springs, Wyoming for the 36th International Rally. It was another good rally. Mark your calendar for the 37th International Rally September 30-October 7, 2023, in Sedalia, Missouri.

When we left Wyoming, we headed east to attend a FCOC (Freightliner Chassis Owners Club) Rally in Amana, Iowa. Once we reached Rawlins, Wyoming we started seeing green grass and trees. There was not very much green grass in Rock Springs. We really began to see a lot of green in Nebraska. There were green fields of corn and other crops. In some areas you could tell that the crops had not gotten as much rain as other areas. In Iowa there seemed to be plenty of rain or irrigation on the crops. The fields and grasses were just beautiful and green.

While in Amama we toured the Amana Colonies. There are seven villages located in east-central Iowa. The Amana Colonies were settled by immigrants from Germany. Each village contained 40-100 houses. The houses that are still standing are restaurants, craft shops, independent businesses, hotels and bed and breakfasts. The colony was listed on the National Historic Register in 1965 and now serves as a tourist attraction known for its restaurants and craft shops.

We welcome Ed & Beverly Shaw, Tennessee, Denny & Sharon Ward, Tennessee, Phil & Charlene Budd, Tennessee, Joseph & Jewel Symmes, Alabama, Mike & Connie Spiller, Alabama, and Bob & Sara Trachsler, Alabama to the Alabama Dixie Aires.

The officers of the Dixie Aires will be hosting a rally November 9-12 (3 nights) in Elberta, Alabama at Lake Osprey RV Resort. We will

be attending the NAS Pensacola Air Show where the Pensacola Blue Angels will be performing their Homecoming Air Show. Details will be posted on the NKK website when plans are finalized.

The website for Lake Osprey RV Resort is robertsresorts.com. Their phone number is 251-986-3800. Sites can be booked online, or you can call the front desk to make your reservations. The website allows you to view the available lots and make your reservation. Sites range from \$79-\$109 per night. There is no rally rate, only a 10% discount for Good Sam's, FMCA, AAA and AARP. If you make your reservation online, pay only the deposit and your final payment made at check-in will be adjusted for discount after you show proof of membership from one of the qualified groups. The resort cannot hold or block sites for us so make your reservation ASAP. If you call the office to make your reservation, be sure to tell them you are with the Newmar Group. If you register online, there is a box for additional information, please add that you are with the Newmar Group. **Register on the NKK website before you call Lake Osprey RV Resort to make a reservation. Reserving a site at the RV Resort does not guarantee you a spot in the rally. You must register with the Newmar Kountry Klub before you can attend the rally.**

The Region 5 Rally will be held October 23-28 at Creek Fire RV Resort in Savannah, Georgia. The rally is full, but you can call Gary Smith, Region 5 Director and ask to be put on the waiting list. Information on the rally can be found on the newmarkountryklub.com website.

If you live in Alabama, Mississippi or in the Florida Panhandle and would like to meet fellow Newmar owners that live in your home state, come, and join the Alabama Dixie Aires. Attending a chapter rally is an ideal way to meet people who enjoy doing the same thing you do. It is also a good way to learn from others about your motorhome. There is always good food to eat, interesting sites to see and plenty of fun and fellowship. To find out more about the Alabama Dixie Aires, please email me at pres.aldixieaires@gmail.com or call 352-322-7717.

PEACH STATE KRACKERS

Wayne Keith (21740)
President

The month of July has come and gone, and we are sliding past the middle of August. Reflecting on the past month and a half, has been a terrific journey. We left home on July 6 headed to Rock Springs, Wyoming, and braved the higher heat of the south--some days hit 110 degrees. Then we ran into a swarm of bugs that were the size of small birds somewhere in Iowa. Had some really good food at a Harvest Host location in North Platte, Nebraska, and finally overcame the high winds of eastern Wyoming. We arrived on July 11, did the Flaming Gorge tour on the 12th and went to work on the 13th. We had a great rally, and it seems that each year builds on the previous. **Ron & Wanda, the Region and State Directors and of course where would a rally be without Volunteers, did a fantastic job getting everything ready. The show went on without any visible hitches.**

We left the 36th International Rally on the 23rd of July and made a direct run straight across five states to the "Follow the River" campground in Florence, Indiana. We spent two days there before traveling to my Kentucky home in Eubank, Kentucky, population 300, "Salute". That is a little HEE HAW plug for those of you who remember. We stayed there a week with family before we made the trek to Knoxville, Tennessee where we stayed one night to help Carole's cousin with her husband. Then back to our home in Kennesaw, Georgia after 29 days. If my calculation is correct, we traveled 4,032 miles round trip and on the road 14 days.

As this is written we are working like little beavers on our 25th Anniversary Rally in Hiawassee, Georgia September 21-25, which is full. And are in the planning stages for our rally in 2023. Watch the NKK website for more information and upcoming rallies.

Safe Travels. We can be reached at president_newmar_psk@hotmail.com 770-243-0845.

CAROLINA'S (NC - SC)

Carl & Gayle Webber (20143)

State Directors- The Carolinas (NC/SC)

Hey, y'all! For those who read our August/September *Legacy* article, we altered our original plans, which were to return home following the International Rally. After leaving home on June 28th, we're staying "on the road" to see the sights until after the Region 5 Rally in Savannah, then heading to the Tampa area to have a window "de-fogged" while we visit our son, and THEN returning to North Carolina the first week of November. While that's a long time away from our daughter and her family, we bought our Newmar to travel and see this amazing country, so that's what we're doing.

As you've probably heard, the International Rally was AWESOME! The Carolinas had a good turnout, with nine North Carolina member-coaches in attendance and three from South Carolina. Following the event, Ray & Kathy Dyer (Tarheel Chapter President and Secretary), Gene & Grace Failmezger (Palmetto Pals President and Secretary), and Jim & Carla Miller (Palmetto Pals Vice President and Treasurer) also extended their post-rally stay, and we had SO much fun exploring, off-roading, and of course eating! If you've never spent time in that part of the country, do yourself a favor and visit. One warning though,

if you love rocks (like Gayle does), be sure to remove several heavy items from your coach before you start west - and pay attention to ensure the rocks you'll collect are distributed evenly throughout the coach/bays/toad, so your tire pressures aren't impacted!

The last "local" rally planned for this year for the North and South Carolina chapters is the annual [Christmas at the Beach Rally, December 6-9 at Ocean Lakes Family Campground in Myrtle Beach.](#)

This gathering of the Tarheel Kountry Klub and Palmetto Pals members (and anybody else who cares to join us), always includes lots of fun, food, and fellowship, as well as each chapter's annual Chapter Business Meetings. Click the link above or visit the NKK website for additional information.

While you're on the NKK website, be sure to also check out the [2023 Carolinas State Rally, which will be held May 22-26 at the Fayetteville RV Resort & Cottages.](#) We have a limited number of sites available, and reservations must be made by February 20th, so be sure to book yours "while the gett'n's good"!

Once again, we leave you with a reminder: If you haven't joined your local NKK chapter, you're missing out on one of the BEST parts of your NKK membership. Your local rallies provide great opportunities to learn more (and/or help others learn more) about our Newmar coaches. If you live in North or South Carolina and are not a member of the Tarheel Kountry Klub or the Palmetto Pals, we'd love to have you join our family. Please contact us for membership information; our phone numbers and e-mail addresses are included below.

Happy travels, y'all ... to wherever your Newmar takes you! We can be reached at dc3carl@gmail.com /younggrammygayle@gmail.com 704-225-7442/ 704-619-1851.

SOUTH CAROLINA PALMETTO PALS

Eugene & Grace Failmezger (29150)

Presidents

Hello all from the Palmetto Pals! As I type this article, Grace & I are enjoying our travels out West after an amazing International Rally in Rock Springs, Wyoming. We met up with so many friends and made even more new ones as we sat around the campfire telling tales and stories. We stayed a week after the rally so we could explore the area, as we stayed too busy during the rally to fully appreciate the area.

Since leaving Rock Springs, Wyoming, we have been wandering around the Northwest part of the country. We've been to national forests, national wildlife areas, Grand Teton NP, Yellowstone NP, Theodore Roosevelt NP (North and South Units), Glacier NP, and Mt. Rainier NP. We have also toured the Grand Coulee Dam, watched one of two functioning 'swing bridges' open so a huge vessel could lock through the Bonneville Lock, rode the 101 Scenic Byway in parts of Washington and Oregon, and hiked to many waterfalls and beaches. And we met up with some fellow Palmetto Pals in Montana and did a wild river trip down the Flathead River in their inflatable dinghy – and nobody fell out and we didn't tip over. Whew, to say we are having a blast would be an understatement!

We are registered to attend the Newmar Kountry Klub Albuquerque Balloon Festival at the beginning of October so we will begin to make our way down in that general vicinity soon. We are looking forward to meeting new friends and watching all the activities at the festival. From there, we head back across the country to make our way to the Region 5 Rally in Savannah, Georgia. We love our Newmar family and so enjoy being active and involved with the Kountry Klub at the local, regional, and national levels.

Find your local Newmar Kountry Klub chapter and join it or find several chapters where you stay/live often/a lot and join them as well! Food, fun, adventures, friends, and campfires, plus a whole lot more awaits you!

Safe and Happy Travels! We can be reached at gene@failmezger.com 803-468-3004

NORTH CAROLINA TARHEELS

Ray & Kathy Dyer (22237)

President and Secretary

Hello everyone from North Carolina Tarheels. I am sure you are aware the International Rally was a remarkable success. The North Carolina Tarheels had nine coaches in attendance. For those who could not make it, you missed a good one. The area is beautiful, weather was nice; sunny to partly cloudy most days and not extremely hot. For those who ventured out there were wild horses to be seen and photos taken. Kathy and I took the Freightliner Camp for two days. This was very educational. We recommend it to all.

We also had to have two tires installed on the coach. We had a tire blow on the way to Rock Springs, about 46 miles east. Luckily, no damage to the coach or injuries. The total story is too long to write here. We will relay at the next rally.

We extended our stay in Rock Spring for a week and were able to attend the Rodeo for an exciting time. Then we continued to Salt Lake City, enjoying Antelope Island, the buffalo, and historic ranch. As we traveled through Utah and Nevada, it was amazing to see the change in scenery.

We stopped in Barstow, California for a few days at the USMC Logistics Base. The old Highway US 66 runs through the middle of the base and Barstow. This used to be first come first serve campground, but it is now by reservation. We were lucky and got a spot for three nights. We staged from there for the 2+ hour drive to LA for a visit with my ailing sister. This kept us from driving the coach into LA. We head east from here along 140/US66. Updates in future Tarheel Newsletters. We still have another couple of months

before we get to our home base in North Carolina.

We are continuing to complete the food/entertainment for our **Christmas at the Beach Rally and Business Meeting, December 6-9, at Ocean Lakes Family Campground, Myrtle Beach, South Carolina.**

We wish everyone safe and enjoyable travels. We can be reached at rodyer1@gmail.com / dyerkj@gmail.com 804-691-3309 / 804-691-9419.

TENNESSEE

Phil & Charlene Budd (9488L)

Tennessee State Directors

It is always a tossup on what is our favorite time/season of the year. There are weather considerations, there are holiday considerations, there are family considerations, and we could go on and on!

Charlene & I, just like those of you reading this have special reasons for picking the best time of year and the specific reason. I love spring because where we live there is always "new life" flourishing all around us! Flowers, spring calving, trees leaving and buds blooming. I love fall, a season of reaping the spring planting, beautiful fall colors, thanksgiving, but for me having met Charlene in October is the most awesome of the seasons.

This year we have Region 5 Rally in late October in Savannah, Georgia, and we are excited to be there and enjoying all our Newmar family before they scatter to all the snowbird locations. Gary & Wanda, our Region 5 Directors, put their heart and soul into Region 5 and this year will be the culmination of all our Chapter, State and International Rallies for 2022! Thank you, Gary & Wanda, for all you do for all of us in Region 5.

Everyone who has stopped to read this, may you and your families have a wonderful and blessed Thanksgiving.

For all who have served our great country in any of the branches of the Armed Forces, thank you. May you be honored by your family, by your friends, and know that you and your families have sacrificed so that we can live in a blessed "Country."

We can be reached at 931-638-2015 or prbudd60@bellsouth.net.

TENNESSEE VOLUNTEER KRUISERS

Sheryn Ward (18849)

President

My hubby has a theory, "It's not worth getting out of bed if you don't learn something new every day". While I'm not sure if I agree with him, I thought I'd pass along some ideas for filling your time while waiting for the next rally to start. Just a note: We are getting close to the end of the year so check the Klub Calendar so you don't miss any that might be coming up!

I do have to admit that we have a little help with this task of learning. Three days a week (Monday, Wednesday, and Friday) we, along with a group of retired military and generally the old guys in the neighborhood, meet to gossip, solve the problems of the world and most importantly, DRINK COFFEE! You would be surprised how much there is to learn about history, how to fix a carburetor, how things worked better “in the old days” and what good movies are on TV. If your mornings are a little boring, give this option a try.

Another option would be to grab a colored pencil or a highlighter and your latest copy of the *Legacy* magazine. Flip to the Klub Calendar section and scan the list. Be sure to mark, with a big colored star, which events look interesting and that you might like to attend this fall or next year. That way you won't forget to register when the time comes.

Another quick option might be to write a paragraph, or two, about your family and how you got interested in camping. Be sure to include the first location you went to. Make a list of all the campers you've owned and be sure to include the tents. **Now, send this off to one of your chapter officers and ask them to include it in your next chapter newsletter.** Believe me, they will appreciate your input.

One final option would be to host or co-host a rally for next year. It's a simple task and if you volunteer, I'm sure that someone else will feel a little braver and will agree to help you out. Rallies are FUN! Play games, sightsee, explore the local sites and stores, and sit around a campfire in the evening. DON'T FORGET THE FOOD!

Now I've given you a few things to think about, so if you think of any other tidbits that I missed, be sure to let me know.

In closing, I would like to take this opportunity to WELCOME a group of new chapters that were recently created. Welcome to the NEWMAR family to the **Alabama Dixie Aires** located in Alabama and Mississippi. Welcome to the **Aloha Aires** from Hawaii. Finally, welcome to a new chapter created during the International Rally **with a home in Utah, the Utah Pathfinders.** *Their first rally will be held October 14-17 in Hurricane, Utah.* CONGRATULATIONS to everyone.

More next time! We can be reached at SherynWard@gmail.com.

VIRGINIA

Michael Vreeland (20733) Virginia State Director

Hello, my fellow Newmarians – I hope this finds all my fellow Newmarians well and recovering from the Rock Springs International Rally, which was a great event post I have read. I had planned my trip out and as luck would have it, I had to schedule a knee replacement which caused me to cancel that trip. I sure hated missing that trip and rally, but life happens. I have not had surgery for over 20 years and forgot how much prep work is required, but all is done; my knee was replaced, and it is now almost a week later and all is proceeding well. I could go into details about the surgery and recovery but as it turns out when us “old folks” get together we talk about these kinds of things while swapping “stories,” so look me up and we can exchange stories. However, interestingly, my intake surgery nurse found out I was an RVer, and we started talking. She started asking advice so I answered and indicated that my book “RV Primer – How to Start and Enjoy RVing” would give her answers as well. One of the questions she asked was my recommendation on what RVs are best and obviously I pointed her to the Newmar Product line. Then when I was coming out of surgery my nurse there was asking me questions about RVs and

turns out her family was thinking about buying one and had no clue how. I answered her questions, pointed her to my book, and again indicated the quality and workmanship of the Newmar Product line. Pretty cool I thought.

As you can infer I have not had many RV related adventures much to my chagrin. I have started planning my “snowbird” travel and have registered for the **North Carolina/South Carolina Christmas Rally, the Tampa Super Show, and several Florida Sea Turtle and Manatee rallies in the December 2022 – April 2023 months.** I will be attending the **Region 5 Rally in late October.** I hope to see some of you at these rallies.

I am starting the planning phase for the Virginia State Rally in August 20-27, 2023 in Berryville, Virginia at the Watermelon Park. I am still working details on the site reservations and once I have a firm commitment, I will be adding it to the NKK website for registration. Harpers Ferry is about ½ hour away so there will be touring there, and the RV park has a River Adventure tubing activity. So, this will be a pretty busy rally. More info will be provided as it becomes available.

If you are in or near Americamps in Ashland, Virginia area stop in and say howdy. We can sit and swap some lies.

To all my fellow Newmarians I hope to see you soon. Rally On!!! I can be reached at beagleRV@gmail.com or 540-809-9830.

VIRGINIA WHEELS

Tom & Gloria Rezentees (21867)

Presidents

It is hard to believe we are moving into the fall months. Colors on trees are changing and the weather will begin to cool down. Our State Director Mike Vreeland did an excellent job on the Virginia State Rally, and everyone had a great time.

Then came the big daddy event, the International Rally. Though Gloria & I were in Canada on our way to Alaska, we had contact with several of our members who really enjoyed the rally. Thanks to everyone who volunteers their time and energy to make these a success. Gloria & I are looking forward to the Sedalia, Missouri International Rally next year.

Don't forget the Region 5 Rally coming up. We were not able to make it due to timing issues with our return trip from the west coast. We have children and grandchildren spread throughout the southwest, so this is our time to see them. However, we have signed up for the **North Carolina/South Carolina Myrtle Beach Rally** and hope some of our Virginia Wheelers can make it down for this fun event.

Don't forget about the Y'all come gathering at the Tampa Super show for those of us who snowbird in Florida. Gloria & I are also planning on **hosting the Valentine Day luncheon for the Virginia Wheels Snowbirds on the 14th of February. More to follow!**

We look forward to seeing everyone either at one of the events, or our next rally. Please travel safe and we look forward to seeing you on the road. We can be reached at tomrezentees@comcast.net Cell Phone 804-892-7727.

What to Expect When You Visit Newmar's Factory Service Center

Source: <https://newgle.newmarcorp.com/s/article/What-to-Expect-When-You-Visit-Newmar-s-Factory-Service-Center>

This article provides details about what to expect during a visit to Newmar's factory service center in Nappanee, Indiana.

The following information may vary based on the current status of the COVID-19 epidemic. This information is subject to change at any time, so please contact Newmar with any questions you may have regarding your visit to our campus. We regret any inconvenience and are hopeful that you appreciate our desire to mitigate risks associated with COVID-19 for the safety of our guests and our employees.

SERVICE PARK

Newmar's service park hosts 62 full-hookup sites reserved for Newmar coach owners only who have a current active service appointment at the Newmar factory service center. Here are some helpful tips to know about Newmar's service park before your visit:

- All sites are available on a first-come, first-served basis. Newmar does not reserve or hold sites. Your coach may or may not be returned to the same site at the end of the day. The center pull-through sites are for Newmar use only and will be marked clearly as such.
- RV owners traveling with you or visiting will need to make alternative arrangements for their stay. Newmar no longer offers a secondary campground.
- The last 4 digits of your coach's vehicle identification number (VIN) followed by the # sign act as your service park gate access, as well as the main customer lobby after-hours.
 - This code is date/time sensitive and is only active for your scheduled appointment dates, as well as the day prior to and following your scheduled appointment.
- If you plan to drop your coach off early, please contact a Newmar Service Appointment representative to notify us of your arrival date.
- Your COACH TAG, which you received in your emailed appointment confirmation letter, must be placed in your windshield at all times while on the Newmar campus.
- Trailers should be parked in the grass at the West end of the Service Park.
- Newmar does not allow any open flames of any kind in the Service Park. Examples include fire pits, charcoal grills, etc.
- Newmar is not responsible for lost or stolen personal property.
- As stated in Newmar's Service Park Guidelines: Firearms or dangerous weapons are strictly prohibited inside Newmar facilities. The term weapon is defined as any object, device, instrument, material, or substance that is readily capable of causing death or serious bodily injury. This prohibition against the possession or carrying of weapons applies, even if you are licensed to carry a concealed weapon or to openly carry a weapon by the state.
- Pets must be leashed at all times. You are responsible for the actions of your pet. There is an open lot located West of the Service Park for walking your pet. Please do not use the lawn area located in front of the Service Center. Please clean up after your pets. Doggie/Pet waste containers will be available at the Service Park.

FACTORY SERVICE CENTER

Newmar's all-new 160,000-square-foot Factory Service Center is located at 1301 Stahley Dr., Nappanee, Indiana. It houses 52 service bays and a wash bay, as well as parts distribution, warranty processing, and customer service, all under one roof.

- There is not a requirement to check in on the day of your arrival (i.e. the day before your scheduled appointment); however, you must check in on your scheduled appointment days.
- A Newmar technician will locate you each morning during your appointment, typically between 6:00 AM & 8:00 AM unless otherwise discussed.

- Your technician or a service writer may update you on the status of your coach at the end of each workday.
- Payment for all retail charges, insurance jobs, and extended serviced jobs is required prior to releasing your coach at the end of your visit.

You may receive mail and/or packages during your stay using the following address:

Customer Name
 C/O Newmar Customer Lobby
 Building 42
 1301 Stahly Drive
 Nappanee, IN 46550

Amenities available to you during your stay include, but are not limited to:

- Customer Lounge with comfortable seating, Wi-Fi connected workstations, and activities such as puzzles, books, and games
- Pet Lounge with stain-proof, pet-friendly furniture
- Food and Beverage Lounge with vending machines (no pets allowed)
- Coin-Operated Laundromat
- Conference Rooms for private consultations with your technician
- Parts Store stocked with common service items and accessories for customer purchase
- State-of-the-Art training center for dealer technicians

PARTS STORE AND WAREHOUSE

The store is directly adjacent to the Newmar Customer Service lounge. Store hours are 7:00 AM to 3:00 PM, Monday through Friday, unless otherwise posted. The Parts department accepts US currency, personal checks, MasterCard, Visa, or Discover as forms of payment. They do not accept American Express. The State of Indiana requires a 7% sales tax on all purchases.

If the particular item you are requesting is not in the Parts Store, it may be available from our onsite warehouse. Please feel free to utilize our customer lounge while waiting. A Parts Counter salesperson will then contact you when the item(s) are ready. Newmar does not charge shipping for items not in stock unless expedited shipping is requested. On shipments going to Canada, the customer will be responsible for all custom and duty fees.

ON-CAMPUS NEWGLE CLASSES

Onsite Newgle classes are offered weekly and are open to all coach owners currently at Newmar for service, tours, or factory delivery. These discussion-based demonstrations are typically 45-60 minutes in length and include a website overview, real-life coach examples, and a Q&A session. Due to room capacity, each group session is limited and requires pre-registration at the front desk in the Service Lobby.

KOUNTRY KLUB

The Klub was established by Newmar Corporation exclusively for owners of Newmar products. They are a social club dedicated to fun, adventure, fellowship, and friendship. The Klub has members from all walks of life with the same common interest, the "RV Lifestyle."

The Klub currently has approximately 50 Chapters located throughout the United States and Canada. They hold activities at the local (chapter), state/provincial, regional, and international levels. They also conduct special events and caravans throughout the year for Klub members.

Whether you are a Newmar Kountry Klub member or not, please stop by the Klub office and enjoy a cup of coffee and see what the Klub has to offer you. The Klub Office is located on the west side of the Newmar complex on Delaware Street just to the North of the Corporate Headquarters. Just look for the Newmar Canopy above the door. The office hours are 8:30 AM to 3:30 PM, Monday through Friday.

FACTORY TOUR

Join one of our expert guides as they navigate you through our factory (Newmar's Chassis Prep, Paint Shop, and main production facilities). You'll see our expert craftsmen and women building coaches from the ground up and have a chance to get all your questions answered. Tours are offered daily but require pre-registration. To schedule, call (574)773-7791, and ask for Sales.

THANK YOU FOR YOUR GENEROSITY

Each year during the International Rally we have a Caring and Sharing Program. Our Klub Directors work with the rally location administrators, local chamber and with the help of Wayne & Sue Burke our program coordinators seek out local charities that we, as visiting members, can leave a positive footprint when our rally is completed. This year our Caring and Sharing program covered four different charities.

As usual, we were totally overwhelmed with the attendees' responses. Once all the monetary funds and physical donations were calculated, our impact on the area was \$31,319.27! The United Way, Food Bank of Sweetwater County & Diaper Bank programs received \$15,671.01 of funds, food, personal items, diapers, etc. The Red Desert Humane Society received \$12,732.25 of funds toward a shelter, dog and cat food, toys, blankets, towels etc. The Stuffed Animal Project for First Responders received \$2,916.00 worth of stuffed toys for traumatized children. This year non-attendees were invited to participate in this most worthwhile project also.

We want to say a special thank you to Wayne & Sue Burke, Caring & Sharing Program coordinators and their volunteers who helped collect, box, move and display the bounty received. Thank you to all the members who donated to these causes!

Red Desert Humane Society is deeply grateful of your support and added monetary donation after the NEWMAR Rally in Rock Springs, WY. Our new outdoor meet and greet area is a dream come true and possible due to your program!

NEWMAR DEALER APPRECIATION

We wanted to submit Midway RV of Grand Rapids, Michigan for Newmar's Dealer Appreciation Award.

After leaving the International Rally we traveled Utah, Idaho, Montana and then arrived in North Dakota to have a Cummins dealer check our engine while staying at a KOA in Bismarck, North Dakota. On Friday evening at 9:30 p.m. I decided to bring our roof awnings in with our remote. My wife and I just got to the top of the steps and all of a sudden, the coach started to vibrate and a loud noise like the generator was shutting off happened and we both looked at each other and said, "what in the world was that?" We looked around inside then I looked outside and found the rear roof awning straight out. I tried the remote and heard the gears running but nothing happening. I said, "oh well let's go to bed and I'll work on it in the morning."

The next morning, Saturday, I called Newmar. They called back and could not explain what happened. I called my dealer, Midway RV and spoke to my sales manager, Dave Ballast, and he said, "let me call you right back." He called me back and said I just emailed you info on how to get it in, you need a 7 mm long allen wrench. When you buy a set of millimeter allen wrenches, 7 mm doesn't come with them. So, \$170 later I had the portable drill and a special 7 mm long allen wrench and universal socket. It then took one man with a rope to pull the two arms together, me on the ladder with the drill, three men from the KOA in the bucket of a skid steer and Sue on a ladder pushing the awning in. At 4:45 p.m. we had it in with ratchet straps around it.

On Monday morning at 8:00 a.m. I am on the phone with Dave at Midway saying, "help." He explained his service manager was on vacation but his assistant manager, Paul would pick up. Paul said if we could be there by Thursday 12:00 noon he would have us out by Friday evening. Cummings fixed our engine Monday, and we left Tuesday and drove 1250 miles in 2 days to be there Thursday morning. They already had the awning motor there, Tuesday our water pump died. Paul said what else can we do for you.

Long story short! Awning repaired, water pump replaced, light in bedroom replaced, Dash air buttons replaced and working, awning controls repaired, gutter downspouts cleaned out and on the road in 23 hours, 100% happy.

Dave, Paul, and the two techs who worked on our coach went out of their way to get us in and out in record time and their professionalism was beyond belief! We highly recommend anyone ever needing service and you are near Michigan you need to go to Midway RV. We live in Pennsylvania but will be going there annually. By the way, Paul did all the warranty paperwork. All I had to do was sign and go. We understand why the Newmar 2022 Service Award Trophy was sitting on the service counter.

.....

We need your help to promote our great dealers. Whether it was the process of purchasing your unit, to going out of their way to help you in a time of need for service/parts or supporting the local rallies we would like to share it.

Please send an email to us at kountryklub@newmarcorp.com with your story and we will add it to an upcoming edition of the *NKK Legacy*.

CANADIAN ROCKIES & CALGARY STAMPEDE

July 2-12, 2023

Bow River's Edge Campground

Join us as we explore the grandeur that is the Canadian Rockies and experience the tradition of the world renowned Calgary Stampede. Some features of this trip include a luxury motorcoach excursion to the Athabasca Glacier for a "glacier cat" tour unlike any other, a raft tour of the Bow River Valley, the magnificent old world beauty of the Banff Springs Hotel and Chateau Lake Louise. We will tour and learn about the Yamnuska Wolfdog Sanctuary. For the Stampede, our motorcoach will deliver us for the opening Parade and an afternoon at the rodeo. We will return another evening for the Chuckwagon races, grandstand show, other rodeo events and fireworks. We will have free time during this event to explore the area on your own, so we strongly encourage tow vehicles.

Experienced Event Hosts: Sue & Jerry Argabrite

REGION 6 IN, KY, MI, OH, WV

Region Directors
Chuck & Michelle Steenwyk (20036)

Here we are in FALL already!! I am dreaming of pumpkins, apples, gourds, cinnamon & spices, a good steaming hot bowl of homemade soup and a fresh loaf of bread, and of course the beautiful changing leaves on the trees up here in Michigan! We feel very blessed up here to be able to experience all the changes in landscape and produce options during the four seasons Michigan has to offer.

During the entire month of August, you would have found us at the Hudsonville Community Fair. Chuck has been on the board for over 20 years now! We were extremely busy setting up the barns and exhibits in several of the buildings. During the week of the fair (August 22-27) Chuck was on the parking committee, while our son Brad who is on the board also, focused on the commercial booth space area and keeping the fairgrounds clean.

After the fair was over, Brad & I headed up to Mitchell State Park in Cadillac, Michigan to camp with family and friends for the Labor Day weekend (we had about 60 people in our group). Chuck joined us on Thursday afternoon. During this camping trip the men always cook breakfast and dinner on the blackstones or over the fire. The ladies and older kids do the clean-up. The men have the menu all planned out, so it is a fun relaxing time for all. We went golfing, bike riding around Lake Cadillac (8.3 miles), had SeaDoos and boats on the lake and played lots of board and card games!

Speaking of our son Brad, we are very excited to announce that he has purchased a Newmar product!! He is now the 3rd generation in our family to own a Newmar product and join the Newmar Kountry Klub!! Our family's journey started in 2000 when my parents Tom & Linda Pikaart (11588-L) purchased their first Newmar. My parents always talked about all the wonderful people they had met and all the unique places that they traveled to and experienced with their NKK Family. So, when we finally decided to sell our bumper pull trailer that we had owned for 17 years **we decided to get a Newmar in 2013.** Our son Brad has attended several rallies with us and my parents that he decided he wanted to be a part of the NKK FAMILY too.

Thanks Tom & Linda (Mom & Dad) for introducing us to the NKK!! It seems that the NKK is contagious!!

We are looking forward to attending the Region 5 Rally with Region Directors Gary & Wanda Smith in late October. It will be interesting to experience another region's food and rally activities. We know that we will be seeing many people we have already met along the way and meeting lots of new members and expanding our friend base during the rally. **We encourage everyone to branch out and visit any region and attend any rally that has availability!!**

Safe Travels To ALL!!

INDIANA

Steve & Phyllis Thornburg (22044)
Indiana State Directors

The Summer of 2022 has been good for fun rally experiences for us. We had an awesome Indiana State Rally in June at the Hogback Lake KOA

in Angola, Indiana. We had ten coaches, including two coaches from Michigan, one Fulltimer coach and two First Timer coaches. We had two grandkids who were a lot of fun and gave the group a lot of laughs. And, we had three non-Newmar folks as guests.

We had a chili making contest with four participants. All attendees tasted the chilis and voted for their favorite. Naturally, a chili dinner followed with lots of corn bread. The rally had a Cowboy or Western theme, so most folks came to dinner in their cowboy/cowgirl hats and neckerchiefs (the weather was warm enough we didn't see many jeans, unless they were shorts. So, we could "Git along little doggie" (a foot-long, 1/2 pound hot dog) or a regular sized hot dog to go with the chili.

We also had a fishing contest in the campground's fishing pond. Results were not too spectacular as the only two participants both got "skunked." We did see a young kid pull a nice ten or twelve inch bass out of the pond later in the day, so we know the possibility was there.

We ate well as we hit local restaurants, The Timbers Steak and Seafood, Pizza Hut and Jed's BBQ and Brew (reputedly the best barbeque in Angola). And we had plenty of Tom's Donuts (also an Angola specialty), quick breads, muffins, etc. and a super Breakfast Casserole (a Phyllis specialty) for breakfasts.

In July, we headed West to attend the NKK International Rally in Rock Springs, Wyoming We had a very smooth trip from South Bend to Rock Springs – just pointed West on I-80, set the cruise at 62 MPH, and let Ol' Chocolate Charlie roll. We spent a couple nights in North Platte, Nebraska, and spent some time learning about the history of Buffalo Bill Cody and his Wild West Show. Did you know that I-80 is about 1,000 miles long in the state of Nebraska? Can't imagine how long it took the Pioneers to make that trip. The altitude change going West was gentle and almost imperceptible, 800 feet in South Bend to over 6200 feet in Rock Springs – just a few ear pops, but Charlie didn't care, he held that 62 MPH pretty well. Now, the eastbound run was a little different. Our first engine overheat warning with Charlie was approaching the 8,640 feet at Summit Hill by Lincoln, Nebraska. We pulled into the Lincoln Monument rest area and cooled down while we toured the facility and watered the dogs. After the Summit Hill, it was smooth sailing again, all the way home. Our timing coming home was good – we hit Cheyenne, Wyoming in time for the beginning of their Frontier Days Rodeo with all of the campgrounds in the area filled. So, we boondocked in the parking lot of the Cheyenne Camping World. All in all, it was a good trip and a fun time, but Phyllis & I agree – Western Wyoming is a great place for a short visit, but I sure wouldn't want to live there. Too dry, too windy, no grass and very few trees.

Charlie did have some issues with bleeding oil on the front of our toad both going to and coming from Rock Springs, so we took him to the local repair shop after we got home and had a new valve cover gasket and a new fuel pump installed – seems to have taken care of the leaking. Still some small oil spots on the driveway but I think that's residual oil falling off from the old leak.

We gained two new memberships for the Hoosier Kountry Klub during the International Rally.

Borrowing from the Hoosier Kountry Klub President's August Email message to chapter members:

"October - A NO-HOST Chapter Rally will be held in New Castle, Indiana at the Cornerstone Campground and Retreat. The dates are Monday October 10 - Friday the 14th. I have reserved 10 sites until Aug. 31 with more available if needed. There is no fee for this rally as there is NO Host. During our time, we will take a tour of the Indiana Basketball Hall of Fame, followed by lunch out. We will eat dinner one evening at the Montgomery

Steakhouse. Please contact Cornerstone @ 1-765-624-9102 to make your reservation. Their website is: www.cornerstonecampground.com. If you can remember, drop me a line so I know who's coming. This is our last Rally of the 2022 season." (Shirley Blair, hkkpres1@aol.com)

What's the difference between a Northern fairytale and a Southern fairytale? A Northern fairytale begins "Once upon a time...." A Southern fairytale begins "Y'All ain't gonna believe this...."

At every party there are two kinds of people: those who want to go home and those who don't. The trouble is, they are usually married to each other.

We look forward to seeing you all soon and frequently. Travel safely and stay safe. We can be contacted by email: sthornbg@aol.com or pdthornbg@aol.com or telephone 574-329-9188.

KENTUCKY

Ralph & Nancy Dennis (20372)

Kentucky State Directors

Nancy and I returned from the International Rally last month, held at Rock Springs, Wyoming. The routes we traveled were Interstates I-70 and I-80. Interstate I-70 went close to the Gateway to the West Arch, in St. Louis. We picked up Interstate 80 in Lincoln, Nebraska. The Great Platte River Arch Monument spanned across the interstate near mile marker 275(Kearney). Many of the trails of early pioneers come together at this point. The Arch was built to honor settlers, pony express, early stagecoach station. It is also a stop for the first continental Railroad.

Pilot Butte in Sweetwater County, Wyoming was another guiding point for the early pioneers. It could be seen for many miles. It was also used by early airplanes as a guiding point. The Master Masons in the Newmar Kountry Klub were interested to know that the Lodge of Rock Springs, Wyoming held many special occasions meetings on top of the Pilot Butte.

Especially on my trip back to Kentucky, I studied about the early travelers. They traveled by wagons, horses, and other early means of travel. I was traveling on some of the very same routes that they had traveled. I was on the Interstate with mile markers, rest areas, signs with restaurants, service stations etc. I also was traveling about 65 mph, except going up or down hill. I passed the exit off I-75 that goes to Sedalia, Missouri, next year's International Rally location! The exit number is 78.

When you read this some of us will have seen frost. This is a warning for snowbirds to be getting ready to go south.

Remember the Golden Rule and Happy Trails. We can be reached by email: rdenn61378@aol.com.

MICHIGAN

Marv & Von Visser (22141)

Michigan State Directors

Well, the International Rally is a wrap! It was great! The highlight for us in entertainment was the dueling pianos. They were awesome. We also thought the food was great and we got to meet a lot of new folks by volunteering to drive the shuttle carts. **A huge Thank-you to all the Region Directors, our International Directors, and our Members-at-Large for all the planning and work that you put in ahead of time and during the rally to make it a success.**

Marv & I got to visit Flaming Gorge, which was beautiful, then took an extra week to visit Thermopolis, sit in the Hot Springs pool and visit with some old friends from Michigan. On the way to Thermopolis, we drove through Wind River Canyon which was amazing! Then traveled to Buffalo, Wyoming and drove through Crazy Woman Canyon, which has

unbelievable rock formations and beauty, and Marv got to see three moose which made his day! We then headed home through South Dakota and visited family in Iowa. Then the following weekend we headed back to Iowa to help our former Pastor move back to Michigan. It was a great trip, but we're ready to stay home for a few weeks.

As this is written in September Marv & I will go to the Truck Show at the Mackinaw Bridge and then one of our Michigan Chapter Rallies in Alpena, Michigan in October we will be in Shipsee for a weekend and then are going to the **Region 5 Rally in Savannah, Georgia**. That will probably wrap up our rallies for the year.

It's been a great year, met lots of new folks and put on approx. 16,000 miles for the year, so far. **Also, can't say Thank-you enough to Newmar for sending all their Techs to Wyoming to have all our service work done, they are Amazing.**

Travel Safe and see you down the road! We can be reached at: Marv 616-836-3271 mvisser@hollandspecial.com or Von 616-836-4280 vonvisser@gmail.com.

MICHIGAN AIRE KAMPERS

Paul & Diana Hugo (22411)

President & Treasurer

Hello to all NKK members, especially those who live in the great state of Michigan! Our 2022 has been filled with WONDERFUL times meeting/reconnecting with all of you, visiting new places, exploring our beautiful country, and enjoying great meals! Thank You to our rally hosts!

Our Summer five-week tour included Michigan, Indiana, Illinois, Iowa, Nebraska, Wyoming, Utah, and Idaho – Oh My! We enjoyed taking the non-interstate roads, exploring, and visiting family/friends. The NKK International Rally was excellent! Thank You to everyone who volunteered to make it a great success! Diana has enjoyed helping many of you create crochet diagonal potholders this year - Fun! She is so proud of you all, and Paul, of her! Contact the email below if you are interested in the instructions.

October marks the end of our Michigan camping season. We hope you are squeezing in one or two more trips and relishing the Fall colors. Our late September Michigan Great Lakers/Michigan Aire Kampers joint rally will be over (expecting a FUN time), and we will be in Maine visiting Paul's parents.

November is transition time – winterizing or traveling south. We will leave around Thanksgiving planning to visit various gardens with lighted holiday decorations, possibly attend a few NKK rallies, and end up in Port Charlotte, Florida for the winter season.

Reserve the date: May 24-29, 2023 (Memorial Day Weekend) for a joint Michigan chapters rally in Shipshewana IN. <https://newmarkountryklub.com/event/michigan-great-lakers-michigan-aire-kampers-joint-rally/>

Take Care! Stay Safe and Healthy! We look forward to seeing you down the road! Contact Info: pdhugoteam@gmail.com or Paul [616-540-1011](tel:616-540-1011) or Diana [616-540-1012](tel:616-540-1012).

MICHIGAN GREAT LAKERS

Kathy Morren (24439)

President

Hello, all Great Lakers members what a great season we have had. The summer has gone too fast for me, but we are making some great plans for the 2023 camping season.

The kickoff to our season will be a joint rally with the Michigan Aire Kampers Memorial weekend in Shipshewana, Indiana at the Shipshewana South Campground May 25 -29 2023.

We have a block of campsites at Shipshewana South Campground. You can call and reserve your spot anytime up until April 24, 2023. At that time, the reserved sites will be open, and you will not be guaranteed to be with the group. Make sure you tell them you are with Newmar and Michigan Great Lakers. **Shipshewana South phone number for reservations: 260-768-4669.**

We will be having a Thrashers Dinner at the Hoosiers Banquet on Friday night. I am also working on a Newmar factory tour TBD. Skymed will be coming to do a presentation and will be hosting a time of refreshments during the rally. Rally fee will be updated as soon as I get pricing on some of the outings.

The flea market will be opening that weekend and there are lots of wonderful shops to explore. Pumpkin Vine Trail is a great bike trail and is paved.

I am looking forward to some great camping in 2023. Safe travels and happy camping. I can be reached by email: diamondktack@sbcglobal.net.

LAKE ERIE DRIFTERS Phyllis Rose (10792-L) Secretary/Treasurer

Since our last article in the *Legacy*, we had a rally in [Gettysburg, Pennsylvania](#). I was unable to attend this one, but I have heard it was a great time. There were seven rigs in attendance, and they even had a speaker who was very knowledgeable about the civil war in that area. He was also very interesting to listen to. The group traveled around the battlegrounds and found much to see. As always, I am sure there was plenty of food.

Our next rally was in August in Dundee, Ohio (Amish country). There were nine units total. We had one guest unit Jay & Beth Palmer, friends of Jim Senft. One brand new member, Jane Cozad, who just bought her rig and is trying to learn everything there is to know about her new Canyon Star. Joe & Gail Swartz visited with us also.

We were left to buddy up and visit the places we already knew and to find a few new ones. We had dinner on Friday night at a restaurant in Massillon and if you are ever there, don't miss it. Everyone raved over their food. Jerry & I said we think it is the best steak we have ever had in a restaurant.

Saturday, we prepared hamburgers on the grill provided in the shelter at the Resort and we all provided a dish to share. As normal we had a great dinner. Newmar people are wonderful cooks with great recipes. We held a short meeting after dinner, and we have an interim President now. Todd Knierman and his wife, Sheryl, joined this year and he volunteered to fill in until we have elections in October. Thank you, Todd.

Sunday morning, we had breakfast casserole, and coffee cake provided by Pam Mehan and donuts by the hosts. As we were eating, we were joined by our newest member, Buckeye. He is the cutest Golden and is 13 weeks old. As Mike & Gina Karcic were leaving Kiem Lumber in Charm on Friday they spotted a sign

that said Golden for sale. They went to check it out and you know the rest.

Our last rally of the year is at Gallia County 4H Park in Rio Grande. We will be attending the Bob Evans Festival. This is one rally we always look forward to. See you there.

WEST VIRGINIA

Bill & Beth White (20471) West Virginia State Directors

The trip to Rock Springs was an eventful one. We left a few days early so we could meet some friends in Billings, Montana before we went on down to the International Rally. We had a great start until we got a few miles from Sidney, Nebraska. The dashboard suddenly lit up with messages that we had an engine problem. We stopped at the side of the road and checked the engine codes and found that we were having misfires in the #2 and #3 cylinders. (Thank you, Freightliner School!) So, we pulled off at Sydney and found that right beside the exit was Floyd's Freightliner. The folks at Floyd's were great. Even though they had several trucks waiting, they responded to our problem at once. By the time we got there it was 4:45 PM on Friday afternoon, too late for repairs to begin. They told us that they could get us first thing Monday morning. It turns out that Sidney is the site of Cabela's flagship store, and they had a great RV park beside their store. We could get a discount at the RV park and in the store if we had a Cabela's Credit Card; so, we got one. We had a great time there finding items to replace things we had lost in our house fire and the discounts were great.

On Monday morning, we went to Floyds and found that we had a bad engine sensor that was telling us we had a misfire that was not really there. Also, the engine computer needed a software update. By the middle of the afternoon it was repaired, and we were on our way and Cummins had picked up the \$1,600+ bill.

We arrived at Rock Springs on time and enjoyed a great rally. The first full day there, we found a wonderful little Mexican Restaurant, the Santa Fe. Later we found an old fashioned 1960s style soda fountain called the Chill Grill, that also served great [burgers](#). We ate well on this trip. It was definitely a 10 pounder. Bill volunteered to drive a follow me cart and take drone videos of the area while Beth worked registration and information. We both also drove the shuttle one evening. You can find several of Bill's drone videos on the NKK Facebook page.

The trip home was uneventful, and we are back in our RV garage. By the time you have read this, we will have attended the West Virginia Chapter Rally held at Beech Fork State Park just south of Huntington, West Virginia. John & Mary Knight and Brenda Warren & Randy Sortet are sponsoring this rally and we look forward to a busy and fun-filled weekend.

Progress on our new home hit a snag when we found that the plan our architect had developed for us was too big for our available space. We trashed that plan and are working with our contractor to develop a more suitable plan. We hope to see it in a few days.

Beth & I hope everyone is doing well and we'll see you down the road. God Bless you all.

REGION 7

CT, DC, DE, MA, MD, ME,
NH, NJ, NY, PA, RI, VT

Region Directors
Steve & Joanne Wyble (22701)

For the past nine years, this article started with "Greetings from Region 7". Bob & Jane revitalized Region 7 into an active and growing region. As we begin this position, we realize we have big shoes to fill. Bob & Jane have been very generous with their time during the transition, especially at International as we learned the role of Region Director. We are forever in

their debt for the friendship and mentoring. We are also fortunate that we have a strong group of State Directors and Chapter Presidents as well as the other officers and members.

At International, the support we received from Ron & Wanda, Linda, DeAnn and all the Region Directors has been overwhelming. It is comforting to know all the people who are available when we need help and advice. The support we have received has been a blessing.

A little about ourselves for those who do not know us. We have been married for 45 years and have two children. Matt lives about five miles from us. He is married to Lisa and has a stepson, Ben. Melissa lives in Manhattan. She is married to Jan, and they have two daughters, Claire & Chloe. We started camping with a 2017 Grand Design Imagine. This started our love of camping and camping clubs. Our first Newmar was a 2018 Canyon Star 3901. We joined NKK right after the purchase and then were invited to join the Lakers Kountry Klub in May 2018. Our love for camping and NKK grew quickly. At the 2019 Syracuse International we purchased a 2020 Ventana 4362. In October 2019 we were elected President and Secretary of the Lakers. We continued to serve in those positions until accepting the appointment as Regional Directors. Currently we refer to ourselves as half timers. We attend rallies and travel the country in the summer and winter in Florida.

We look forward to serving Region 7. Our goal will be to continue the work started by the Hadley's as well as working with the State Directors and Chapters to find the best ways to strengthen and grow the region. Looking forward to meeting everyone down the road. We can be reached at stevejoannewyble@gmail.com or Steve: 585-721-0868; Joanne: 585-721-0869.

NEW ENGLAND STATES

Jim & Donna McAllister (21866)

New England States Directors

Hello from New England. We have recently returned from our trip to Wyoming and the International Rally. We had a great time at the rally and were able to meet up with several friends from our region. We were also glad to get a few things repaired on our coach by one of the many Newmar Techs that was on site all week. **At the Region 7 Pizza Gathering we said our goodbyes to Bob & Jane Hadley (now on their long-awaited Alaskan adventure) and welcomed Steve & Joanne Wyble as our new Region Directors.**

As this is written we are now on our way to a New England Aires Rally in Vermont and then in September our last rally of the season on Cape Cod. It is hard to believe how fast this summer has gone by.

We are making plans for our 2023 New England Sates Rally. It will be held May 18-21. Watch for more information to follow. We can be reached by cell or email: 207-468-0601 or 207-468-0600 mcallisterdonna@gmail.com.

NEW JERSEY

Michael & Barbara Agrati (20411)

New Jersey State Directors and New Jersey Garden Aires Secretary

While at the International Rally Barbara & I helped to take care of the mail. Even though I had a golf cart to pick up and deliver the mail it sure was fun to just drive around and see the sights. It was great to see some friends that we had not seen in a while and of course we had the pleasure of making new ones as well. **I am sure that everyone that attended and worked as volunteers will agree that they worked with some awesome people which was very rewarding and fun. I know what made the rally terrific-the PEOPLE!!**

Speaking of PEOPLE- How about those Techs and the all the work they were able to accomplish? And then to top it off the Caring and Sharing project that Wayne and Sue Burke chaired. Absolutely amazing and a big Thank You to them for making such a difference in children's lives.

AND...JUST A FRIENDLY REMINDER...We are ACTIVELY SEEKING a SECRETARY for our wonderful New Jersey Garden Aires. Your membership has responsibility, and we all need to do our part to continue the smooth running of this great chapter! Without cooperation and participation from our members our chapter cannot sustain the excellence that we now have. Please contact us and we will be happy to help you with understanding and learning the duties of this very rewarding position! THANK YOU!

We can be reached at: michaelagrati@gmail.com, bfragrati@gmail.com.

NEW JERSEY GARDEN AIRES

April Danley & Colin Smith (23305)

President and Vice President

Summer is gone, and it sure was a hot one! As for Colin & I, we decided not to take any long trips this summer. Good thing we didn't, we sure had our share of thing's break around the farm. Central Air went out, Barn roof developed a leak, and the list goes on. Remodeling to boot. Can't wait for it to be all done!

So now it is time to start getting our rally put together for next year. More on that when we get more details together.

Hope everyone had a safe, and enjoyable summer! See you down the road. We can be reached at email: danleyfarm@gmail.com.

NEW YORK

John & Diane Svatek (21793)

New York State Directors

Traveling to Wyoming and back over six weeks to attend the International Rally in Rock Springs was quite the adventure. What a beautiful country we live in. People we met along the way were friendly and helpful. It was wonderful to reconnect with friends we've met at various rallies over the years. We look forward to next year in Sedalia, Missouri, having attended our first rally there in 2017.

Save the date for the New York State Rally, June 1-4, at the Turning Stone Casino, Villages RV Park. Details to follow. We can be reached at jdsvatek@gmail.com 518-928-6268 (John).

HUDSON AIRES

John & Diane Svatek (21793)

President and Secretary (outgoing)

The Hudson Aires Chapter Rally was held September 18-22, at the Lake George Riverview RV Park in Warrensburg, New York. We welcomed several first-time attendees and new Hudson Aires Chapter members and are looking forward to meeting with Long Island new owners/new members to encourage increased participation in Hudson Aires chapter events.

Plans are underway for the 2023 Hudson Aires rallies. Details to follow.

We are still seeking members willing to become Chapter President and Secretary for the Hudson Aires. Please consider holding an office and bringing new ideas to the chapter. We can be reached at jdsvatek@gmail.com or 518-928-6268.

NEW YORK LAKERS

Steve & Joanne Wyble (22701)

President and Secretary

In September the Lakers celebrated their 25th Anniversary with a rally at Beaver Meadows. This is the same site where the chapter was chartered and also the site of our 10th Anniversary. While this is being written before the rally occurs, we are hoping for many past officers and some of the charter members to attend.

It seems like we just talked about camping season starting and now we are having our fourth and final rally of the year. **In October we will gather for our annual Thanksgiving Dinner on Saturday and Christmas Brunch on Sunday. Always a great time when we can gather with some of our retired Honorary Members.**

As we begin position as Region 7 Directors, we are looking for a new Chapter President and Secretary. As the New Jersey State Director so eloquently stated in an earlier article, **we all need to do our part in order to sustain the excellence of our Klub.** If you are interested in these or other chapter offices, please contact us for any questions. We can be reached at stevejoannewyble@gmail.com or Steve: 585-721-0868; Joanne: 585-721-0869.

PENNSYLVANIA

Wayne & Susan Burke (20367)

Pennsylvania State Directors

The International Rally in Rock Springs, Wyoming was a huge success. We had a total of eight coaches from the two chapters in Pennsylvania. These couples poured their hearts out with the Caring and Sharing booth. The booth was manned by at least two people all day and sometimes three and four people at a time. When you consider the different causes, there were really four separate organizations we were collecting for. We had the stuffed animals for the Police and EMS which there were 243 collected. Then there was the Diaper Bank, the Food Bank, and the no kill animal shelter. All of this kept our chapter members extremely busy during the entire rally. We averaged 2-3 golf cart loads of food – diapers – and dog and cat supplies going to the supply room every day!

The Newmar Klub members have always been known for their generosity, but this year, in the middle of high fuel prices and inflation nationwide, these 900+ Klub members just pulled out all the stops and made this the best year Caring & Sharing has ever had.

We set goals and the last day all the goals were shattered. For example, before we opened on Thursday morning, \$900 was given to the Animal Shelter towards a 20 x 20 aluminum shelter. After we closed, over \$400 was given to Linda and Sue and I to the Food Bank. People just could not stop giving.

The best estimates that Wanda Llewellyn came up with was for the Food Bank and Diaper Bank program was \$7,982.95 in cash donations, and \$7699 in food, diapers, and baby wipes. Almost 7,000 baby wipes, 4,989 diapers and approximately 547 jars, cans and boxes of baby food. For the Red Desert Humane Society, 10 large garbage bags of towels and blankets, 30 lbs. of dog treats, 587 lbs. of dog and cat food, along with cleaning supplies. Along with this, there was \$10,980 in cash donations.

Newmar Kountry Klub made a mark on Rock Springs, Wyoming that won't soon be forgotten! Again, Sue & I would like to say a Big Thank You to all those Pennsylvania Klub members who gave of their time to man the Caring & Sharing booth. We hope to see you on the road somewhere and somehow! We can be reached at: Burke119@outlook.com, Cell: (570) 470-3631. Address: 119 Butternut Flats Beach Lake, PA 18405.

PENN'S FRIENDS

Cary & Carol Duncan (22673)

Presidents

Welcome to all Newmar Owners and Penn's Friends current and future. The weather has been very warm and dry, hope everyone stayed cool and got to do some RVing. As we are writing this article we are getting ready for our rally in Hershey. Brian & I went out this week to finalize all the details. We will have completed the rally by the time you read this but expect this to be another great one. I want to thank Brian for all the work he did to help make this a success again.

When we were out to visit Hershey Campground, we met the two owners while we there. They also own two other RV park Gettysburg and Ocean City, New Jersey.

We will be heading down to Florida shortly after rally for our winter home. Cypress Trail in Fort Myers or Marco Island. We will be going to the Tampa Bay RV show with Newmar. Stop and say hello if go to the show. Also hope to go to Key West again this year.

We did get to go on our cruise to Alaska that was canceled from 2020 Covid outbreak. The trip was very enjoyable, especially the cruise ship that had excellent food. Cannot help from overeating when everything is available and included.

Looking forward to seeing all our Newmar friends down the road. Safe travel on all your trips.

We can be reached at: cdpennsfriends@yahoo.com, Cell 610-637-1652.

WEST PENN TRAVELERS

Jon C. & Roxann Yon (24213)

Presidents

Following an amazing rally in June, your officers have been very busy attempting to match the activities and success of the Pittsburgh event set up by Paul & Joan Robbins. We are thrilled that Ron & Debbie Leofsky have agreed to host our **2023 rally. While we are not yet ready to release all of the details at this time, we would like to tempt you and your schedule with the following "Save the Date" info. Northwestern Pennsylvania ... Erie area June 5-9, 2023. We hope that members of our sister chapter ... Penn's Friends ... as well as our neighbors in Ohio, West Virginia and New York will reserve these dates to join us.** Full details will be released via *Legacy* article and the NKK online calendar in December.

Keep your black tanks down, your antennas up, and a fair wind behind your TOAD. We can be reached at: jyon@atlanticbb.net or by leaving a text or voice message at 814-935-4414.

Diesel Pusher Roof Drains and Gutter Maintenance

Source: <https://newgle.newmarcorp.com/s/article/Diesel-Pusher-Roof-Drains-and-Gutter-Maintenance>

This article provides cleaning recommendations and instructions for roof drains and gutters on diesel pusher coaches. Not all years and/or models of diesel pushers are equipped with roof drains.

Note: This started as a high line feature around 2007 and has been implemented in additional coach models throughout the years (King Aire, Essex, London Aire, Mountain Aire, New Aire, Dutch Star, and Ventana diesel pushers). The feature was added as the coaches began including roof-mounted Girard awnings with integrated gutter rails at the edge of the roof and bezels to match the awnings on the front and rear caps.

For diesel pusher coaches that are equipped with roof drains, it is important to make sure the roof drain catch basin strainers are cleaned and kept free of debris. There are four (4) of them, and they are located at the front and rear ends of the roof gutters, on both the left and right sides. They may be covered by the roof-mounted awnings.

The drains can be blown out using compressed air (approximately 60 PSI) from the drain pipes found under the front and rear caps. There are typically two drain pipes on the passenger side of the rear cap and one on each side of the front cap. The debris will come out the bottom of the coach if you are blowing it from the top, or the debris will come out the top of the coach if you are blowing it from the bottom.

Newmar 2023 WINTER SERVICE SPECIAL

Newmar is again offering its Winter Service Special. Each customer who has their unit repaired at the Newmar Service Center in Nappanee, Indiana beginning January 1, 2023 through March 31, 2023 will receive a discounted shop labor rate.

Take advantage of this special offer and get your coach refurbished. For example, have your carpet, floor covering, window treatment, or countertop replaced during the winter months at Newmar. Any units dropped off for repairs will be winterized and stored at no charge.

This offer is only good for those customers who have appointments at the Newmar Service Center between January 1, 2023 and March 31, 2023. Any appointments after March 31st will NOT receive this discount.

If you are interested in taking advantage of this exceptional offer, please contact the Customer Service Department direct at 800-731-8300 and set up your appointment today.

Region Directors
Glen & Marg Bassindale (3387-L)

Here we are entering another fall season signaling the end of our camping opportunities in Eastern Canada. Fortunately, the Muskoka Ramblers Chapter was able to secure camping facilities and a fall rally was held in Milton, Ontario. Thank you, Hugues & Michelle, for your continued efforts this year to get us out and seeing one another again.

Of course, fall for us means winterizing our coach; while for others it means it is time to escape to the locations where the dreaded white stuff does not appear. Please remember to check out the numerous Klub functions taking place near you. Fun and Friendship with the Newmar Kountry Klub goes on all year.

Did you know a new Facebook page has been created for the Klub? Search Newmar Kountry Klub and join the fun. It is a great way to gain valuable information, good campsites and maybe even find someone who is close to where you are.

Don't forget **The Happenings email bulletin is published each month and carries the latest and greatest for Klub activities.** If you are not receiving it, check your email address. Please notify the Klub office if any changes have been made. It is also a good time to let the office know if you have a winter address to continue receiving your *Legacy Magazine* while you are not at your home address.

Special Events continue to be popular so don't miss out on your chance to secure a spot. All registrations are done online making it easy to get signed up. A couple of events you should keep on the radar are the **Canadian Rockies and Calgary Stampede, July 2-12, 2023.** Reservations are expected to open in early December. Reservations are open now for the **Alaska Cruise, July 30 – August 6, 2023.**

2023 Quartzsite Rally in the Desert starts January 18 so if Arizona is your winter destination, try this out.

Set your reminder for the **2023 International Rally September 30-October 7, Sedalia Missouri.** All sites will have 50-amp full hook ups. Hope to see you there.

Until next time....

REGION 9

AB, BC, MB, NT, NU, SK, YT

Region Directors
Dave & Joanne Killey (16152-L)

I saw a sign the other day that said, "Move Beyond Your Expectations". It reminded me of a recent visit to a local restaurant which I have not frequented for a very long time. I knew the place had great food. I was excited that I was able to take the time to have another meal here and my taste buds were just waiting for the time until they were able to enjoy

some of the fine foods this establishment offered. But alas when we arrived it was found things were not the same as they once were but more to the point the food was no where near my expectations. It was disappointing to say the least, but we did not let that disappointment spoil the chance for a good lunch and in the end the new owners made two very happy customers that day and customers who will return another day to once again enjoy the delightful items they serve.

Mark your calendar for September 30-October 7 for the 37th annual International Rally. Next year's event will be held in the spectacular location of the Missouri State Fairgrounds in Sedalia, Missouri. More info will be in the *Legacy* magazine in the coming issues.

We are reaching out to you for suggestions for the 2023 Region 9 Rally. Locations suggested so far include the Black Diamond Ranch in Merritt, British Columbia or the Tunnel Mountain RV Park in Banff, Alberta. If you get a chance, take a look at the Region 9 Facebook page and vote for your choice or make a suggestion of where you would like to see a rally held.

Newgle Nugget and Service Articles. Watch the *Legacy* Magazine either online or your paper copy for articles of information on Newmar RV's. These articles are very informative and very interesting.

Did you happen to catch the recipe in the August/September edition of the *Legacy* which was for Cheesecake. Kathy Morren (24439) sent the recipe in, and we thank her for the contribution. That cheesecake was awesome.

By the time you read this, we hope to have a new survey up on Facebook/Region 9 to help us better identify things of interest soon. I hope you get a chance to look and fill out the survey.

Eastern Canada was once again part of our 2022 travel plans. Joanne & I hosted the Klub's 43-day Eastern Canada caravan. Although not as well attended as we had hoped for, it was fun none the less. Members were treated to lots of lobster and seafood meals as well as sightings of whales, moose, Icebergs and puffins. Joanne & I had seen 15 moose on the famous moose alley evening drive. The caravan was not immune to the dreaded Covid, but of the few that got it they recovered quickly.

Rock Springs in Wyoming provided a great location for the International Rally with some interesting areas to discover in and around the area. It seems pretty evident by the great hospitality the locals showed us that the Klub will visit this area again. **The Klub store was once again the responsibility of Region 9 and big THANK YOU goes out to John**

& Kathy Schretlen who helped us with the store this year. After the rally the clothing that is left over goes back to the Klub office and is now shown on their new online store. Check the Klub web site to see the lineup of great quality made Klub merchandise. The Canadian gathering was well attended where we enjoyed pizza hosted by John & JoAnn McDougall (25654) from Langley, British Columbia.

It was decided at the Region Directors Meeting to have the logo's that are used in Facebook changed to colour. Above is what all the region's logos look like but in their respective colour. This is a great change from the past black and white logo's. Each region will have a specific colour which matches the colours shown on "search by regions" web page on the Klub's web site.

Thanksgiving was observed periodically by Canadians in the 17th and 18th centuries and with more regularity in the 19th century. The day was finally formalized as a national holiday in 1879. The actual day of celebration has moved around several times throughout history, but today the date recognize now which is the 2nd Monday of the month. In 2022 this is October 10th. It's a time to gather with family and friends for a festive meal.

HAPPY THANKSGIVING TO OUR NEWMAR FAMILY

We meet, We part, We hope to meet again....

Presidents

Hello from Vancouver, British Columbia. It's a good thing that Region 9 Director David Killey sends out reminders when it's time to submit articles for the next *Legacy* magazine. It sometimes seems like it's been only a few weeks since the last reminder. As David said in the latest email "Where has the summer gone?" Indeed. It went by quickly.

For Kathy & I summer was basically trips to visit family, Rock Springs and California. We got back home and then came the reminder for an October/November article; an indication that fall was coming. Which means as you are reading this it's now Fall. Hope your Fall is fine.

In the news, the British Columbia Dogwood Klub has had its Annual General Meeting and elected the following executives:

- Klub President: John & Kathy Schretlen
- Klub Vice-President: Ken & Jeanne Digness
- Klub Secretary/Treasurer: Jerry & Dianne Block

We are planning a Chapter Rally to be held in British Columbia in early to mid-June 2023, before the summer rush. We will publish details in early 2023 but if you are planning a trip to Alaska pencil in a possible stop in British Columbia for a rally. After all, it's going to be on your way, and we'd love to see you.

Stay healthy and drive safe. Take care.

Cancellation Policy For Special Travel Events

Please notify the Kountry Klub immediately if you have to cancel your trip.

Cancellations will be accepted for Special Travel Events and Caravan Tours on the following conditions:

- a) A \$25.00 per person cancellation fee will be charged anytime you cancel an event reservation.
- b) For reservations cancelled 69 days to 30 days from the start of the event, you are responsible for all non-refundable portions of the financial commitments paid out by the Klub on your behalf for the event plus \$25.00 per person cancellation fee.
- c) If you cancel 29 days or less prior to the event, you will receive no refund until after the event and receive only that portion the Kountry Klub can recover. The \$25.00 per person cancellation fee still applies.
- d) Deposit must be with reservations and full payment must be to be confirmed.

Cancellation Policy applies to the following Events:

- Branson Christmas Rally – November 6-13, 2022
- Rally in the Keys – December 4-10, 2022
- Tampa Supershow Rally – January 17-22, 2023

Please Note: The Kountry Klub must pay some non-refundable financial commitments and deposits well in advance of events. We cannot absorb losses on last minute cancellations, and we will no longer do so. These commitments make this cancellation policy a necessity. We thank you for your understanding.

Cancellation Policy For Region, State/Provincial and Fulltimer's Rallies

Due to the large number of late cancellations, the Kountry Klub has experienced significant financial losses from non-refundable commitments made during the planning stages.

A new Region, State/Provincial Rally "Cancellation Policy" is being implemented.

- 1) An administrative fee of \$10/person will be charged. This fee will cover costs associated with processing your rally registration and will be included in the rally fees as advertised.
- 2) Members who register for a rally and then:
 - a) For whatever reason, cancel a minimum of 35 days prior to the start of the rally will receive a full refund, less the administrative fee of \$10/person.
 - b) Cancel 34 to 8 days prior to the start of a rally will be charged for any non-refundable commitments made on your behalf in addition to the \$10/person fee.
 - c) Cancel 7 or less days prior to the start of a rally will receive No Refund on any portion of the rally fee paid.
- 3) Members who register for a rally and do not advise the Hosts that they will not be attending will receive no refund.
- 4) All refunds will be made at the conclusion of the rally.

PLEASE NOTE: Planning any rally requires long-term organization. Many service providers require non-refundable financial commitments. Because these deposits and financial commitments are often made well in advance of any rally, this policy becomes a necessity.

Now
on board the
2022 Ventana!

**"My body feels better with
radiant floor heat on board."**

Ask a Newmarsm motorcoach owner why they would never travel without the silent, hypoallergenic and therapeutic benefits that a heated coach floor provides.

In addition to other Newmar coach models, Gold Heat[®] radiant floor heat is now available on-board the 2022 Ventana!

Ask your coach dealer which Newmar models have luxurious Gold Heat radiant floor heat on board.

Electric radiant floor heat designed for the motorcoach lifestyle.
