Message from Casey Tubman President, Newmar Corporation

As the summer season comes to a close and fall and winter are fast approaching, I smile to myself as I think about all the great camping events of 2026 and the interactions we were able to have with so many of you, our NKK members. Meals shared, conversations around the fire, fun events, and experiences (some at higher speeds than others), but all cherished.

The year kicked off early with visits to a couple of Southern California resorts (my first time at these resorts) and a brunch with the special events rally at the Parade of Roses. What a great time there sitting down for a meal together. I hope you all are taking advantage of the special event rallies being organized. These are truly one of a kind experiences made easy for our NKK members. While we started our resort visits in California this year, we made our way around the US to others as well in Florida, North Carolina, Tennessee, Arkansas, Colorado, Utah and Michigan, and I am sure more that I am missing. Keep an eye out for where we will be stopping by in 2027 by following us on our FB, Instagram and other Newmar channels.

Our selling year kicks off with the Tampa RV show and while the 2026 show had limited camping, **I want to invite you all to kick off 2027 at the Tampa RV Supershow Rally hosted by the Klub at the Camp Margaritaville resort in Auburndale, Florida.** I will be there hosting a meal on the final night. Please check with the NKK team if you are interested.

Many of you were able to get to some of your own local and regional rallies. Newmar partnered with Spartan this year to help sponsor a local rally at North Trace resort in Syracuse, Indiana, just 20 minutes away from our Nappanee Newmar manufacturing campus. It was a great event with plant tours, magic shows, seminars, Q&A with our executive team and of course, some Showalter bacon over the open fire (30 lbs. to be exact). We are planning for this again this year with it happening in May of 2027. I look forward to seeing some of you at this fun event.

The gathering at the international rally in Wyoming this year was second to none with a great sales display, seminars, vendors, service techs, food, entertainment, fun, and friends. In 2027, I am looking forward to seeing if we can break a record with participation as we land in a middle state, Oklahoma in October. I'm hoping this can draw equally from all around the US.

By the time this publication comes out, I am sure all of you are getting more time in your coaches enjoying your own adventures wherever that might be, doing whatever brings you happiness. As this is written, the team and I are back on the road in September and October again getting our feet on the pedals and looking for improvements to incorporate back into our products for all of you. If you see us out there, be sure to say hello.

I want to wish you all a happy holiday season to end the year with and look forward to seeing many of you again as 2027 kicks off.

All the best,

Casey Tubman
President, Newmar

Membership has its privileges and as a member of the Newmar Kountry Klub, you are eligible for discounts at the Newmar Service Center. There is no better place to get your Newmar serviced than at Newmar where they have trained technicians and approved parts to get things done correctly. We like to schedule our service between January and March while the Winter Rates are in place so that we can combine the discounted service rate with the exclusive Klub member discount of \$200/year (or \$400/year discount for Lifetime Members).

Schedule your annual service visit to the Newmar Service Center in Nappanee, Indiana (800-731-8300).

Putting your experience to work while keeping your brain working is a great way to support our Klub. With chapters across the country and many leadership roles, we always have opportunities for you to connect with your fellow members through Klub leadership positions on a local or regional basis. We currently have an opening for the Region 3 Director (AR, KS, LA, MO, OK, and TX) and would like to have a discussion with you if you are interested. Please feel free to reach out to us or any of your local Klub leadership to get more information.

International Rally plans for 2027 are underway. Our advance team will be visiting Shawnee, Oklahoma, this November to plan important details to make the 41st International Rally the best yet. We have already ordered a new popcorn machine for the Full Timers Chapter and will be working menus and entertainment soon. More information will be available early next year, and registration will open in April 2027.

Notice the magazine cover? We love seeing pictures of everyone enjoying their Newmar with friends and family. In the last issue of The Road Ahead, we asked you to post pictures of yourselves enjoying your Newmar. The cover photo was posted by Linda Thommen on the Klub's Facebook page and was taken at the Wisconsin Northern Aires Chapter Rally.

Getting ready for the holidays and gathering with our friends and family is always an important part of our lives. As you travel this season, we hope you have a safe and enjoyable time.

NEWS FROM THE KLUB OFFICE

Linda Feece and Whitney Woodcox

Wow! As the saying goes...time flies when your having fun. In June we held the 40th International Rally in Rock Springs, Wyoming. It was another great success with several new activities added to the week's agenda. As always, we need to thank our Regional Directors, Member-at-Large, and Fulltimers Chapter and their teams of volunteers for their hard work in setting up, overseeing the many functions of the event,

and lastly the tear down and packing of the Klub trailer.

Early next year keep an eye out for details of the 2027 International Rally, to be held at the Heart of Oklahoma Exposition Center, in Shawnee, Oklahoma from October 9th-16th. We anticipate reservations to begin in early April; a definite date will be announced once determined.

Just a reminder **to ensure we have your correct information, when registering for events or renewing your membership, you will need to provide your Klub membership number and your coach unit/serial number to complete the transaction.**

Not sure of your Klub number? You can find the number on the membership card you received when you joined the Kountry Klub (and a new card is sent to you after each renewal with it). If you are reading this in *The Road Ahead* magazine, check the mailing label on the back cover for the number. If you still are unsure of your Klub number, please email the Klub office kountryklub@newmarcorp.com or call us 877-639-5582 and we will provide this information.

Your six-digit coach unit/serial number (may be listed as production number) can be found in several locations: on the inside of one of your kitchen cabinets, on the wall of your bedroom closet or on the plate near the driver's seat. If you have a question on the coach number, please contact the customer service department direct at customerservice@newmarcorp.com.

As the year is quickly coming to a close, we want to acknowledge several Region Directors that are/have stepped down: Terry & Terri Roberts - Region 2, Jim & Lorie Landers – Region 3, and Steve & Joanne Wyble – Region 7. They have been part of a great group of directors and leadership team of the Klub. We hope you enjoy your time sitting back and enjoy many rallies in the future. We welcome DJ & Linda Thommen as the new Region 2 Directors, as well as Jim & Donna McAllister as the incoming Region 7 Directors. We are currently seeking Directors for Region 3.

In closing we thank YOU the members for the support and participation in the Klub. We hope you have been able to attend and enjoy many of the local chapter, state or region events and maybe one or two of our special events and International. Meeting up with fellow Newmar owners is one of the best ways to learn more about your coaches. If there is anything we can do for you, please drop us an email.

Wishing everyone a wonderful holiday season – have a Happy Thanksgiving, a Merry Christmas, a Happy Hannukah and a wonderful New Year full of great Kountry Klub adventures!

INTERNATIONAL MEMBERS-AT-LARGE

Evan & Debbie Hughes (19771)

So here it begins, our ninth year as Members-at-Large. We were elected for our first term in 2018 in Gillette, Wyoming, to serve three years, representing the members of the Kountry Klub on the Newmar Kountry Klub Board of Directors. We subsequently ran unopposed two more times with the Board of Directors appointing us for the additional three-year terms.

We appreciate the faith that the Klub members and the Board of Directors have put in us. We have done our best traveling the United States and into Canada attending rallies, luncheons and other Kountry Klub activities representing the Board to the members, and the members to the Board, receiving input and suggestions from members and bringing them back to the Board. You gave us many ideas that helped them understand what members liked about how the Klub was being run and what we as a Klub could do to improve and make the experience of being a member better. Your suggestions and ideas were passed on and changes in the Klub have been made based on those suggestions. We appreciate you, the members, for welcoming us to your events and trusting us with your ideas. It truly makes a better Klub.

We also want to recognize Newmar and the Newmar Kountry Klub Board of Directors for recognizing and seeking input from the Members to effect change. We think they value having a member who is elected by the members to represent them on the Board of Directors. We think Newmar is probably unique in the industry to value their product owners in this way. On behalf of the members of the Klub we think we can safely say it is appreciated and is seen as an important position on the Board.

At the beginning of this article we mentioned we are beginning our ninth year, which will end our third term. What we did not say is: this will be our last year as Members-at-Large. We will not be putting our hats in the ring for an additional term. We have enjoyed holding this position, meeting members, getting suggestions and working with the other members of the Board.

We are looking forward to completing this last year and attending some rallies, continuing to be your voice to the Board.

FULLTIMERS CHAPTER

Russell & Kim Zapalac (26992)

Kim & I hope everyone is well. It was a busy summer for us and our Fulltimer members. Check out the Fulltimers' Facebook page and our members' various adventures. If you are not a member of the Facebook page it is easy to join, search NKK Fulltimers on Facebook and ask to join. You do have to be a Fulltimer Chapter member to join, but that is only \$6/year or \$18 for 3 years. You say you're not really a

Full-timer; we promise not to tell! We have lots of members that still have brick/mortar homes but spend (or try to spend) the majority of their time exploring this great land in the Newmar Coaches. **To join, just go to the NKK website, go to the bottom of the page, click on Fulltimers Chapter, and then towards the bottom of the document you will see a link to the Membership Application and Renewal form.**

At the beginning of the summer, we had a great time at our Annual Rally in Coalville, Utah. At our business meeting we elected two sets of new officers: Shelley & Chris Bagg as our new Vice Presidents and Pam & Todd Morgan as our new Secretaries. Ted Vigeant (our renowned Treasurer) was reelected.

Although many of you already know the Bagg's and the Morgan's, for those that haven't yet met up with them in your adventures. Chris is a retired IT leader, and Shelley is a retired elementary school teacher. They had lived in California for 22 years prior to moving into their New Aire and hitting the road two years ago. Both Chris & Shelley love being out "camping"; they both went to the same summer camps as children and that is where they met when they both worked as camp counselors in college. They have 2 grown children and love to visit them and all their friends across the country.

Todd's childhood ambition was to be a hobo, free to wander and discover new places. Now after 54 years of marriage, Pam & him are living a version of that dream through the full-time RV lifestyle which they've been doing now for over ten years. Pam moved from Ontario to Florida where they met in high school. Over the years, Todd built a career as a chaplain and pastoral counselor, while Pam served as a registered operating room nurse. After decades of work and family life, traveling full-time feels like the fulfillment of their long-held dream. Their daughter lives in Florida and son lives in Oregon, so their travels are bounded only by the oceans. They are blessed with five grandchildren and five great grandchildren. After hurricane season, they typically winter in Sarasota, Florida....so look them if you are down that way.

Catch up with Shelley & Chris and Pam & Todd on Facebook or at vicepresident.nkkfulltimers@gmail.com and secretary.nkkfulltimers@gmail.com. Ted can be reached at treasurer.nkkfulltimers@gmail.com.

So, what's NEXT? The Fulltimers' Spring Fling will be held in Natchitoches, Louisiana from April 12-19, the rally fee is set at \$100pp. If you haven't already, go to the NKK Website and register while there are sites available. You will also need to call Grand Ecore RV Park 318-238-7446 and make your site reservations (\$40.32/night).

We are close to locking the site for our 2027 Annual Fulltimers Rally. For your planning purposes, it will be October 1 (Friday) to October 8 (Friday...caravanning into International). The two locations we are looking at are both within 120 miles of the 2027 International Rally in Shawnee, Oklahoma.

Join the Fulltimers Chapter by accessing the application form from the Fulltimers web page at <https://newmarkcountryklub.com/fulltimers-chapter-membership/> or contact Chapter Secretary Sandi & Kent Gardner at secretary.nkkfulltimers@gmail.com.

Red Rock Rumble: Take your street-legal four-wheel-drive vehicle on guided trails through the rugged beauty of Moab, Utah. Don't have a Jeep or Bronco? Rentals are available, so you can still enjoy the adventure.

ARIZONA

JD & Heather Harris (26621)

Arizona State Directors

By the time you read this, we will have survived another "mild" Arizona Summer. Highs this year have been a moderate 117 degrees, and as it cools down, it is time to let our Arizona visitors head home. The snow drifts in the northern states should be building soon, and we wouldn't want our friends to get behind on their digging. Oh, my world is upside down!!!

For those of you heading to Arizona to brave our winters, feel free to look us up. **We are traveling around the 4-Corner states this fall and have plans for Quartzsite in January.** If you have been before, the Big Tent Opens on Friday, 15 January instead of Saturday as usual. If you are new to Quartzsite, register soon, as we are limiting this year's gathering to 75 coaches. It is a great time to camp in Newmar luxury, roughing it in the desert with no hookups, but plenty of connections. Nightly campfires, great food and good entertainment (movie night back by popular demand), plus hiking, crafts, 4-wheeling (Jeeps or UTVs). There is something for everyone.

In 2027, Region 1 is organizing a "Road to International." The Arizona State portion is 22-26 September 2027 (Wednesday-Sunday), in Page, Arizona. A chance to explore the Upper and Lower Slot Canyons, Horseshoe Bend and a lot of other exciting venues, on your way to the NKK 41st International Rally, in Shawnee, Oklahoma.

See you around the Kountry...

Outings being considered include Kartchner Caverns, Bisbee copper mine, Ft Huachuca museum, Mescal movie set; plus, other optional activities/sights in the area. We will have a few meals together and games to end our evenings. We plan to have our agenda finalized and registration details uploaded to the NKK website soon. Hope to see you there!

CALIFORNIA

Danny & Merri Estrada (22346)

California State Directors

Greetings from your California State Directors, Danny & Merri Estrada. It's the best time of the year to be here in Gilroy! Christopher Ranch, one of the largest garlic producers in the world, is harvesting all their garlic. We are lucky enough to live in the midst of this fragrant event!

Our California Chapters Presidents and Officers are in the process of planning rallies for the end of the 2026 year and the 2027 year. We are also planning our first-to-us, NKK California State Rally in May of 2027. So, we are starting our first year as State Directors, with a full schedule.

Region 1 Super Bowl Rally February 11-15, in Las Vegas, Nevada at the Oasis RV Resort.

California 49ers Rally April 19-23, in Pismo Beach, California at the Pismo Coast Village Resort.

California State Rally May 3-7, in Palm Desert, California at the Emerald Desert RV Resort.

We look forward to these rallies coming up and all the other rallies we will be able to attend along the way. It's all about the friends we know, the friends we will get to know and the places these great memories are being made!

We can be reached at castatedirectorsdm@yahoo.com D 408-410-9104 or M 408-410-9105.

Safe Travels to all!

We're planning great dinners, amazing breakfasts, seminars, games, plenty of time with friends, and of course, a few surprises! CALIFORNIA 49ERS

Bill & Janie Vlach (24678)

Presidents

Your California 49ers chapter officers have been growing--both in experience and in numbers! Shortly after wrapping up our first rally, we were able to add both a secretary (a very new NKK couple) and a dedicated treasurer (coerced out of retirement from a previous stint with the Golden Bears many years ago!).

If you haven't met them yet, you need to! Cathy Becker & Larry Markham joined the Kountry Klub less than a year ago but have already been to a few rallies. They are a fun couple and have enjoyed our Klub so much that they happily accepted when we asked if they would be our secretary!

And many of you already know Tom Reed. He is well known to the Kountry Klub and a great friend to many Klub members. He is often known to call a great Card Bingo game or two and we were super excited when he accepted our invitation to take over our Treasurer position.

So going into 2027, we have a full slate of officers who have quickly become a very cohesive and synergistic team. And, more importantly, this team really enjoys spending time together.

So now this team of seven is working on our next 49ers rally. The 32nd Annual 49ers Chapter Rally will be held at Pismo Coast Village in Pismo Beach, California, from April 19-23, and promises to deliver more great memories for all who attend. We hope you'll join us!

CALIFORNIA GOLDEN BEARS

Jeanette Covington (22743)

President

Hello Golden Bears family and friends, I am happy to say that we recently completed another successful Golden Bears rally. There was an exciting tour of the Kennedy Mine and an informational tour of the local Cal-Fire training facility. As always, the food and repeated traditional activities were fantastic. Most importantly, meeting our Newmar family and friends was the highlight of the rally. We were able to catch up on so many adventures. **Our 2027 rally will be announced after the first of the year.**

Here's to new experiences and safe travels throughout the coming year. Enjoy the festive holidays.

Until we meet again,

COLORADO

Chuck & Lynda Gumeson (22456)

Colorado State Directors

Greetings from a hot summer in Colorado! We are getting prepared for our state rally which will be held in the southwest corner of our state near the Four Corners region. **We are already making some plans for the state rally in 2027 where we will head back up to the central part of our state, near the town of Breckenridge.** You have no doubt heard of the ski area there and it turns out there is a lovely RV Resort only about 4.8 mile outside of town. We have made reservations to have a rally for 25 coaches at the Tiger Run Resort.

The rally will begin on September 29th and depart on October 3rd just in time to drive to Shawnee, Oklahoma for the 41st Newmar International. The distance between Breckenridge and Shawnee is 788 miles! Breckenridge is close to Frisco, Leadville, Cooper Mountain, Keystone and is really central to the beautiful mountains in Colorado. Stroll Main Street to pass colorful 19th century Victorian buildings, taste local spirits and visit breweries, catch a show or visit a museum, or ride the Breck Connect Gondola for awesome mountain views. Drive over to Vail which is about 35 miles west along I-70. Watch for more information later in the year.

Please reach out to us anytime you want some information about Colorado or if you just want to say "hi"! We can be reached by email, talk or text! chuckandlynda@gmail.com, Lynda's Cell: 303-907-8211, Chuck's Cell: 303-941-0907.

COLORADO

Tamara & Al Runyon (23389)

Presidents

We are writing with sincere regret to let you know that Alan & I need to step down as chapter presidents. As many of you know, Al has experienced a series of health-related setbacks, and his latest setback will require some time in a rehabilitation facility. Given the time and attention this will require, we are no longer able to fulfill the responsibilities of the Colorado Kruisin Aires president position.

We are asking for someone from the chapter to consider stepping forward and volunteering to serve as chapter president. The responsibilities are manageable, and with Lynda & Chuck available to help guide the transition, we believe the handoff can be smooth and straightforward. We would be deeply grateful for anyone willing to consider taking on this role and supporting the club during this time.

NEW MEXICO

Bob & Wendy Wilkerson (21964)

New Mexico State Directors

The minute we pulled out from the International Rally in Rock Springs Wyoming, we started the countdown to our rallies for next year. Ahh, the future! As you read this edition of the *Road Ahead*, New Mexico's future still includes the Balloon Fiesta and then the Chile Peppers' Atomic Rally in October.

So, after those great events, keep New Mexico in mind for your winter stays if you are running from the cold weather. Places like Las Cruces and Deming here in New Mexico offer a most pleasant alternative to other warm areas of the country.

Next year, we will again host the National Air Races and Air Show in Roswell as our New Mexico State Rally in September. The Air Races are a potential early arrival event for you Balloon Fiesta fans, and, since the Air Races and Air Show sold out within five days, next year we will double the spaces so that more of you may experience the thrill of the races and show. Check out this year's event at <https://airrace.org/>. You may contact us at NKKNewMexico@gmail.com anytime for information to reserve your spot for next year's National Air Races and Air Show.

In the distant future, we plan to take our 2028 New Mexico State Rally back into Indian Country for more of what life was and is for the Diné (Navajo) and Apache people. This will most likely be a caravan-type rally and is tentatively scheduled for August of 2028.

In the near future for us personally, we are off to see our Newmar buddies in Utah and Arizona, then a quick stop for an oil change before we head to Texas, Louisiana, Georgia, Florida, and then back to New Mexico and Arizona. We will soon have over 100,000 miles on our 2017 Ventana! So, what is the best way to enjoy your Newmar? Keep the wheels turning!

We'll see YOU on the *Road Ahead*!

We can be reached at NKKNewMexico@gmail.com, 505-428-8129 (Bob's cell), 703-627-1339 (Wendy's cell).

NEW MEXICO CHILI PEPPERS

Kris & Jan Schafer (23375)

Presidents

Greetings from the New Mexico Chile Peppers! We certainly hope everyone had an enjoyable summer travel season. We had a blast at the International Rally in June and have just finished up our fall travel with the New Mexico State Rally at the National Championship Air Races in Roswell, New Mexico; and our Manhattan Project Rally/Caravan, which took us to Los Alamos and Alamogordo. Both of these events sold out and were hugely successful.

For those of us who are not full-timers, and live in the high desert, it's time to think about winterizing. This means of course the inevitable trip to Walmart for 9 or 10 gallons of the "pink stuff". Our winters here in Albuquerque are so unpredictable these days, and generally seem to be getting much milder, but better safe than sorry. Sorry can be expensive!

Speaking of winterizing.... we will hold our annual meeting and luncheon on November 7 and will feature a presentation and discussion on how to properly prepare a coach for storage over the winter months.

Speaking of winter months.... we will use this "down time" to put the final touches on our 2027 activities. **Our annual chapter rally will be held June 17-21 at the beautiful Angel Fire RV Resort in Angel Fire, New Mexico.** This rally has been planned to coincide with the annual "Balloons over Angel Fire" festival, which is quite spectacular. We will also once again be adding some Chile Pepper "Hangouts" to the calendar. Our "hangouts" can be thought of as informal, low-cost get-togethers with no set itinerary. We like to do these in conjunction with special events taking place around the state. Head on over to the Klub Calendar for more information!

We want to wish all of our Kountry Klub friends a safe and joyous holiday season. ¡Feliz Navidad y Próspero Año Nuevo! from the New Mexico Chile Peppers!

We can be reached at NMChilePeppers@gmail.com 505-250-6555.

UTAH - NEVADA

Eric & Gayle Bruce (24020)

Utah - Nevada State Directors

There is a crispness in the evening air. This means Autumn is upon us. The trees in Utah and Nevada will be turning a golden yellow and fluorescent orange. This is going to be the backdrop for our last Newmar rally of the year 2026. **The Nevada Mother Lode Chapter Rally is November 9-13th. We are looking forward to staying at the Wine Ridge RV Resort in Pahrump, Nevada.** Wine Ridge has so many amenities such as two pools, one is heated seasonally. Rejuvenate in their spa. We are especially excited about their off-leash Dog Park and dog wash station. If you haven't planned a trip in November, consider joining us with the Mother Lode Chapter at The Wine Ridge RV Resort on November 9th.

Michele & Stephen Castle, our new Presidents of the Nevada Mother Lode Chapter have been planning many fun activities. While Cedar City will be showing its winter blanket, Pahrump will be the perfect temperature. We love going on the local Jeep Trails and seeing so many amazing sights. **The best part of a Newmar Chapter Rally is getting to visit with all the very special people who come to our rallies. They all bring wonderful experiences and stories to share.** We are looking forward to one last hurrah with our Newmar friends and family before we winterize our Ventana and snuggle in for a long winters nap.

UTAH PATHFINDERS

Jo Ann Lewandowski (24904)

President

Utah Pathfinders just had an amazing Rally held at Willow Wind RV Park, Hurricane, Utah. The Park was tree lined with attention to the height of each tree. The Park let us utilize their great Club House for the duration of our rally in September.

On opening day, we had a Chef from Southwest Technical College teach us the art of creating a magnificent Charcuterie Plate. Dinner was then provided by El Jimete Mexican Restaurant. Other food services were provided by Main Street Café, JJ Sandwiches, Utah & Nevada State Directors, and Lonny's BBQ. Food wasn't an issue at this rally. We have plenty to eat. The food was outstanding. Thank you to all the Vendors.

Activities included a well-maintained Ghost Town from the original Mormon Settlers and maintained by families, walking and eating in Springdale, Utah, some took a fast trip into Zion, Off-Roading, Slot Canyons, Arches, creative activities, games, and lots of fun with friends.

The Dinosaur Museum was very interesting. Most of the fossils found in the museum were found across the street in the active dig. We all hear about dinosaurs, and most have read about them. But to see the size in person and bones being unearthed take it to another realm. A must see on one's way through St. George, Utah.

We wish to thank St. George Jeeps for accepting our group into their Tuesday trip. We were able to explore mines, petroglyphs, make new friends, and get to see some great, open country.

Several local businesses presented their services for us RV'ers – On-Site mobile wash, Dixie mobile repairs, Bob Moses ceramic coatings, and even pet care on the road by one of Bone Appetit's shop managers.

It was a great time! **READY FOR MORE?.....HOLD THE DATE – May 16th – 20th. Great ADVENTURES are in the planning stages. More information to come. Don't miss this!**

SEE THE KLUB CALENDAR ONLINE FOR COMPLETE DETAILS AND CONTACT INFORMATION.

As your new Region 2 Directors, we would like to begin by thanking Terry & Terri Roberts for their leadership of our region over the past several years. We look forward to continuing the vision for growth within our region that the Roberts had set forth.

Thank You to All International Rally Volunteers

Region 2 showed up! Thanks to all who helped with parking, registration, games and countless other areas of service to our attendees. It is your dedication and enthusiasm that made this event so successful.

Looking forward, our 2027 International Rally will take place at the Heart of Oklahoma Exposition Center in Shawnee, Oklahoma. Planning is underway and the event will take place October 9 - October 16. We hope to see you there!

State Director Openings

Our time as Oregon State Directors was definitely one of the most rewarding and enjoyable parts of being in the Kountry Klub! We met so many wonderful people as we visited places around the state. The increased involvement that comes with serving as a state director multiplies the rewards to Klub membership exponentially.

If you are enthusiastic about the NKK and have an interest in representing your Region 2 state, we encourage you to consider this position. (Region 2 has six State Director openings—in Alaska, Idaho, Montana, Oregon, Washington and Wyoming). Don't worry; no particular experience is necessary, and we will be available to help you along the way in your new role. Feel free to drop us an email or give us a call to discuss this opportunity. Our contact information is at the end of this article.

How Do You Newmar?

Our Region 2 Facebook page is a great way to share your getaways with Klub members. We want to see your favorite RV parks, excursions that you take and even your bucket list destinations in Region 2. You may love or hate social media, but posting on the Region 2 Newmar Kountry Klub page is an easy way to share how you Newmar!

How to Reach Us

Please don't hesitate to contact us with any questions, comments, or suggestions that you may have. We can be reached at Region2Director@NewmarKountryKlub.com, 503-991-1895 (Linda), or 503-932-5444 (DJ).

As the campfire embers fade and the crisp autumn air moves in, we are reminded of why we love the Newmar lifestyle. It is not just about the destinations we reach, but the community we share them with. So, let's make these autumn miles unforgettable. See you at the next rally!

IDAHO GEMS

Walt & Teresa Huntsman (25518)

Presidents

Now that fall is here, we are beginning to turn our attention to our next rally and thinking about cooler temperatures and an end to fire season. In our rearview mirror is our 2026 rally, a small but mighty gathering at Teton Valley Resort in Victor, Idaho. The low-key rally was just the kind of gathering we like.

Our 2026 rally included a day trip to Wyoming's Teton Village. There, co-President (and co-pilot) Teresa decided it was as good a time as any to go paragliding for the first time. Rest assured, she landed safely.

Our goal when it comes to rallies is to rotate around the state. That means we are looking to hold our 2027 rally in the northern portion of

Idaho, which is also where the Idaho Gems rose from the ashes of the dormant Idaho Spudnuts chapter in September of 2024. No guarantees that our next rally will include opportunities for paragliding, but you never know. Stay tuned!

If your travels take you through the Boise area, feel free to reach out and we'll grab some coffee. You can reach us at huntsmanbiz@gmail.com. In the meantime, safe travels!

OREGON EXPLORERS

Wally & Melinda Bryant (27060)

Presidents

It's hard to believe that a few short months ago, many of our chapter members had the opportunity to attend Newmar's first Educational Academy in Bend, Oregon followed by our spring rally at the Bend RV Resort. At the rally, we visited a local alpacas farm, partook in our first ever motorcoach driving school, and enjoyed a Q & A with 4 (four) Newmar repr. and spent quality time with our amazing chapter friends.

About a month later, 13 coaches from Washington, California and Oregon met in Idaho and caravanned to Rock Springs, Wyoming for the International Rally where we met new friends, respected the altitude and wind, ate great food and attended many seminars. From there many of us traveled in different directions as we all worked our way back home or to the next rally.

Before we were able to remove all the Wyoming dust off the coach, we were back **planning the next rally. Our 2027 rally will take us to a historic town in the heart of Oregon's wine country, McMinnville, Oregon.** The downtown area is full of restored, turn-of-the century buildings reinvented as restaurants, wine bars and galleries. But even though McMinnville is famous for fine wines, it's also home to the Evergreen Aviation & Space Museum (where the Spruce Goose is resting) and an annual UFO festival. We will be staying at the Olde Stone RV Resort, within walking distance of the museum. We are currently working on an action-packed week of fun, socializing and adventure.

The rally will be May 2 - 6, at the Olde Stone RV Resort and will officially be announced to chapter members when we go live on the NKK website. If you haven't already become a member, consider joining us so you're the first to get our rally announcements.

If you have any questions about the rally or our chapter, please contact: Wally & Melinda Bryant at: nkkoregonexplorerspresidents@gmail.com

Looking forward to seeing many of you at our **Oregon Explorers Chapter rally in May!** Safe Travels...

EVERGREEN AIRES

Kay & Spike Kramer (18573L)

Presidents

Congratulations to DJ & Linda Thommen on their recent selections as our Region 2 Directors, they will be a good fit for our region. The Evergreen Aires will be here to support you in any way we can. They are replacing Terry & Terri Roberts.

Our Evergreen Aires Rally was held at Hells Canyon RV Resort in Clarkston, Washington on 13-17 September including an optional jet boat trip into Hells Canyon.

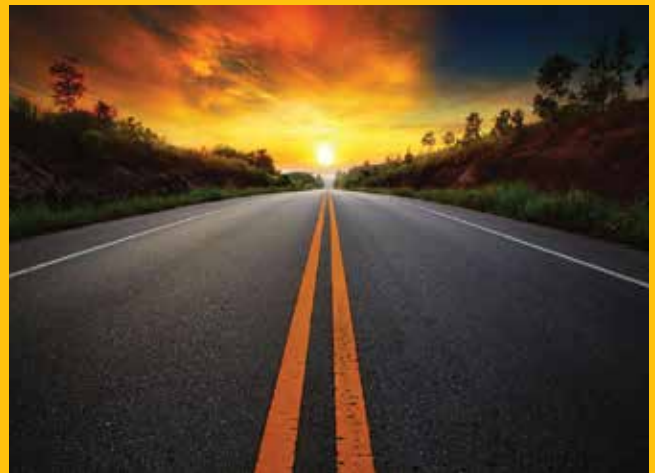

Once the smoke clears from all the wildfires this summer, more than 770,000 acres have consumed so far in 2026, people will be cleaning up, rebuilding, and readying for the winter season to start.

As we move further into fall the annual migration of "Snowbirds" will be heading south for the warmer weather. Preferred locations are mainly Arizona, California, Nevada and Texas.

The most pressing thing the Evergreen Aires chapter is facing is the possibility of shuttering the chapter. Kay & I will not be seeking re-election as Chapter Presidents, our Secretary and Treasurer, Dave & Diane Dickson will be leaving the Newmar Family also that just leave the chapter with a Vice President. Therefore, unless we can get some **volunteers to step forward to fill these three positions**, we will be required to close the chapter on 1 January 2027. If anyone is willing to step forward to fill these positions, please let Kay or I know at the below listed numbers or email or contact the Region 2 Directors DJ or Linda Thommen at Region2Director@NewmarkCountryKlub.com or 503-991-1895 as soon as possible.

If you're a snowbird or visiting the Yuma area during the winter months, we host a monthly Newmar owner luncheon (November–March) at the Golden Corral at 590 E 16th St, Yuma, AZ 85365 on the first Tuesday of the month from 1200 to 1330, please drop in and say hello.

If you need to contact us, we can be reached at 360-633-0722 or at spike_kramer@msn.com or kaytel1@msn.com.

KANSAS

Randy & Anna Landreville (21928)

Kansas State Directors

GREETINGS FROM KANSAS! We were so sorry to have missed the International Rally as we had to get to Washington State to be with my wife's mother for her 88th Birthday. (Family comes first).

On the way back we were 72 miles away from home when we had catastrophic engine failure again. (Twice in less than 2 years). So, we rented a camper for the Dual State Rally, and we felt so ghetto with it next to all those beautiful Newmar motorhomes!

The Kansas Kountry Sunflowers have been going strong. We had an awesome Dual State Rally with Missouri. Bob & Mary Sue Briggs are two of the most amazing people you will ever have the pleasure to meet or work with. Since most of you missed it, we had a tour of the Eisenhower Presidential and military museum. That man went from a Colonel in 1941 to being a 5-Star General of the Army in 1944! We fed those at the rally very well and were able to keep everyone busy with all the attractions in the local area.

The Sunflowers had a rally at the Triple J RV park in Russell, Kansas. The rally was held in August. Since we had a blown engine with our coach in the shop, we did not attend. They also had a rally in

At the time of writing this article, it is 95-100 degrees every day.

*The AC hums a frantic song,
It has worked on overdrive way too long.
The electric meter spins so fast,
I think it might explode at last!
Our bank account begins to weep.
Why can't cool air be free or cheap?
We are broke and sweating through our shirts,
And contemplating living in dirt.
The heat is bad, the raindrops are few.
But we still love our RV Life –
How about you?*

We had 16 coaches attend at our joint Kansas/Missouri State Rally (Christmas in July) in Abilene, Kansas. Loads of fun, lots of gifts and it was HOT! But even Santa showed up.

It is getting difficult to find campgrounds that have a pavilion or rally room that will hold reservations for months. We were lucky to be able to reserve spaces at Worlds of Fun in Kansas City for our Mid-MO Wanderlusts Chapter Rally in October. Unfortunately we had to cancel due to health concerns. **Watch for a Spring Rally in 2027.**

We will work with any Mid-MO Wanderlust Chapter Member to plan a rally. Please mark your calendars for the 2027 International Rally being held in our region. It will be held from October 9-16 in Shawnee, Oklahoma.

Wow! Where has the summer gone. We are so looking forward to cooler weather, if there is any to be found, Oklahoma certainly does not have that. Fall is a great time to get out and chase the elusive cooler weather that we are longing to see along with the changing of the leaves, pumpkins and a good s'more around the campfire. Fall is also the start of football season and tailgating. We hope that if football is a part of your fall routine you enjoy following your team and enjoying the time with family and friends.

At the time of publication, the Two State Rally with Louisiana and Oklahoma will be in the books. We met at Catherine's Landing in Hot Springs, Arkansas in September and spent several days seeing the sights, good meals, playing games, and making new friends. So fun to just sit around and spend time with fellow Newmar owners and a few guests. The Elliott's and Jones' hope you all had a great time and thank you to all that attended. If you haven't had a rally with a different state, try it! It is a lot of fun!

Mark your calendar and save the dates April 27 to April 30, 2027, for the Oklahoma State Rally at KOA in Sallisaw, Oklahoma. The rally has been posted out on the NKK Calendar. More information about price and activities will be added later in the year as we are still in the planning phase but wanted to let you know so when planning 2027 you can add this to your travel plans. We do know we will be heading to Fort Smith, Arkansas (short drive) to check out the new US Marshalls museum and all the history in the area. We are excited about this rally and hope to see you there. Please consider registering for this event.

Also be on the lookout for Okie Chapter Events coming soon. The Okies always look forward to the Christmas party and a very competitive Dirty Santa. Also, the chapter is looking at an early chapter get together in the first quarter of 2027.

In your travels be sure to check out any Newmar Kountry Klub events along the way. These rallies are a great way to learn about other parts of the country, different foods and who knows you might make a return trip to the area.
Safe travels to all.

Region Directors

Steven & Laurie Lindberg (17351)

Across our north central states, October, November, and December bring shorter days, earlier sunsets, cooler weather, and the close of another RV rally season. As nights grow longer, temperatures drop, and snow begins to cover the roads, our thoughts turn to the holidays and the travel season ahead. While many motorhomes are parked and

winterized—or already headed south for warmer climates—this is the perfect time to begin planning for 2027 rally events.

As you plan your 2027 travels, consider adding a chapter, state, or region rally to your schedule. Rallies are a wonderful way to reconnect with friends, meet new members, share ideas, and enjoy the fellowship that makes RV travel so rewarding. Whether you stay close to home or travel across the country, your participation helps keep our RV community active and strong.

- Watch for upcoming 2027 rally dates.
- Mark your calendar early.
- Invite another member to come along.

Chapter, State, and Region Directors are already planning rallies throughout Illinois, Iowa, Minnesota, and Wisconsin. Their work includes reserving campgrounds, reviewing venues, and creating opportunities for members to gather in both familiar and new locations. These rallies give members the chance to camp across our region, explore new places, and enjoy the natural beauty close to home.

Although the RV rally season has ended in our region, the road ahead is still calling. In October, we will travel to Sevierville, Tennessee for the Region 5 Rally, followed by the Christmas in Branson Special Event in November.

“Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did do.” – Mark Twain

We can be reached at our new email address: Region4Director@NewmarkCountryKlub.com or call/text Steve 218-340-5772 or Laurie 218-417-0013. We would love to hear from you.

The Wisconsin Northern Aires had a Chapter Rally in August at Country Roads in Lake Delton, toured the International Crane Foundation and had a boat tour of the Upper Wisconsin River. The Wisconsin State Rally at the Village Inn on the Lake in Two Rivers, Wisconsin was held on September 16-20. **Campground reservations and planning are taking shape for the next year's State Rally for July 22-26.** Watch the NKK website Klub calendar for more details to come.

MINNESOTA

Mike & Dawn Clark

Minnesota State Directors

What a summer this has been! The Minnesota Loons Chapter sent us to Owatonna, Minnesota for some great site seeing and events. Then the Minnesota State Rally, held in Isle, Minnesota was relaxing and active at the same time! We enjoyed local events and museums as well as a pontoon ride on Mille Lacs Lake on an unheard of calm sunny day!

As we plan for 2027, our Minnesota Loons Chapter is hosting a Rally, June 3-7 at Trails RV Park, located in north central Minnesota four miles north of Walker in the Chippewa National Forest. Plans are underway for their second annual Hot Dish Contest, Historical Society tour, Paul Bunyan tour, and more.

The Minnesota State Rally will be held in August. (Date to be determined) We are heading to southern Minnesota to visit New Ulm. New Ulm was founded in 1854 and named after the city of Ulm in the state of Baden-Württemberg in southern Germany. Have any German Heritage? We will visit the Cemetery, famous Historic locations and houses, the Minnesota Music Hall of Fame, enjoy the music and story at the Glockenspiel and maybe take a tour of the second oldest Brewery in the country, Schell's. We'd love to have you join us!

As always, look for more information on the NKK website or in the next Road Ahead publication.

I'm sure some of you are heading south soon, Mike & I will be able to spend more time away from the snow this winter as we have just retired! Maybe we'll see you at the Balloon Fiesta in New Mexico or somewhere in Florida or Minnesota.

Safe travels.

REGION 5

AL, FL, GA, MS, NC, SC, TN, VA

Region Directors

Mike & Beth Klingele (21290)

Hello from Region 5. Wow, where did summer go? It seems like it was just yesterday that we were enjoying those long summer days at the International Rally. Well, that's come and gone and here we are in October. Region 5 has been so hot this summer (referring to temperatures) that everyone seems happy the cooler days of fall are here. Beth & I hope everyone had a wonderful summer full of memorable

RVing experiences. Check out the NKK Calendar, take advantage of the many events offered and enjoy even more memorable RVing experiences.

As this is written, we are putting the finishing touches on the Region 5 Rally. We are pleased with how the rally is shaping up and believe it will be "worth the diesel." And at today's fuel prices, that making quite a claim! The rally "is what it is" in large part due to the great support we get from our service providers and vendors. Newmar continues to provide great support to the Klub – to all of us - with the maintenance techs and service writers they are sending. NIRVC, Spartan, CLR Products, Magne Shade, MASA, Kleen Tank, SkyMed, SkyMed Travel, Wood Design, Freightliner, FL Glass Repair, Elkhart Satellite, Advanced Mobile Detailing, Oasis and the NKK Office with the Retail Store are all making time in their busy schedules to come to us – to support us! Additionally, The Ridge Outdoor Resort is going above and beyond to make our on-site experience exceptional. Beth & I cannot thank these providers enough for the sacrifices they make to take care of all of us. Please let them know how much we appreciate their support every chance you get.

Be sure to check out all the fun activities our Region 5 States and Chapters are offering. There truly is something for everyone. **We also ask you to consider helping out in a leadership position or host/cohost an event.** It may seem a little daunting, but you'll have plenty of wonderful folks by your side to ensure your success. The members who graciously give us their time and effort keep the Klub rolling.

Safe travels. We can be reached at nkkregion5directors@gmail.com, Mike's cell 850-797-2701, Beth's cell 850-797-5991.

FLORIDA

Donna Jones & Bill Stanley (20599)

Happy Fall Y'all! We actually got to experience Fall this year, but not in Florida. We headed north in July to locate a cooler area to stay and enjoy. We ended up in Williamsburg, Michigan, at Traverse Bay RV Resort. When we arrived, we had a few days with temps in the low 90s, but nothing like the high heat-index temps in excess of 100 degrees in Florida. We were able to play pickleball in August and September and cozy up to a campfire to warm up a bit at night when the temps dropped into the 50s. We also enjoyed just sitting outside enjoying the comfortable weather and scenery. Traverse Bay RV Resort spans 150 acres of beautifully landscaped trees, ponds, meadows, and oversized, exclusive sites. Amenities include a resort-style heated pool and hot tub, fitness center, pickleball courts, and a dog park. Laundry facilities and card rooms are also available.

There is so much to see and do in this area and a little farther in the UP. Traverse City has a Cherry Festival, and Mackinac Island, a car-free island that you get to by ferry, is a must-see. Then there is Sleeping Bear Dunes, which overlooks Lake Michigan, Pictured Rocks National Lakeshore, Earl Young Mushroom Houses, Soo Locks, and so many more places. There are lighthouses, beaches, and waterfalls to see. Also, there are many wineries and bike trails. There is something for everyone to enjoy.

The Florida State Rally has been scheduled for April 7-11, at Waterside RV Resort in Sebring, Florida. Registration is now available online at newmarkcountryklub.com.

As you are traveling, look on the NKK website to see if there is an NKK Rally in the area where you are. You do not have to be a member of their chapter to attend, but you do have to register on the NKK website. We enjoyed attending the Michigan State Rally and a Lake Erie Drifters Rally this year.

FLORIDA MANATEES

Diane & I have been pretty busy since the International Rally. We have managed to visit family and friends, eight National Parks and many other sites and cities in California, Oregon and Washington. As we started back to Florida, we enjoyed going to the Oregon State Rally.

The Manatee Rally is scheduled for October 20-23 at Sweet Citrus Acres, Crystal River, Florida. Information and registration are on the NKK website. We hope to see you there. For chapter or rally information, please call me or Diane.

FLORIDA PELICANS

The Florida Pelicans are flying all over the country this summer. Here's what we have planned for them when they head south for the winter. **Our Welcome Back Rally, November 4-7 is at The Surf RV Resort in Palmetto, Florida.** The Surf is a first-class resort with a lot of amenities on site, and

we have plans for offsite activities as well. Next is our **Holiday Luncheon on December 3rd at Laguna Caribe**. Our Hosts and the Chef at Laguna Caribe have come up with a great menu and as always, we will have our gift exchange. Sites are discounted if you would like to stay a few days. Next, plans are in the works for **the Strawberry Festival Rally at Lazydays in Tampa for March 8-12**. Also, our most popular event, the **Monthly Luncheons will of course continue** when our Nutritional Professional (Susan Duchesneau) returns to town.

FLORIDA EMERALD KOAST SANDPIPERS

The Sandpipers have been on the move this summer. Our members are visiting other regions' rallies, traveling Route 66, caravanning to Alaska and just enjoying the summer. A few of our favorite campgrounds are Kings Holley Haven in Pigeon Forge, Tennessee, for the closeness of Cades Cove and being off the beaten path. Another is Willow Tree Resort in Long, South Carolina, near Myrtle Beach. They have a beautiful lake with a walking path around it and bicycle trails. They decorate for all the seasons, especially Halloween. And of course, The Ridge in Sevierville, Tennessee, is a favorite also.

One trip that is popular with our members and many others is a trip to Michigan and all the great stops along the way, including the UP, Mackinac Island, the Soo Locks, and Petoskey Rocks. This is a trip everyone needs to make at least once. The Sandpipers will be on the **move November 16-20 to St Augustine, Florida** for our Happy Holidays Rally and then on **February 7-11 to Orange Beach, Alabama, along with the Dixie Aires Chapter**, for our Mardi Gras Festivities Rally.

FLORIDA SEA TURTLES

Louise & I stayed close to home here in central Florida, enjoying our summer weather (NOT!). Thankfully, we will be heading out this fall, starting with our Region 5 Rally in October, on to Nappanee for some rescheduled coach work and then we will work our way back to Florida for two Sea Turtle Rallies in December.

When we travel, we enjoy staying overnight at various Harvest Host locations. We find that museums have some of the best overnight parking, and of course, we get to spend time touring the museums themselves. Some of our favorite sites include, Big Daddy Don Garlits Racing Museum in Ocala, Florida, (no hookups); Tallahassee Auto Museum in Tallahassee, FL, (no hookups); Keystone Truck and Tractor Museum outside of Richmond, Virginia, (power, water, dump station), and The Auburn Cord Duesenberg Automobile Museum in Auburn, Indiana, (50A power). Each of these locations offers multiple night stays and if you enjoy classic cars, race cars, trucks, and all the associated memorabilia, we highly recommend visiting these locations.

Come join us at one or both of our rallies! We will be at the Surf in Palmetto, Florida, starting December 7th and then at Sun Outdoors (formerly Compass RV) in St. Augustine, starting December 14th. You can find more information and register on the NKK website Calendar of Events.

Reach out to the Florida team if you need information on the Florida chapters or events. We will be happy to talk to you.

Wayne & Carole Keith (21740)

Mid-South Tri-State Directors

Carole & I are in the final planning stages for our Mid-South Tri-State Rally at Winding Waters RV Resort in Cartersville, Georgia. We have worked closely with the Cartersville Museums to schedule fantastic places to visit. We also plan to spend some time in Mississippi after the Dixie Aires rally planning for 2027.

ALABAMA DIXIE AIRES

Henry Blankenship reports that Mary is doing better after her fall, surgery and rehab. Some not so good news, Gary Smith is not doing well. Please keep him and Wanda in your prayers and drop them a line from time to time. They were an active part of NKK for over 20 years.

Norm & Shielah Scheurich report that the **Alabama Dixie Aires are finalizing their October musical history rally being held in Muscle Shoals, Alabama**. It blends deep roots in blues and spirituals with the soulful magic of Fame Studios and Muscle Shoals Sound Studios. They will kick off their rally with a dinner and movie documenting the musical history at the Tourism Bureau followed by a tour of both active studios the next day. They will also tour the birthplace of Helen Keller, the church she attended with her family and a special tea and Quilt show at a historic Jeffersonian-style plantation house. The final day will include a visit to the Key Underwood Coon Dog Memorial Graveyard, one of the most unique attractions in Alabama and a piece of local history you truly won't find anywhere else.

GEORGIA PEACH STATE KRACKERS

Tom & Elaine Mauldin report that they just returned from an outstanding PSK rally hosted by Brian Adamo & Lisa Gert with co-hosts Michael & Nichole DePietro. They have set the bar high for future PSK rallies. A new Peach State Kracker's logo designed by Lisa Gert was unveiled at the rally. In addition to food, fun, fellowship and activities, attendees could visit numerous Georgia Farm Bureau Certified Farm Markets which included vineyards, orchards, creameries, and country markets. Now the search is on for our 2027 rally location in Georgia. If you have suggestions, please contact Tom.

Please welcome our new PSK members, Rick & LeAnn Nobregas, who joined at the PSK rally. Marcia & Micky Wendel are no longer travelling, and Marcia has resigned as PSK Treasurer. We thank her for the excellent job she did keeping the bank account and dues payment records straight. Secretary Elaine will assume Treasurer duties until the next election. Vice President George Underwood will step down at the end of 2026. We thank him for his service as VP. Tom & Elaine have agreed to continue for one more year as President and Secretary/Treasurer, if elected.

Safe Travels and God Bless. Your Mid-South Tri-State team can be contacted at:

THE CAROLINAS (NC/SC)

Gene & Grace Failmezger (24205)

The Carolinas State Directors

Hello to all our Newmar friends. Grace & I have been busy enjoying life hanging out with our Newmar friends at many rallies this year. Servel examples are the International Rally in Rock Springs, Wyoming, the Kentucky Derby Rally in Elizabethtown, Kentucky, the Carolinas State Rally

in Myrtle Beach, South Carolina and the Mayberry Rally in My Airy, North Carolina. These were fantastic opportunities to catch up with so many of our lifelong NKK friends.

As one can see from our trips this year, the Newmar Kountry Klub is an excellent way to keep up with long lasting friendships. Sometimes we all struggle together to assist a member in need and then we all enjoy the successes that our combined knowledge has been able to achieve. At other times we simply sit and chat about all the wonderful places we've been to and all the great times that are to come. The Klub provides us with the mechanism to realize these friendships and fully utilize them.

Grace & I are excited to attend the upcoming Region 5 Rally in Sevierville, Tennessee. We have service scheduled with Newmar Techs and with ITR (Oasis). And this is only a small example of all that will be going on there. And let's not forget the South Carolina/North Carolina Christmas at the Beach Rally. This rally is a time-honored tradition and this year is its 32nd anniversary. Grace & I have attended this rally every year and can't wait to be back this year. A good time is always had by all that attend. Come visit with Grace and I and we will be sure to tell some entertaining NKK stories.

NORTH CAROLINA TARHEELS

Hello from the North Carolina Tarheels. Get your reservations in for the **Christmas at the Beach Rally, December 7-11 in Myrtle Beach, South Carolina**. We'll have a lot of fun, good food, and look forward to meeting new people and seeing our friends.

SOUTH CAROLINA PALMETTO PALS

The South Carolina Palmetto Pals were well represented at the Carolinas Rally and the North Carolina/Virginia/South Carolina Mayberry Rally. **Be sure to join us for our South Carolina/North Carolina Christmas at the Beach Rally in December** – another "friends and family" rally. We wish everyone a great fall with safe and fun travels.

The Carolinas team is here for you.

TENNESSEE

Bill & Angela Mannion (19246)

Tennessee State Directors

Greetings from the Volunteer State. Today. We learned of the passing of Dolly Parton, one of Tennessee's most famous artists. Besides her award-winning recordings, films and performances, she has given millions of books to school children and provided millions of dollars to other charities. Come to Tennessee and visit Dollywood! You won't regret it!

We are looking hard at Chattanooga for next year's Tennessee State Rally. We were there three years ago, but there's so much more to see and do. We are thinking about a Civil War themed event as the Chickamauga Battlefield is nearby. The rally will take place May 24-28. Pricing and campground info will be announced later.

TENNESSEE VOLUNTEER KRUISERS.

Cruising the Heart of the Smokies - the Tennessee Volunteer Kruisers and Dolly Parton. As we say here in Tennessee, hitting the open road is about more than just finding a beautiful campsite. It is about community, camaraderie, and celebrating local heritage. No group embodies this spirit quite like the Volunteer Kruisers. Known for rolling through the

scenic landscapes of the Volunteer State, this close-knit chapter has long shared a deep, rhythmic connection with East Tennessee's ultimate icon: Dolly Parton.

For a Tennessee-based RV chapter, the Great Smoky Mountains are the ultimate playground, and Dolly Parton's massive footprint in Sevier County serves as a natural anchor for our travels and adventures. Over the years, the Volunteer Kruisers have frequently integrated Dolly's premier attractions into our rallies.

During our rallies, members regularly go to Pigeon Forge to experience the spectacular Dollywood and Dolly Parton's Stampede. Combining world-class entertainment, horsemanship, music, and a traditional Southern feast, the Stampede and Dollywood continue to serve as a centerpiece event where Klub members gather to swap stories and renew friendships. The connection between Volunteer Kruisers and Dolly Parton goes beyond simple tourism; it is rooted in a shared philosophy. Dolly famously advised, "If you don't like the road you're walking, start paving another one." Her drive to create joy and help others aligns perfectly with the Kruisers' spirit and sense of adventure.

Whether we are parked around a glowing fire pit or singing along to "9 to 5" on the highway, the members of the Volunteer Kruisers keep Dolly's joyful, generous spirit alive. For these highway travelers, the road always leads back to the mountains, the music, and the timeless legacy of Tennessee's favorite daughter.

From your Tennessee team, take care everyone and hope to see you on "The Road Ahead."

VIRGINIA

Michael & Sharon Vreeland (20733)

Virginia State Directors

I suspect everyone has been enjoying the summer and RVing. It's been a laid-back summer for us, guess that is what being retired is all about.

Sharon has been working part time, and I have been playing video games and researching recipes. I enjoy cooking and have found a great hamburger recipe that is so good it needs to be shared. It has become the only way I make hamburgers. Do a Google search on "crack burgers" and make them. You will not be disappointed.

I have been finalizing the Virginia State and Virginia Wheels combined rally being held in Bristol, Virginia. This combined rally will be held at the Thunder Mountain Campground in Bristol, Tennessee. We are looking forward to this rally and spending time with our fellow Wheeler's.

It is also getting time to start planning for our annual migration south. I will address that in the next article. In the meantime, enjoy the rest of your summer.

Safe travels to all and Happy RVing.

REGION 6

IN, KY, MI, OH, WV

Region Directors

Chuck & Michelle Steenwyk (20036)

Here we are in FALL already and winter will soon be knocking on the door. So, for now I am dreaming of pumpkins, apples, gourds, cinnamon & spices, a good steaming hot bowl of homemade soup and a fresh loaf of bread, and of course the beautiful changing leaves on the

trees up here in Michigan! We feel very blessed up here to be able to experience all the changes in landscape and produce options during the four seasons Michigan has to offer.

During the entire month of August, you would have found us at the Hudsonville Community Fair. Chuck has been on the board for over 27 years now! We were extremely busy setting up the barns and exhibits in several of the buildings. During the week of the fair Chuck was on the parking committee, while our son Brad, who is on the board also, focused on the commercial booth space area and entrance gates.

We are currently working on a Newmar Special Event! PURE MICHIGAN. This three plus week event is tentatively being planned for June of 2027. We, along with our cohosts Mike & Beth Klingele, are busy putting the final touches on this event. Stay tuned to the Newmar Kountry Klub website and *The Happenings* email newsletter for more information on this and other events.

We are looking forward to attending the Region 5 Rally with Region Directors Mike & Beth Klingele in early October. It will be interesting to experience another region's food and rally activities. We know that we will be seeing many people we have already met along the way and meeting lots of new members and expanding our friend base during the rally. We encourage everyone to branch out and visit any region and attend any rally that has availability!!

We would like to take a moment to thank EVERYONE who volunteered at or hosted a rally this year. We could not do this without the help and support of all of our dedicated volunteers! THANK YOU!

Since this is the October/November/December issue of the magazine.... we hope all of our snowbirds made it to their winter destinations safely, that everyone has a blessed Thanksgiving with friends or family, and that you all have a very Merry Christmas and a Happy New Year!

NH, NJ, NY, PA, RI, VT

Region Directors
Steve & Joanne Wyble (22701)

Greetings from Region 7! This is a bittersweet time as we realize that this is our last article for *The Road Ahead*. It has been an honor and privilege to represent Region 7 for the past 4 ½ years. During that time, we have been in places and done things that we never would have otherwise. We also made great friends from all over the country. Overall, we treasured the experience. We look

forward to many new experiences with the Klub in the coming years.

Since International it has been a whirlwind with the New England State Rally in Boothbay, Maine, Lakers Rally in Bath, New York, Penn's Friends Rally in Catawissa, Pennsylvania, and as we write this, we are heading to our rally in Washington, DC.

We were very fortunate that some great candidates stepped forward when we announced that we were stepping down. As you may have read in a recent "The Happenings" Jim & Donna McAllister will be taking over the position starting in January. They have been great leaders of the New England States for many years as well as being team leaders supporting us at every International. It is very reassuring to know that the region will be in such great hands.

May your travels be safe and blessed. We can be reached at NKKRegion7@gmail.com; Steve: 585-721-0868; Joanne: 585-721-0869.

NEW YORK LAKERS

Dave & Karen Woodward (24341)

Presidents

Greetings from Western New York. The Lakers just held our Chapter Rally at Hickory Hill Camping Resort in Bath, New York. We had a great cross section of NKK members in attendance from Oregon to Pennsylvania and New York.

The Lakers are looking forward to our next Chapter Rally May 21-23. Make sure you register for this rally. There are many things to do and see in the Western New York area: Letchworth State Park, also known as the Grand Canyon of the East, Rochester Lilac Festival with over 500 varieties of Lilacs and the George Eastman House. This just touches the iceberg of things to do and see.

Between now and May we will schedule a few Luncheons. If you would like more information on the Lakers activities you can contact me at: diwoodward@frontiernet.net, 585-219-7144.

PENNSYLVANIA

Duane & Lucy Hernley (25889)

Pennsylvania State Directors

Pennsylvania had a busy rally and travel season in 2026. Our state is served by two outstanding NKK groups—Penn's Friends and West Penn Travelers—which divide the state geographically and host rallies early and later in the season. With nearly full crossover between the groups, we truly function as one large Klub across a sizable state.

We (State Directors) also took the opportunity to extend an invitation to join International by caravanning together to Wyoming. Five coaches traveled together from Erie, Pennsylvania to the Sweetwater Convention Complex in Wyoming. It was a wonderful opportunity to create bonds and explore locations together. **There are now plans being formulated to travel from Penn's Friends 2027 Rally to the International Rally in Shawnee, Oklahoma. This would leave October 1 and arrive October 9 in Shawnee, Oklahoma.**

As the leaves fall and our Newmars are heading south or being tucked away for winter, let's all take some extra time to reflect on all the wonderful people and places we have interacted with this year. We are blessed to have this unique way to travel and bond with people and nature; let's continue to make the most of it!

We can be reached at dlh62409@gmail.com or 717-689-0335.

PENN'S FRIENDS

Randy & Vikki Hower (24685)

Presidents

I hope everyone had a great summer. As I am writing the article, we just finished up with a great rally at J&D Campground in Catawissa, Pennsylvania. We toured The Jackson House Mansion and Carriage House, as well as Bill's Old Bike Barn in Berwick, Pennsylvania. We were two miles from Knoebels Grove Amusement Park, and many attendees spent some time at that beautiful park.

We enjoyed a fun afternoon with a great bunch of ladies making a bracelet and a gnome. Most importantly we enjoyed being together.

This year we are adding a new event to our chapter agenda. Save the date of December 8th for a Christmas luncheon at Shady Maple. Please sign up for this event on the NKK website. Hopefully a lot of you will be able to attend.

Our rally date for next year is September 27th to October 1st. The location has not been set at the time of this article, but this date is planned prior to the caravan to International. Mark these dates on your calendar and plan to join us.

We can be reached at ruahunter@hotmail.com, 717-821-3626; or vhower54@gmail.com, 717-813-0605.

WEST PENN TRAVELERS

Greg & Linda Giles (26274)

Presidents

Following a successful 2026 rally in Erie, Pennsylvania, the WPT Officers are excited to start planning for our 2027 rally. We did have some changes. After four years of support in the Vice President roles, Ron & Deb Leofsky stepped aside. Leslie Wiernik also stepped aside from her role as chapter Secretary. Ron, Deb, and Leslie did a great job at their roles and they were awesome mentors. We are fortunate that Ted Vigeant continues to be our treasurer. Thanks, Ted!

During the rally Don & Carol McDowell and Roxann Yon graciously volunteered to accept the Vice Presidents and Secretary chapter positions, respectively. Thank you for accepting these roles – the chapter is in good hands moving forward.

The new team met both during and after Erie to start planning our 2027 rally. We established a list of campgrounds to research over the summer, and **we hope to choose a rally site early this fall. Once that's been established, we will work with the campground to schedule the WPT rally for the first or second week of June.** We will communicate the rally dates and campground location once these are finalized. We're excited for the 2027 camping season.

We can be reached at smgha445@gmail.com, 814-321-8589.

Old town Vegas is a bustling place with street performers, entertainment of all kinds and so much more. You'll get to experience this from a bird's eye view seven stories up riding the SlotZilla, an amazing zipline that flies over historic Fremont Street under an incredible LED screen.

The best is yet to come as you climb through the window and strap into the driver's seat of a genuine NASCAR race car at the Las Vegas Motor Speedway for a once in a lifetime experience! That's right, YOU drive a real NASCAR race car on a real NASCAR speedway! We'll slow down the pace and let you catch your breath as we tour Hoover Dam. Cancellation and Refund Policy for Special Travel Events and International Rally

Significant financial commitments are made in the planning for Special Events to secure reservations and services for the benefit our members. To reduce the impact of cancellations on the Kountry Klub and fellow members, the following Cancellation and Refund policy applies to all land-based Special Events. Cancellation requests must be made in writing via email to the Kountry Klub Office kountryklub@newmarcorp.com.

A \$100.00 per person cancellation fee plus a portion of the event price will be charged anytime an event registration is cancelled.

- For reservations cancelled 150+ days prior to the start of the event, you will receive a full refund less a \$100 per person cancellation fee.
- For reservations cancelled 149-90 days prior to the start of an event, you are responsible for 25% of the event price plus \$100 per person cancellation fee.
- For reservations cancelled 89-30 days prior to the start of an event, you are responsible for 50% of the event price plus \$100 per person cancellation fee.
- For reservations cancelled 29-15 days prior to the start of an event, you are responsible for 75% of the event price plus \$100.00 per person cancellation fee.
- If cancellation is made less than 15 days prior to the start of an event, you are responsible for 100% of the event price and there will be no refund.

Cancellation Policy For Region, State/Provincial and Chapter Rallies

Due to the large number of late cancellations, the Kountry Klub has experienced significant financial losses from non-refundable commitments made during the planning stages. A new Region, State/Provincial Rally "Cancellation Policy" is being implemented.

- 1) An administrative fee of \$10/person will be charged. This fee will cover costs associated with processing your rally registration and will be included in the rally fees as advertised.
- 2) Members who register for a rally and then:
 - a) For whatever reason, cancel a minimum of 35 days prior to the start of the rally will receive a full refund, less the administrative fee of \$10/person.
 - b) Cancel 34 to 8 days prior to the start of a rally will be charged for any non-refundable commitments made on your behalf in addition to the \$10/person fee.
 - c) Cancel 7 or less days prior to the start of a rally will receive No Refund on any portion of the rally fee paid.
- 3) Members who register for a rally and do not advise the Hosts that they will not be attending will receive no refund.
- 4) All refunds will be made at the conclusion of the rally.

PLEASE NOTE: Planning any rally requires long-term organization. Many service providers require non-refundable financial commitments. Because these deposits and financial commitments are often made well in advance of any rally, this policy becomes a necessity.

IMPORTANT INFORMATION

We have recently launched our new Kountry Klub Database. To help us make sure your information is correct, when registering for events or renewing your membership, you will need to provide your Kountry Klub membership number and your coach unit/serial number to complete the online transaction.

Your Klub membership number is on the membership card you were provided when you joined the Kountry Klub or the new card sent to you after each renewal. If you subscribe to the Klub magazine it is on the mailing label on the back cover of the magazine. If you do not have that please email the Klub office kountryklub@newmarcorp.com or call us 877-639-5582 and we will provide this information.

Your six-digit coach unit/serial number (may be listed as production number) can be found in several locations: on the inside of one of your kitchen cabinets, on the wall of your bedroom closet or on the plate near the driver's seat. If you have a question on the coach number, please contact the customer service department direct at customerservice@newmarcorp.com.
