

NEWMAR KOUNTRY KLUB INFORMATION

Questions or Comments?

We welcome feedback! Please feel free to contact your local Chapter, State Directors, Regional Directors, Members-At-Large, or International Directors with your thoughts and ideas! We strive to be a Klub that listens and responds to members. We have developed the Newmar Kountry Klub **Purpose-Vision-Values-Mission** to guide how we organize activities for you, and a **Code of Conduct and Alcohol Policy** to guide how we treat each other.

PVM Statement

Code of Conduct

Alcohol Policy

Activities:

We strive to organize activities that provide opportunities that enhance your RV experience in your beautiful Newmar and create life-long friendships and lasting memories – the Newmar RV lifestyle! We organize luncheons, local rallies, an annual International Rally and Special Events (in one place with your coach, in your coach as it moves to new explorations, or even outside of your coach!). These events can be found at the Newmar Kountry Klub **Calendar of Events**.

Once you are a member of the Newmar Kountry Klub, you can participate in any event where space is available. (If space isn't presently available, we encourage you to add your name to a waiting list. Event organizers strive to accommodate all members, either by working to add spaces, or as you know, "life happens". Wait list members frequently can be added to an event as time progresses.)

News!

We have a number of publications that we publish to keep you updated about opportunities for members. One is the NKK **Happenings! Email newsletter**. Another is the NKK **Legacy Magazine** published on a bi-monthly basis.

Please contact the Klub office if you are not already receiving these important and timely publications.

Merchandise:

We also offer Newmar Kountry Klub branded merchandise for everyone in the coach! They feature the Newmar Kountry Klub logo and some offer the ability to personalize with your coach model and other features. Check it out! New merchandise drops throughout the year!

Klub Chapters:

Local rallies, Special Events, and the International Rally are the pillars of what we do for our members. We encourage you to attend a luncheon or a local rally to begin to expand your circle of life-long friendships. At the International Rally we feature a Regional Social Event to bring attendees together to introduce each other and network across our Klub – more friends to meet down the road! Special Events feature an alumni reunion at the International Rally to trade memories (and to get the skinny on what should be next on your bucket list!)

Volunteers:

The Newmar Kountry Klub is comprised of member volunteers serving other members. We encourage you to ask where you could fit in. We welcome volunteers – serving on local chapters, innovating as part of special project team for the Klub, and at local and International Rallies. Volunteering adds greatly to the RV experience, meeting and working with members across the country and building a legacy for the future!

If you're interested in volunteer opportunities, please contact your local Chapter, State, Provincial or Regional Directors and keep a look out in the Happenings! email.
